उन्नत भारत के तहत ग्रामीणों को कोरोना से बचने के लिए किया जागरूक

ग्रेटर नोएडा, 19 जनवरी (देशबन्धु)। इंस्टीट्यूशन इनोवेशन काउंसिल जीएनआईओटी, ग्रेनो ने उन्नत भारत अभियान के तहत ग्राम खेड़ी, ग्रेटर नोएडा में एक जागरूकता अभियान का आयोजन किया। डॉ. अनुरंजन मिश्रा, डीन (आर एंड डी) और ग्राम प्रधान संगीता टोंगर ने लोगों से कोरोना महामारी से बचने के उपाय साझा किए। उन्होंने कहा कि कोरोना हटाने तक मास्क और सामाजिक दूरी आवश्यक है। दो मीटर की दूरी, मास्क है जरूरी। जीएनआईओटी संकाय सदस्यों द्वारा गांवों में सैनिटाइजर वितरित किए गए। संस्थान के सिविल इंजीनियरिंग विभाग ने जीएनआईओटी इंस्टीट्यूशन इनोवेशन काउंसिल की टीम के साथ गांव से संबंधित ग्रामीणों की विभिन्न समस्याओं को सुना, ताकि खेड़ी गांव की समस्याओं के समाधान और उसका क्रियान्वयन किया जा सके। ग्राम प्रधान संगीता टोंगर और ग्रामीणों ने सभी ग्रामीणों को मास्क और सैनिटाइजर के वितरण के लिए ग्रेटर नोएडा प्रौद्योगिकी संस्थान के चेयरमैन राजेश गुप्ता को धन्यवाद दिया।

विद्यार्थियों ने अंसल गोल्फ लिंक में लगाए पौधे

ग्रेटर नोएडा। नॉलेज पार्क स्थित ग्रेटर नोएडा इंस्टीट्यूट ऑफ टेक्नोलॉजी ने स्मार्ट क्लाउड कैंपस नेटवर्क के अंतर्गत मंगलवार को पौधरोपण अभियान चलाया गया। इसके तहत मंगलवार को अंसल गोल्फ लिंक-1 कॉलोनी में एमबीए संकाय के विद्यार्थियों, शिक्षकों और आरडब्ल्यूए के पदाधिकारियों ने पौधे लगाए। संस्थान के निदेशक डॉ. धीरज गुप्ता ने बताया कि पर्यावरण को कार्बन फ्री बनाने के लिए कार्यक्रम का आयोजन किया गया। ब्यूरो

कॉलेज के सोशल क्लब ने पौधारोपण कर पर्यावरण के प्रति किया जागरूक

ग्रेटर नोएडा, 10 जुलाई (देशबन्धु)। जीएनआईओटी संस्थान पर्यावरण को कार्बन मुक्त करने के लिए हर वर्ष अनुकूल वातावरण में वृक्षारोपण करता है। इस वर्ष भी, जीएनआईओटी के सोशल क्लब ने 4 जुलाई से शुरू किए गए वृक्षारोपण अभियान के अंतर्गत 500 से भी अधिक पौधों का रोपण किया गया। इस वृक्षारोपण अभियान में डॉ. प्रणवीर सिंह, महानिदेशक, जीएनआईओटी समूह, डॉ. धीरज गुप्ता, निदेशक, जीएनआईओटी तकनीकी संस्थान ने सभी शिक्षकों के साथ संस्थान में पौधारोपण किया। इस अवसर पर

डॉ. धीरज गुप्ता ने संस्थान के अंदर एवं शहर के विभिन्न भूभागों पर भी वृक्षारोपण करने के लिए सभी को प्रेरित किया। डॉ. प्रणवीर सिंह ने कहा कि पर्यावरण को शुद्ध रखना प्रत्येक व्यक्ति की जिम्मेदारी है तथा उन्होंने संस्थान के उन कर्मचारियों की भी सराहना की जो वृक्षारोपण के बाद पौधों के पोषण और संरक्षण की जिम्मेदारी का निर्वाहन करते हैं।

आयोजन कोविड काल में जान गंवाने वाले अभिभावकों के लिए जीएनआईओटी संस्थान समूह की पहल

