

FOUNDER'S DAY CELEBRATION

(18 February 2020, Tuesday)

GNIOT Group of Institutions celebrated its **Founder's Day** on 18 February to mark the birth anniversary of the beloved **Founder Chairman of GNIOT Group of Institutions, Late Shri Krishan Lal Gupta**, who was a visionary and a philanthropist. He valued the importance of education for a progressive society and had been the pillar of strength for all.

Dr. Nishank shared his valuable message and appreciated GNIOT family. He also remembered the foresightedness of Late Shri Krishan Lal Gupta and described him as an inspiration for society.

This year also Founder's Day was celebrated with fervor, zeal and full enthusiasm with a galaxy of eminent dignitaries.

The invited **Chief Guest** of the programme was Hon'ble **Dr. Ramesh Pokhriyal 'Nishank'**(Minister of Human Resource Development, Government of India).

The Guests of Honor of the programme were **Shri Ashok Pradhan (Former Union Minister)** and **Dr Ashish Gautam (President of Divya Prem Sewa Mission)**. The programme was graced by many other revered guests.

(Vice Chairman of GNIOT Group of Institutions), **Shri Gaurav Gupta** (Vice Chairman of GNIOT Group of Institutions) and **Shri J. S. Rawal** (Member of the Management of GNIOT Group of Institutions).

The programme started by the offering of flowers to our beloved Founder Chairman Late Shri K.L. Gupta and lamp lighting by the dignitaries. The celebrations began with Ganesha Vandana.

All the guests were welcomed by **Shri Rajesh Kumar Gupta** (Hon'ble Chairman of GNIOT Group of Institutions), **Shri Bajrang Lal Gupta**

Dr. Rajesh Goel (Director-Engineering Institute) and **Dr. Savita Mohan** (Director-MBA Institute) gave welcome speech and highlighted the achievements of the Institute, students, and faculty and staff members.

The said Founder's day was marked through the cultural performances by the students of Engineering Institute, MBA Institute and Greater Noida World School (GNWS).

The attraction of the cultural programme was the performance by the Engineer cum Artist **Ms. Nancy Sahu** (Alumna of GNIOT and Senior Software Engineer at Bank of America), Gold medalist and Silver medalist of Rabindranatyam form at International level. She has also been awarded with Woman of Substance award by Nari Shakti NGO this year.

The other major attraction of the programme was the solo song of Master Vimal Sharma (student of 6th Std.) of Greater Noida World School.

Teachers, students and other employees were felicitated by the guests for their commendable and meticulous achievements in academics, research, sports and social welfare. Shri Ashok Pradhan and Dr. Ashish Gautam congratulated and blessed all the awardees.

Dr. Rajdev Tiwari, Dean CS, IT & MCA proposed Vote of Thanks to all the dignitaries, Director of Engineering and MBA Institute, Deans, HoDs, Faculty and staff members and all the students to grace the occasion.

PLACEMENT DRIVE WITH AMAZON

(4 February 2020, Tuesday)

The Department of Training and Placement successfully conducted Placement Drive with Amazon for the students of B.Tech.

Amazon is the world's largest online retailer and a prominent cloud services provider. The company has individual websites, software development centers, customer service centers and fulfillment centers in many locations around the world.

The GNIOT family congratulates the following students for their selection as Technical Trainee at a package of 3 LPA:

- Vicky - CSE
- Amey Raj Jaiwal- ECE
- Shahnawaz Alam- ECE

INDUSTRIAL VISIT TO “ST MICROELECTRONICS” GREATER NOIDA

(8 February 2020, Saturday)

Department of Electronics and Communication Engineering organized an industrial visit to ST Microelectronics, Greater Noida. ST Microelectronics is a leading Integrated Device Manufacturer delivering solutions that are keys to Smart Driving, Smart Industry, Smart Home & City and Smart Things. Students were also exposed to IOT environment and a session was taken by Mr. Alok Mittal, Head-System Applications and Integration Lab. He enlightened students with the technologies being provided by ST that enable manufacturing and other industrial sectors to achieve better efficiency, flexibility, and safety through automation that is called Smart Industry. The current shift, often labeled the “fourth industrial revolution” is making industrial systems smarter with the combined application of a broad range of products, including Microcontrollers, Sensors and Actuators,

Motor Control, Signal Conditioning, Industrial Communication Solutions, Secure solutions, Power Supplies, Protection Devices, Wireless Modules, and Display and LED Controllers.

Mr. Rahul, Associate, System Applications and Integration Lab organized hands on session and visit to Da Vinci Gallery of innovations. He also helped students with their inquisitive queries.

PLACEMENT DRIVE WITH IBM

(8 February 2020, Saturday)

The Department of Training and Placement successfully conducted Placement Drive with IBM for the students of B.Tech (CSE&IT) branch.

International Business Machines (IBM) is a global technology company that provides hardware, software, cloud-based services and cognitive computing. It was originally called Computing-Tabulating-Recording Company.

The GNIOT family congratulates the following students for being selected in IBM as Software Engineer at a package of 4 LPA:

- Ayushi Batham – CSE
- Anjali Pandey - CSE

PLACEMENT DRIVE WITH INFOSYS

(10 February 2020, Monday)

The Department of Training and Placement successfully conducted

Placement Drive with Infosys for the students of CSE, IT, ECE and EE branch.

Infosys Limited is an Indian multinational corporation that provides business consulting, information technology and outsourcing services.

The GNIOT family congratulates the following students for being selected in Infosys as Trainee Engineer at a package of 4 LPA:

PEER TRAINING ON ANDROID APP DEVELOPMENT

(12 – 13 February 2020, Wednesday-Thursday)

A two day peer to peer android training workshop was conducted by the Department of Computer Science and Engineering on 12 and 13 February 2020.

