Action Taken Report on the Feedback of Stakeholders

Feedback collected from the following Stakeholders:

- A. Student Feedback
- B. Faculty feedback
- C. Parent Feedback
- D. Alumni Feedback
- E. Employer feedback

On the basis of the Feedback collected from various stakeholders, following actions were taken to improve the academics of the program B. Tech. Computer Science & Engineering

Sl. No.	Feedback / Suggestions	Action taken
1	Career Oriented Courses should be included in the curriculum	As an affiliated institute we can't modify curriculum but department will start the Add on courses on Core Java and Core Python.
2	Provide the environment to make the students Entrepreneurs.	Department will arrange invited talks and Alumni talks of entrepreneur. Arrange Institute innovation Counsel (IIC) lectures in the department.

Analysis report on the Curriculum Feedback, collected from the Stakeholders

Academic Year: 2021-2022

A. Student Feedback

Feedback from the B Tech (Computer Science & Engineering) students collected in the prescribed format. Feedback received from the 190 students on the curriculum prescribed by the affiliating University, Dr. APJ Abdul Kalam Technical University.

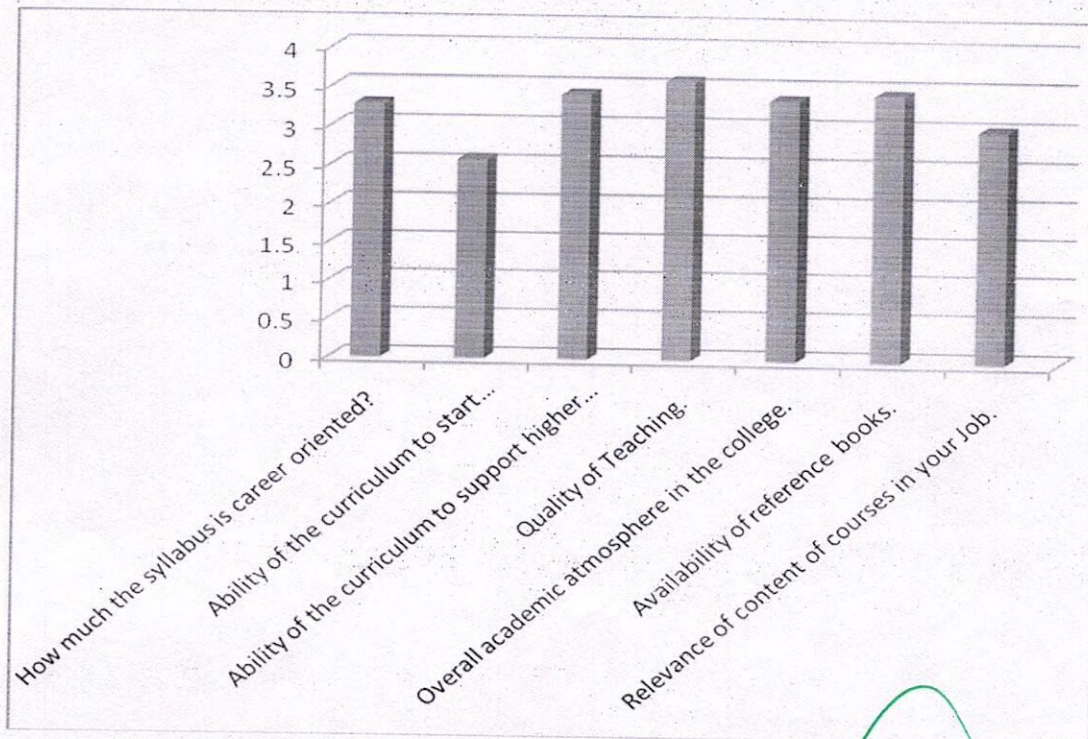

1. Final Year: 100
2. Third Year: 60
3. Second Year: 40

Students Feedback Average

1	2	3	4	5	6	7
How much the syllabus is career oriented?	Ability of the curriculum to start entrepreneurship.	Ability of the curriculum to support higher learning.	Quality of Teaching.	Overall academic atmosphere in the college.	Availability of reference books.	Relevance of content of courses in your Job.
3.28	2.58	3.42	3.6	3.37	3.45	3.01

Action Taken Report on the Feedback of Stakeholders

Feedback collected from the following Stakeholders:

- A. Student Feedback
- B. Faculty feedback
- C. Parent Feedback
- D. Alumni Feedback
- E. Employer Feedback

On the basis of the Feedback collected from various stakeholders, following actions were taken to improve the academics of the program B. Tech. Information Technology.

Sl. No.	Feedback / Suggestions	Action taken
1	Professional development courses are of utmost importance in making students ready for industrial placements and various other competitions by enhancing their soft skills and analytical abilities.	As an affiliated institute we can't modify curriculum but the carrier skill development centre and the training department will start the add on courses like certification on Core/advance Java and Core Python.
2	Interactive class room teaching using smart technology	Department will initiate the in-class active or collaborative learning exercises.

The Registrar (UG)

Dr. A. P. J. Abdul Kalam Technical University,
Lucknow.**Sub: Recommendations of courses that may be included in the AKTU curriculum in the academic session 2022-23.**

Dear Sir,

We wish to bring under your kind attention that as per the university guidelines, we follow the curriculum which is in compliance with the latest model curriculum provided by AICTE. The curriculum includes all the crucial core courses necessary for competitive exams and placements.

As part of our institutional process, we have gathered curriculum related feedback from various stakeholders, including students, parents, alumni, faculty members, and employers. Based on the feedback received, we have identified some recommendations that we would like to propose for the AKTU curriculum for the upcoming academic session of 2022-23. The summary of the recommendations is provided below:

- 1. B.Tech Electronics & Communication Engineering:** Antenna & Wave Propagation lab may be included in curriculum.
- 2. Master of Computer Application:** Courses related to Social Media Management & Security may be added in the curriculum.
- 3. B.Tech Civil Engineering:** Design of Steel Structures may be included as a compulsory subject for fourth year students.

The above is for your kind consideration and requesting to incorporate in the new syllabus.

Thanks & Regards