बच्चों को जीएनआईओटी समूह देगा छात्रवृत्ति

ग्रेटर नोएडा, 9 अक्टूबर (देशबन्धु)। कोविड-19 काल में जान गंवाने वाले अभिभावकों के बच्चों को जीएनआईओटी संस्थान समूह ने छात्रवृत्ति देने की घोषणा की है, ताकि उनकी पढ़ाई में कोई बाधा न आ सके। शनिवार को जीएनआईओटी संस्थान समूह के चेयरमैन राजेश गुप्ता ने प्रेस वार्ता में समूह की उपलब्धियों के बारे में बताते हुए संस्थान परिवार के सभी सदस्यों का असाहचर्यन किया और कहा कि कोरोना महामारी के कठिन समय में सभी ने बढ़बढ़ कर नई तकनीक को आत्मसात करते हुए काम किया है।

उन्होंने बताया कि किसी शिक्षक का वेतन नहीं काटा गया और परफार्मेंस के हिसाब से वेतन में वृद्धि भी की गई है। इस दौरान जीएनआईओटी समूह के निदेशक, डॉन व प्रोफेसर मौजूद रहे, साथ ही गौरव गुप्ता उपाध्यक्ष, स्वदेश सिंह सोईओ मौजूद रहे। संस्थान एमबीए व पीजीडीएम विभाग ने मिलकर भारत उन्नत अभियान के तहत ग्रेटर नोएडा के दस गांवों को गोद लिया है। गोद लिए गांव में शिक्षापरक योजनाओं के प्रति जागरूक करेंगे। उन्होंने बताया कि 288 राष्ट्रीय एवं बहुराष्ट्रीय कंपनियों ने संस्थान के लगभग 517 छात्रों का चयन हुआ है जिसमें हमारी एक छात्रा को अमेजोन ने 70 लाख के वार्षिक पैकेज पर चयन किया है। तकनीकी संस्थान के निदेशक

■ उन्नत भारत अभियान के तहत संस्थान दस गांवों को लिया गोद, चलाएंगे जागरूकता अभियान

डॉ. धीरज गुप्ता ने बताया कि कोविड के समय वचुअल लर्निंग को सभी शिक्षकों एवं छात्रों ने अपने जीवन में पूरी तरह से अपना लिया और संस्थान ने कुछ ही दिनों में अपना काबिली को डिजिटल कर लिया। तकनीकी संस्थान ने जहां पिछले एक वर्ष में बीस से अधिक एमओयू का अनुबंध किया गया तो वहीं स्टार्ट अप इंडिया के तहत आईआईसी सेल तथा

एमएसएमई सेंटर, वचुअल लैब के लिए नोडल सेंटर की भी स्थापना की। एमबीए डायरेक्टर डॉ. सविता मोहन ने बताया इसी सत्र में एमबीए इंस्टिट्यूट के द्वारा 120 से बढ़ाकर 180 सीटों का हो जाना इंस्टिट्यूट की बहुत बड़ी उपलब्धि है। अभी हाल ही में एम बी ए संस्थान द्वारा हाईफुलनेस एजुकेशन ट्रस्ट द्वारा समझौता ज्ञापन किया गया गया। जिस के निदेशक डॉ.

अरुण कुमार ने बताया कि पीजीडीएम विभाग ने छात्रों के सर्वांगीण विकास के लिए अन्तरराष्ट्रीय समझौता इस्तेमाल किया है जिसमें छात्र 10 दिन के लिए इंडोनेशिया के विश्वविद्यालय में पढ़ाई के लिए जाएंगे। जिससे उन्हें अंतरराष्ट्रीय रोजगार हेतु तैयार किया जाएगा। इसी दिशा में संस्थान गुणवत्ता विकास हेतु 6 उच्चस्तर के सर्टिफिकेट कोर्स भी करते हैं। जीएन इंस्टिट्यूट ऑफ प्रोफेशनल स्टडीज (जिप्स) के निदेशक डॉ. दिलीप सिंह ने भी बताया कि जिप्स एक नए संस्थान के रूप में जीएनआईओटी समूह से जुड़ा है। कोविड महामारी के चलते, बहुत सारी प्रतिकूल परिस्थितियों का सामना करते हुए संस्थान को सफलतापूर्वक संचालित किया।

