THE REGISTRAR

Dr. A. P. J. AKTU, Lucknow. U.P.

Sub: **Recommendations of courses that may be included in the AKTU curriculum in the academic session 2021-22.**

Dear Sir,

This is to bring under your kind attention that Greater Noida Institute of Technology (Engg. Inst)/is affiliated to Dr. APJ Abdul Kalam Technical University, Uttar Pradesh. As an affiliated institution, we follow the University curriculum which is in compliance with the latest model curriculum provided by AICTE. Dr APJ AKTU curriculum includes all the essential core courses that are crucial for competitive exams and placements.

As part of institutional process, we have collected curriculum related feedback from major stakeholders including students, parents, alumni, faculty members, and employers. Based on the input received from the feedback, we wish to put forth some recommendations that may be included in the AKTU curriculum in the next academic session 2021-22. The recommendations are summarized as follows:

1. **Common for all engineering branches:** Conduction of virtual labs is required for at least 8 practicals for easier conduction of labs during online classes.
2. **B.Tech Electrical Engineering:** A course on Electrical vehicles is required.
3. **Master of Computer Application:** An android based mobile application development course is required.
4. **B.Tech Mechanical Engineering:** A course on Additive Manufacturing may be included in the curriculum.
5. **B.Tech Electronics & Communication Engineering:** AI-based courses may be included in the syllabus so as to inculcate industry-oriented courses in curriculum.

The above is for your kind consideration and requesting to incorporate in the new syllabus.

Thanks & Regards
