The Alumni Cell & Department of Computer Applications at Greater Noida Institute of Technology hosted an insightful Alumni Talk on "Real-World Application Development"! This session was organized under the guidance of our esteemed Dr. Dhiraj Gupta Sir Director, Dr. Sanjay Katiyar Sir Dean Academics, Dr. Neeraj Kumar Sharma Sir HOD (DCA), Mr. Harendra Singh Sir Alumni Cell Coordinator, Mr. Abdul Alim Sir Event Coordinator.

Our distinguished Alumni speaker, Mr. Rajnish Kumar Mishra, shared valuable industry insights and practical knowledge with our students, providing a comprehensive look at application development from start to finish.

Key Takeaways from the Session:

- * Real-World Problem Solving: How to design applications that address practical challenges and meet user needs.

- * Interactive Q&A: Students had the chance to engage directly with Mr. Mishra, who answered questions on the latest tools, technologies, and trends in application development.

This event was a resounding success, thanks to the dedicated efforts of our faculty and coordinators, as well as the active participation of our students. Heartfelt thanks to Mr. Rajnish Kumar Mishra for sharing his expertise with us.