अभियान के तहत पांच गांवों को गोद लिया

ग्रेटर नोएडा। ग्रेनो में नॉलेज पार्क स्थित जीएनआईओटी संस्थान में शनिवार को नवरंग कार्यक्रम का आयोजन किया गया। संस्थान में पीजीडीएम कोर्स का संचालन प्रारम्भ किया। एमबीए इंस्टिट्यूट के द्वारा 120 से बढ़ाकर 180 सीट बढ़ा दी गई है। संस्थान के चेयरमैन राजेश गुप्ता ने बताया कि उन्नत भारत अभियान के तहत पांच गांवों को गोद लिया गया है।

10 OCT, 2021 DAINIK JAGRAN GR. NOIDA PAGE NO: 2**प्रधानमंत्री के संदेश से आपदा को अवसर में बदला : राजेश**

जीएनआईओटी कालेज में आयोजित प्रेसवार्ता में जानकारी देते कालेज के चेयरमैन राजेश गुप्ता (बाएं) • जागरण

जागरण संवाददाता, ग्रेटर नोएडा : कोरोना संक्रमण का असर हर क्षेत्र पर देखने को मिला। शिक्षण संस्थान भी अछूते नहीं रहे। तमाम परेशानियों से पार पाते हुए नॉलेज पार्क स्थित जीएनआईओटी कालेज ने नई तकनीक को आत्मसात करते हुए छात्रों को आनलाइन शिक्षा की सुविधा दी। साथ ही एक भी कर्मचारी को नौकरी से निकाले बिना पूरी सैलरी दी। दीपावली त्योहार से पूर्व सभी कर्मचारियों के वेतन में वृद्धि कर उपहार दिया। 500 से अधिक छात्रों के सपने को साकार करते हुए उनका प्लेसमेंट कराया।

आयोजित प्रेसवार्ता में कालेज के चेयरमैन राजेश गुप्ता ने समूह की उपलब्धियों के बारे में बताया। उन्होंने कहा कि संक्रमण काल में प्रधानमंत्री नरेन्द्र मोदी ने देश के नाम संबंधन में कहा था कि कोरोना

महामारी की आपदा को अवसर में बदलें। संस्थान के सभी कर्मचारियों को परिवार का सदस्य मानते हुए व समय की मांग को देखते हुए दो नए संस्थान जीएनआईओटी प्रबंधन अध्ययन तथा जीएन इंस्टीट्यूट ऑफ प्रोफेशनल स्टडीज की शुरुआत की। कोरोना काल में भी छात्रों के प्लेसमेंट को प्राथमिकता दी गई। 288 राष्ट्रीय-बहुराष्ट्रीय कंपनियों में संस्थान के लगभग 517 छात्रों का चयन हुआ है। एक छात्रा को अमेजन ने 70 लाख का पैकेज दिया। निदेशक डा. धीरज गुप्ता ने बताया कि संस्थान ने पिछले एक वर्ष में 20 से अधिक एमओयू का अनुबंध किया है। साथ ही स्टार्ट अप इंडिया के तहत आइआईसी सैल तथा एमएसएमई सेंटर व वर्चुअल लैब के लिए नोडल सेंटर की भी स्थापना की। संस्थान ने एमबीए में 120 से 180 सेंटें की।

रक्तदान शिविर में विद्यार्थियों ने बढ़चढ़कर लिया हिस्सा

जीएनआईओटी, जिम्स व एम्स के सहयोग से 216 यूनिट रक्त हुए एकत्रित

ग्रेटर नोएडा, 1 दिसम्बर (देशबन्धु)। जीएनआईओटी संस्थान समूह के सोशल क्लब एवं राजकीय आयुर्विज्ञान संस्थान ग्रेटर नोएडा और ब्लड बैंक एम्स दिल्ली के संयुक्त

प्रयासों से रक्तदान शिविर का आयोजन किया। शिविर का शुभारंभ जीएनआईओटी संस्थान समूह के चेयरमैन राजेश गुप्ता, डॉ. (ब्रिगेडियर) राकेश गुप्ता, निदेशक, राजकीय आयुर्विज्ञान संस्थान ने सभी विद्यार्थियों एवं शिक्षकों को रक्तदान के लिए प्रोत्साहित करते हुए किया। संस्थान के निदेशक धीरज गुप्ता ने

