EVENT TITLE:

” Science, Innovation and Entrepreneurship on Occasion of National Science Day”

PARTICIPANTS:

All MCA second year and first year Students.

Event Details:

- Event Name: Science, Innovation, and Entrepreneurship
- Occasion: National Science Day
- Organized By: Department of Computer Applications (DCA) in collaboration with the Institutions' Innovation Council (IIC)
- Date: February 28, 2025
- Venue: Seminar Hall, GNIOT

OBJECTIVES:

1. Promote awareness about the significance of scientific research and innovation in societal development.
2. Encourage entrepreneurship by highlighting the role of science and technology in business and start-up ecosystems.
3. Inspire students to develop innovative solutions for real-world challenges through research and technology.
4. Facilitate knowledge-sharing through expert talks, discussions, and interactive sessions with industry leaders and innovators.
5. Bridge the gap between science, innovation, and entrepreneurship, creating opportunities for start-up incubation and collaboration.

Keynote Speaker:

The event featured an insightful session by Mr. Vivek Kumar (Alumni 205 Batch), IT-Director,

UNIVERSAL, Weather and Aviation, Inc, Gurugram.

Event Highlights:

- Discussion on the role of science in fostering innovation and entrepreneurship.
- Insights into emerging technologies and their impact on start-ups.
- Entrepreneurial opportunities in science and technology-based industries.
- Success stories of science-based start-ups and their journey.
- Interactive Q&A session where students engaged with the speaker.

The DCA Department, in collaboration with the Institutions' Innovation Council–IIC- Ministry of Education, conducted a Science, Innovation and Entrepreneurship on Occasion of National Science Day on February 28th, 2025.

Around 60 students of second year participated in the competition. Objectives of this competition were to provide valuable insights into the innovative scientific/technical ideas, development and its execution process.

We sincerely thank Prof. (Dr.) Dhiraj Gupta, Director of Engineering, for his invaluable guidance. Our gratitude also extends to Prof. (Dr.) Sanjay Katiyar, Dean of Academics, Prof. (Dr.) Saumya Chaturvedi, HOD-DCA, Mr. Harendra Singh, Dy-HOD-DCA, and all faculty members of the Department of Computer Applications (DCA) for their support and contributions.

Photograph 1: Prof. (Dr.) Saumya Chaturvedi warmly welcomes our esteemed speaker.

Photograph 2: The expert talk was delivered by **Mr. Vivek Kumar** to MCA students.

Photograph 3: Prof. (Dr.) Saumya Chaturvedi delivered the vote of thanks.

Photograph 4: Group Photographs.

Outcomes of the Event:

1. Enhanced Awareness: Students gained a deeper understanding of how scientific research translates into innovative business solutions.
2. Encouraging Entrepreneurial Mindset: The session motivated students to explore start-up opportunities in science and technology.
3. Networking Opportunities: Students interacted with experts and faculty members, helping them develop ideas for potential start-ups.
4. Idea Generation: Many students came up with innovative project ideas related to science and entrepreneurship.
