

The screenshot shows a Gmail inbox with a single email. The email is from the India Space Academy (ISA) and is titled "Greetings from All India Council for Technical Education (AICTE).!". The email content is in English and provides information about the Summer Training Program 2026, including the program's aim, domains, eligibility, and requirements. The email is signed by Dr. Shrishail Kamble, Assistant Director of AICTE, New Delhi.

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE).!

We are pleased to inform you about the Summer Training Program 2026 being organized by India Space Academy (ISA).

The program aims to enhance technical knowledge and research capabilities in the following domains:

- Remote Sensing and GIS using Python
- Astronomy & Astrophysics: Heliophysics with Aditya L1 Data

The program will be conducted in online mode from 19th May 2026 to 02nd July 2026 (45 days), comprising training sessions followed by a project/internship phase.

Eligibility & Requirements:

- Open to Undergraduate (UG), Postgraduate (PG), and PhD students who are currently pursuing or have completed their degrees.
- Research Scholars/Faculty Members/Lecturers interested in these domains are also encouraged to apply.
- Participants must have access to a laptop/computer and a stable internet connection to attend online sessions and complete project work.

You are requested to disseminate this information among students, faculty members, and concerned departments. The details may also be uploaded on the institutional website/notice board for wider outreach.

Registration Details:

- Registration Link: https://isa_internship_indiaspaceweek.org/
- Registration Period: 09th April 2026 to 15th May 2026

A detailed official circular, brochure, public announcement, and flyer are enclosed herewith for your reference.