अपना रक्तदान करते हुए छात्रों और शिक्षकों को रक्तदान हेतु प्रेरित किया। सभी विद्यार्थी एवं शिक्षकों को रक्तदान के बाद राजकीय आयुर्विज्ञान संस्थान ग्रेटर नोएडा और ब्लड

बैंक एम्स दिल्ली द्वारा रक्तदान प्रमाण पत्र दिया गया जो कि अगले एक वर्ष में रक्तदाता की रक्त की आवश्यकता को भी पूरा करेगा। तकनीकी संस्थान के निदेशक डॉ. धीरज गुप्ता ने डॉक्टरों की पूरी टीम, सोशल क्लब के सभी सदस्यों के साथ-साथ रक्त दाताओं का विशेषरूप से आभार व्यक्त किया।

छात्रों ने जिला मुख्यालय प्रांगण में किया पौधारोपण

ग्रेटर नोएडा, 6 अक्टूबर (देशबन्धु)। जीएनआईओटी तकनीकी संस्थान के इलेक्ट्रिकल विभाग जिला मुख्यालय के प्रांगण में वृक्षारोपण किया गया। जीएनआईओटी समूह के अध्यक्ष राजेश गुप्ता वृक्षारोपण के लिए सभी को प्रेरित करते रहे हैं। इस वृक्षारोपण के अवसर पर डॉ. प्रणवीर सिंह, महा निदेशक, जीएनआईओटी समूह, डॉ. धीरज गुप्ता, निदेशक, जीएनआईओटी तकनीकी संस्थान का बहुमूल्य सहयोग एवं उपस्थिति रही। दिवाकर सिंह, एडीएम प्रशासन तथा डॉ. निखिल गुप्ता, विभागाध्यक्ष इलेक्ट्रिकल विभाग की प्रेरणा से ईई विभाग के सभी छात्रों के साथ-साथ संकाय सदस्यों ने भी इस अभियान में उत्साहपूर्वक भाग लिया। निखिल गुप्ता तथा विभाग के सभी शिक्षकों एवं विद्यार्थियों ने वृक्षारोपण को वातावरण के लिए बेहद जरूरी बताते हुए, वृक्षारोपण पर प्रशन्नता जाहिर की।

Village Based Problem Discussion and Solution development Program: MCA department of GNIOT organized a village visit to Rampur Bangar village on 06.04.2022 under the vibrant leadership of Prof. (Dr.) Dhiraj Gupta, Director, GNIOT to discuss and find solutions to the problems faced by the villagers. This visit is an extension of activities designed to enlighten the students, the future stakeholders of our country regarding the issues faced by commoners, under the initiative of 'Unnat Bharat Abhiyan, GNIOT is constantly in touch with this adopted village to alleviate the problems there. The interactions will surely broaden the horizons of these students and make them aware of the social responsibilities they have.

This will not only enhance their knowledge but also sharpen their perceptive capabilities and hone their skills on the path of becoming an ideal citizen as envisaged by the GNIOT management.

Report on an event Waste Management

The Computer Science & Engineering Department successfully organized a "Waste Management" activity in the college campus on 19-02-2021. Dr Shiv Kumar, Professor, JIMS Engineering Management Technical Campus discussed about various environmental issues that are related to unscientific disposal of solid waste.

The main motto of this program is to bring the awareness among the students. In many places just like that they are pouring waste beside of canals and roads so in order to overcome these problems. We have discussed new techniques in the meeting on different waste management processes. Students and faculty members were attended for this program.

19-02-2021

ESSAY ON WASTE MANAGEMENT

The improper disposal of municipal waste has a serious and dangerous impact on a wide range of areas. Garbage thrown in the street or in open spaces creates a public health hazard, while waste dumped near rivers, lakes and streams contaminates the water supply. Rubbish that is burned in the open rather than disposed of properly creates pollution and releases toxic fumes into the environment. Non bio degradable

materials thrown into open drains make their way into the sewerage system, clogging pipelines and damaging infrastructure. The hazards posed by the dumping of untreated hospital and industrial waste are even greater, with the release of pathogens and toxic compounds posing a grave threat not just to human life but also to plants and animals. Garbage dumped in the countryside is not simply an eyesore; entire landscapes are ruined and unique habitats for flora and fauna are lost.

