Action Taken Report on the Feedback of Stakeholders

Feedback collected from the following Stakeholders:

A. Student Feedback

B. Faculty feedback

C. Parent Feedback

D. Alumni Feedback

E. Employer feedback

On the basis of the Feedback collected from various stakeholders, following actions were taken to improve the academics of the program B. Tech. Computer Science & Engineering

Sl. No.	Feedback / Suggestions	Action taken
1	Courses helpful in higher learning should be included in the curriculum	As an affiliated institute we can't modify curriculum but department will arrange invited talks on the topics related to higher learning and request the affiliating University to the subjects in the curriculum that help students in higher learning.
2	Improve the availability of reference books.	Send request letter to the library to increase the number of titles and volume of reference books.
3	Improve the quality of teaching.	Department will instruct the teachers to create good quality assignments and question banks and increase the use of teaching adds at the time of teaching.

The Registrar
Dr. A. P. J. Abdul Kalam Technical
University, Lucknow U P

Sub: Recommendations of courses that may be included in the University curriculum.

Dear Sir,

This is to bring under your kind attention that as an affiliated institution, we follow the University curriculum which is in compliance with the latest model curriculum provided by AICTE. Dr APJ AKTU curriculum includes all the essential core courses that are crucial for competitive exams and placements.

As part of institutional process at, we have collected curriculum related feedback from major stakeholders including students, parents, alumni, faculty members, and employers. Based on the input received from the feedback, we wish to put forth some recommendations that may be included in the AKTU curriculum in the next academic session 2018-19. The recommendations are summarized as follows:

1. **Common for all engineering branches:** Courses on Personality Development & job-oriented courses may be included in the curriculum.
2. **B.Tech Electronics & Communication Engineering and B.Tech Electrical Engineering:** A course on Cyber Security may be added to the syllabus.
3. **B.Tech Civil Engineering:** A theory course on Quantity Estimation may be included in the syllabus for 3rd year students.

The above is for your kind consideration and requesting to incorporate in the new syllabus.

Thanks & Regards

(DIRECTOR)
