Academic Year: 2018-2019

Action Taken Report on the Feedback of Stakeholders
Feedback collected from the following Stakeholders:

A. Student Feedback

B. Faculty feedback

C. Parent Feedback

D. Alumni Feedback

E. Employer feedback

On the basis of the Feedback collected from various stakeholders, following actions were taken to improve the academics of the program B. Tech. Computer Science & Engineering

Sl. No.	Feedback / Suggestions	Action taken
1	Job and Career Oriented Courses should be included in the curriculum.	As an affiliated institute we can't modify curriculum but department will start the Add on courses on Core Java and Core Python.
		Request the IQAC to send a letter to affiliating University to add Job and Career Oriented Courses in the curriculum.
2	Improvement in Infrastructure and Lab Facilities.	Department will request the higher authorities for the improvement of class and lab infrastructure.

Action Taken Report on the Feedback of Stakeholders

Academic Year: 2018-2019

Feedback collected from the following Stakeholders:
A. Student Feedback
B. Faculty feedback
C. Parent Feedback
D. Alumni Feedback
E. Employer feedback

On the basis of the Feedback collected from various stakeholders, following actions were taken to improve the academics of the program B. Tech. Mechanical Engineering.

Sl.No.	Feedback / Suggestions	Action taken
1	Career Oriented Courses should be included in the Department as Training Programmes.	The department already started the Add on Training courses on AutoCAD and will likely to Start training on Solid works.
2	Provide the environment to make the students Industry ready.	Department will arrange Various Industrial visits for our students, so that our students will learn the managerial and technical skill related to industries.

Date: 13/June/2019

The Registrar/Dean UG
Dr. A. P. J. Abdul Kalam Technical University,
Lucknow.

Subject: **Recommendations of courses that may be included in the AKTU curriculum in the academic session 2019-2020.**

Dear Sir,

This is to bring under your kind consideration that as per the university guidelines, we follow the curriculum which is in compliance with the latest model curriculum provided by AICTE. The curriculum includes all the crucial core courses necessary for competitive exams and placements.

As part of our institutional process, we have gathered curriculum related feedback from various stakeholders, including students, parents, alumni, faculty members, and employers. Based on the feedback received, we have identified some recommendations that we would like to propose for the AKTU curriculum for the upcoming academic session of 2019-2020. The summary of the recommendations is provided below:

1. Common for **all engineering branches:** Programming and coding related courses may be added for all branches of engineering as they are more industry relevant with respect to current job market.

2. **B.Tech Computer Science & Engineering and B.Tech Information Technology:** Industrial training after second year or project based- work in third year may be included in the syllabus in line with requirements of the industry.

3. **B.Tech Electronics & Communication Engineering:** A course on Television & Broadcast Engineering may be added to the syllabus.

4. **B.Tech Mechanical Engineering:** A course on Sensor & Instrumentation may be included in the curriculum.

The above is for your kind consideration and requesting to incorporate in the new syllabus.

Thanks & Regards