Prof. Shiv also highlighted the various technologies that are being used for scientifically disposing the solid waste. He discussed about sanitary landfills, incineration, and pyrolysis mainly. Further, present scenario of waste management in India was also discussed by him.

He concluded the talk with an interactive session with the students. The outcome of the activity was that students got to learn and develop habits to dispose of waste properly, and not litter around in campus and the areas near their residences.

Mr. Ashwin Verma

Blood Donation Camp (11th April, 2021)

“Remember that the happiest people are not those getting more, but those giving more. Donating Blood is one of the greatest ways to help humankind”.

By doing so, we save someone's precious life, and that is a blessing in itself.

Department of MCA participated in Blood Donation camp organized by GNIOT GROUP OF INSTITUTIONS , GREATER NOIDA with “Indian Army, DhaulaKuan” Armed Forces Transfusion Center (AFTC) on 11th April, 2021. More than 200 students, faculty members & staffs were donated their blood in the camp. The doctors also highlighted the importance of blood donation and how we can help others by this blood donation. Students were so excited and displayed their enthusiasm towards the Blood Donation Camp by not only participating in the Blood Donation Camp but also encouraging their peers to contribute towards this noble cause. This event successfully executed in the presence of Honorable Chairman Dr. Rajesh Gupta, Honorable vice Chairman Shri Gaurav Gupta and respected director Dr. Dhiraj Gupta with the help of entire GIPS team.

Outcome of the event:

Blood donation camps are organized with the purpose of supplying blood to the blood banks for the need of patients suffering from cancer, hemophilia, and thalassemia or accident victims.

Event Report: Oxygen Cylinder Distribution by GNIOT Greater Noida during COVID-19 Pandemic in Kheri Village

Introduction:

The COVID-19 pandemic has been an unprecedented public health crisis that has affected people worldwide. In India, the second wave of COVID-19 in 2021 led to an acute shortage of medical oxygen, resulting in a large number of deaths. To address this crisis, many individuals and organizations came forward to help, including the Greater Noida Institute of Technology (GNIOT).

Event Details:

GNIOT Greater Noida initiated an oxygen cylinder distribution drive to help COVID-19 patients in Kheri Village. The initiative was led by the GNIOT administration, who procured a large number of oxygen cylinders and partnered with local volunteers to distribute them.

The distribution of oxygen cylinders began on 1st May 2021 and continued for several weeks. The GNIOT administration set up a helpline number, which people could call to request an oxygen cylinder. The volunteers would then verify the need and deliver the oxygen cylinder to the patient's doorstep.

The distribution of oxygen cylinders was a massive success, and many lives were saved as a result. The volunteers also ensured that the cylinders were properly sanitized and maintained, and the GNIOT administration provided regular refills to ensure that the patients had a continuous supply of oxygen.

Summary and Conclusion of the event:

The oxygen cylinder distribution drive by GNIOT Greater Noida was a commendable initiative that helped many COVID-19 patients in Kheri Village. The efforts of the GNIOT administration and the local volunteers were highly appreciated, and their selfless service during these challenging times will always be remembered.

Department of MCA

HEALTH AWARENESS

(The Yoga-21st June 2021)

“Yoga is not a religion. It is a science, science of well-being, science of youthfulness, science of integrating body, mind and soul.”

Yoga is a discipline and meditation which needs to be practiced physically, mentally, and spiritually. It was originated in the ancient India however being practiced all over the world in many countries. Now-a-days, broad variety of Yoga is practiced by the students in many schools and colleges. It is the most important means of meditation for the people in Hinduism, Buddhism, Jainism and other religions.

With this thought **MCA department** participated in International Yoga Day organized by **GNIOT GROUP OF INSTITUTIONS** for Faculties, Staffs and Students. We at GNIOT GROUP OF INSTITUTIONS believe that yoga is the incorporation of meditation and breathing can help improve a person's mental well-being. With this aim in mind, the event took place at GNIOT GROUP OF INSTITUTIONS auditorium on 21st June 2021. International Yoga Day motivates you toward healthy eating and improves the metabolic system of the body.