The event was inaugurated by Dr. Rajdev Tiwari, Dean (CSE, IT & MCA).

Around 70 students of CSE second and third year participated in this event. Topics such as introduction to android studio, formatting text and images, displaying buttons, inserting images were covered on Day one and the topics like animations, layout, icons inside app etc. were covered on Day two.

Guneet Gupta, third year student of B.Tech. CSE was the leader of the workshop along with some student coordinators Deepak Kumar (CSE second year), Prateek Aggarwal (CSE second year), Aryan Tripathi (CSE second year), Md. Saifi Hasan (CSE second year), Md. Irfan (CSE second year) and Aditya Ranjan Pandey (CSE third year) were trainer of the workshop and they successfully conducted the workshop.

The workshop was conducted in three batches as per the following schedule:

Batch 1: 12-13 Feb 2020

Batch 2: 17-18 Feb 2020

Batch 3: 19-20 Feb 2020

EXPERT LECTURE ON “SECURING VIRTUAL SPACE: CHALLENGES AND OPPORTUNITIES” (12 February 2020, Wednesday)

Department of Information Technology organized an expert lecture on “Securing Virtual Space: Challenges and Opportunities” for the students of Information Technology. An expert lecture was delivered by Dr. (Prof.) Brijesh Kumar Gupta.

Dr. Brijesh Kumar Gupta is an alumnus of IIT Roorkee and presently Director of Brannet Technologies Pvt. Limited NCR Ghaziabad.

The lecture started by describing the concept of virtual spaces, cyberspace and Cyber Security. Cyberspace allows users to share information, interact, swap ideas, play games, engage in discussions or social forums, conduct business and create intuitive media, among many other activities. The importance of cyberspace cyber security was explained one by one. Real-life examples were also discussed to clear the concepts.

Overall, the lecture was very interesting and beneficial to all the students.

PLACEMENT DRIVE WITH CHETU (15 February 2020, Saturday)

The Department of Training and Placement successfully conducted Placement Drive with Chetu India for the students of, B.Tech.(CSE /IT) and MCA.

Chetu is a US-based software development company that provides businesses worldwide with custom technology solutions. Chetu combines technological expertise, specific domain experience, and passion for excellence to deliver enterprise- grade solutions.

The GNIOT family congratulates the following students for being selected in Chetu as Trainee Engineer at a package of 3.5 LPA:

- Anjali Jaswal - CSE
- Md. Hashim - CSE
- Eshant Garg - CSE

- Shivam Kesari- CSE
- Dheeraj Kumar Bhagel - CSE

SEMINAR ON “ROADMAP OF INTERNSHIP (INTERNSHALA)” (27 February 2020, Thursday)

The Department of Electronics & Communication Engineering organized a one day Seminar on “Roadmap of Internship” for first year students in collaboration with INTERNSHALA – India’s largest internship platform.

Internship and volunteer experience make candidates more competitive in the job market. In addition to gaining exposure and experience in the field, they also provide an opportunity to see if the particular career field is the appropriate based on getting personal experience in the field. This seminar was conducted keeping in view the importance and need of internship. All students who enrolled for the seminar will be benefitted with the training and internship support. They all would be eligible for all the internship fair being organized by AICTE and Internshala.

EXPERT LECTURE ON “ROADMAP TO SUCCESSFUL CAREER” (28 February 2020, Friday)

The Department of Electronics & Communication Engineering organized an expert session for second and third year students on “Road Map to successful career” by Mr. Piyanshu Aggarwal and Mr. Rahul Chaudhary, Program Manager at United Health Group (UHG).

UHG is the largest healthcare company in the world by revenue. The session helped students to learn how to better improve themselves and develop strategies to get past real and mental obstacles caused by educational level, gender or workplace limitations.

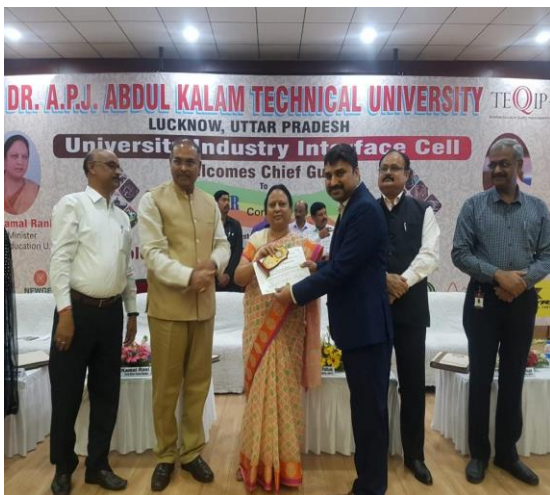

Students were guided to change how to think and talk to themselves to bring about a change in the way others respond to them in this global pool of competitive world. They were also enlightened about the techniques performing better in interview/presentations.

Students were also educated about start up programs and were motivated to take initiative for realizing their creative ideas. Mr. Priyanshu also an Alumnus of 2011 batch, felt extremely happy to share his experiences and explain the importance of engineers in economy building. He also discussed the upcoming job opportunities available for electronics students and stressed on continuous up gradation.

FACULTY ACHIEVEMENTS

BEST PLACEMENT OFFICER AWARD

It is a matter of great pride for GNIOT Group of Institutions that **Mr. Rohit Pandey**, the Head of the Department of Training & Placement was awarded “**The Best Placement Officer**” by the Vice-Chancellor Prof. Vinay Kumar Pathak of Dr. A.P.J. Abdul Kalam Technical University, Lucknow.
