

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

We are pleased to announce the **India Space Lab Winter Internship & Technical Training Program 2026**, designed for undergraduate and postgraduate students, research scholars, and faculty members interested in developing practical and technical skills in emerging technologies related to the space sector.

The program will provide online training and internship exposure in the following areas:

- **Advanced Drone Technology**
- **CanSat & CubeSat (Student Satellite)**
- **Rocketry**
- **Artificial Intelligence in Technology**
- **Remote Sensing & GIS**
- **Disaster Management**
- **Project Work**

Registration: -The Winter internship has total of two Batches. The registration timeline for both the batches is as follow.

Batch	Registration Start Date	Registration End Date
Batch - 1	1 September 2026	22 October 2026
Batch - 2	1 September 2026	18 December 2026

Internship Period & Seat Allocation: seats as given in the table below.
