REVERENCE TO OUR FOUNDER CHAIRMAN

LATE SHRI KRISHAN LAL GUPTA

Founder, Chairman
GNIOT Group of Institutions

"Transforming Ambitions into Achievements—Where Management Meets Innovation, and Engineering Drives the Future"

ABOUT US

The GNIOT Group of Institutions was founded by honourable Late Shri Krishan Lal Gupta (Founder Chairman) under the aegis of Shri Ram Educational Trust, Noida in 2001 on non-profit basis with a firm determination and commitment to foster a holistic approach towards the development of Engineering and Management Education. From its modest beginnings in Engineering and Management, GNIOT has now evolved into a diverse portfolio of a prosperous network of varied, esteemed institutions. The group is now a conglomerate of an array of acclaimed institutions that collectively contribute to the group's reputation for academic excellence and innovative learning. GNIOT Engineering Institute (NAAC A+ Accredited) of the Group has had a meteoric rise in the field of Engineering and Management leading towards Graduate and Post Graduate degrees. We have highly qualified and industry experienced board of management. GNIOT feels proud in placing on records for world class infrastructure, high-tech amenities, highly qualified and experienced team of faculty members to teach and groom the students. Our faculty members, students and administrators find boundless opportunities to interact with peers from around the world and every imaginable background. They learn from each other in classrooms and seminars, through meetings, club activities, conferences and on global study trips. They forge lifelong bonds with others who share their intellectual curiosity and their desire to make a meaningful difference. We welcome the vibrant array of cultures, voices and unique perspectives that together make GNIOT a dynamic place to learn, teach and thrive. The prime aim is to groom the students into technically sound and ethical leaders.

"Over the years, Greater Noida Institute of Technology has evolved into one of India's premier institutions of higher education and is proud to be among the top 5% of institutes accredited with the prestigious NAAC A+ Grade."

We are committed to delivering a world-class education that prepares students for a global future. Our campus brings together learners from across borders, fostering diversity and mutual respect. GNIOT offers cutting-edge programs in Engineering, Management, and Computer Applications. We focus not only on academic excellence but also on ethics, leadership, and holistic development. Our infrastructure, faculty, and industry connections create an ideal setting for growth. International students receive dedicated support from arrival to graduation. We ensure your academic, emotional, and cultural needs are well taken care of. We invite you to be part of a vibrant learning community that empowers your dreams. As the founder of this institution, I assure you of our commitment to your success.

At Greater Noida Institute of Technology (GNIOT), we take pride in fostering a truly global learning environment. We welcome students from around the world to be part of our diverse and vibrant academic community. Our programs are designed to meet international standards with strong industry relevance and innovation. We ensure full transparency in our admission process and fee structure for international applicants. From the moment you arrive, our dedicated team is here to support you in every step of your journey. We offer assistance in academics, accommodation, cultural adaptation, and more. Our modern campus, experienced faculty, and inclusive values provide a nurturing space for growth. At GNIOT, education goes beyond the classroom—building character, confidence, and community. We are committed to your success and personal development in a safe and respectful environment. I warmly invite you to GNIOT and wish you a fulfilling academic journey ahead.

#OUR VISION

VISION

"Be known globally for value-added education, innovation, and research at the intersection of disciplines in service of humankind"

MISSION

M-1: Place a multidisciplinary engineering education ecosystem that transforms learners into future innovators, entrepreneurs, and professional leaders.

M-2: Create an ambiance of interdisciplinary research, innovation, and creativity to address regional and global challenges for benefit of human life and the environment.

M-3: Provide the environment for enhancing knowledge, and inculcating critical & design thinking, life skills through quality learning systems.

M-4: Collaborate with globally renowned academic & research institutions and corporates for improving productivity and economics.

**Science can amuse
and fascinate us all,
but it is engineering
that changes the
world."**

Detailed Guidelines For Admission & Qualification, Fees & Evaluation For OCI/Foreign National Students For Academic Session: 2025-26

A. DEFINATION OF OCI/FOREIGN NATIONALS

"Overseas Citizen of India (OCI)" means a Foreign national, who was eligible to become Citizen of India on 26.01.1950 or was a Citizen of India on or at any-time after 26.01.1950 belonged to a territory that became part of India after 15.08.1947. Minor children of such person are also eligible for OCI. However, if the Applicant had ever been a Citizen of Pakistan or Bangladesh, he/she will not be eligible for OCI.

Foreign/International Students: Will include Foreign Nationals Candidates holding citizenship of foreign countries and he/she is holding foreign passport.
