COURSE No. & TITLE:

“SolarEnergy: Affordable and Sustainable Power For a Brighter Future”

PARTICIPANTS:

Students of BCA & MCA (1st Year)

OBJECTIVES:

- To convey an important message on the advantages of solar energy to the young ones, who are unaware from this renewable energy resource.

Venue: Hirnouti, Sikandrabad, Bulandshahar

Date: April 09th, 2025

Time: 11:30 AM Onwards

Report

The Department of Computer Applications (DCA) of GNIOT, in collaboration with Unnat Bharat Abhiyan (UBA), organised an survey and awareness program on Solar Energy: Affordable and Sustainable Power For a Brighter Future on 09th April 2025 in a village Hirnouti, Sikandrabad, Bulandshahar. The event aimed to raise awareness about solar power among the rural population, demonstrating the advantages of it for well-being. Total 30 students from 1st year participated in this event.

The awareness program effectively conveyed important messages for the advantages of renewable energy resources, so that we can save our earth.

The event was coordinated by Ms. Tanu Kumari and Dr. Abdul Alim. This initiative was a successful step to accept renewable energy resources. The DCA Department of GNIOT is committed to continuing such impactful endeavors.

Web : www.gniotgroup.edu.in

Outcome of the Program

1. Improved Awareness: Villagers gained critical knowledge about renewable resources.
2. Positive Behavioural Changes: understand the importance of renewable energy resources.
3. Encouragement for Future Initiatives: Positive feedback from the villagers encouraged the organisers to plan similar events.