Outcome of the Event:

Participants at the program were encouraged to incorporate healthy habits and also take various preventive measures so that in the upcoming times they can stay safe and sound. In addition, people present there are also spurred to boost up their daily nutrition intake. They are also given information on how to integrate and maintain hygiene in their lifestyle. This program is focused towards addressing issues of personal health care, vaccination, hygiene, and illness prevention.

EVENT TITLE:

International Day of the Girl Child "Our time is now—our rights, our future".

PARTICIPANTS:

All IT Engineering Students & Faculty members.

OBJECTIVES:

- The main motive of the event was to work together to ensure that girls are connected, supported and empowered.
- To stand up for and with girls who are more vulnerable to discrimination and violence than boys the moment they first draw breath.
- To focus attention on the need to address the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

Speaker of the Event: Ms. Parul Srivastava

**Profile of the Speaker**

- The speaker of this event was an experienced CBSE teacher having more than 20 years of experience.
- She has done M.A. in English and B.Ed from Rohilkand University. She has worked as English and Music teacher in Balwant Rai Mehta Vidya Bhawan, New Delhi from 2004 to 2005, in Sunbeam Public School, Kanpur from 2008 to 2013, in Panchsheel Balak Inter College Noida from 2013 to 2016, in Ralli International School from 2018 to 2019 and in Vanasthali Public School from 2020 to March 2022.

- She also worked as a coordinator for preparing students for inter school competitions for Debates, cultural programs and internal school activities.

Report

"Girls are leaders. Girls are change-makers. Girls are driving good and growth around the world. They are a fundamental source of transformational change for gender equality, and technology which is a crucial tool to support their work, activism and leadership."

IT Department has organized an event on International Day of the Girl Child on 23rd June 2021. The motive of this event is to work together to ensure that girls are connected, supported and empowered. Ms. Parul Srivastava who is having more than 20 years of experience in teaching, has inspired not only girls but also boys than girls can change the world if they will get proper education, healthcare, learning, opportunities and cooperation.

]

The event was hosted by Ms.Muskan Gupta, student of IT 3rd year who highlighted the motive of the event and welcomed the Guest Speaker, Ms.Parul Srivastava and thanked the speaker for sparing her valuable time to enrich the students.Ms.Parul Srivastava spoke about the different themes of International Day of the Girl Child and what is the importance of International Day of the Girl Child. She addressed the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

Jyoti and Sonali from IT 3rd Year also presented their views highlighting the importance of the day. The session was attended by more than 60 students and all faculty members of IT.

The Event was backed –up from the participant end with an interactive Question and Answer session. The session was very fruitful and interactive.

Outcome of the Program

1. Students gained knowledge regarding girls' rights and the unique challenges girls face around the world.
2. We all should work together to ensure that girls are connected, supported and empowered.

PLANTATION DRIVE (2021)

“Someone’s sitting in the shade today because someone planted a tree a long time ago.”

Plant a tree today for a better tomorrow. The significance of forest cover and tree plantation cannot be stressed upon enough, and their importance has only increased in the present scenario, with global warming and climate change being very real threats to our planet and all its inhabitants.

The Department of MCA has been organized the Tree Plantation Drive from 04th to 10th July 2021 at GREATER NOIDA INSTITUTE OF TECHNOLOGY campus under the Social Club. Considering the concept of **“Plant a tree today for a better tomorrow”**, the drive has been executed in presence of respected director Dr. Dhiraj Gupta, Faculty members, Staffs and Students of MCA 1st Year and 2nd Year.

Outcome of the Event:

Participants were highly energetic to make the event a big success. A spirit of teamwork, exchange of ideas and enthusiasm of the participants especially among the students could be seen. The students and teachers planted saplings and fenced them and watered the plants.

ACTIVITY REPORT

ANTI-DENGUE-MALARIA MEASURES

17th September 2021

Organized by

Mechanical Engineering Department

Date: 17th September 2021

Location: College Campus and Nearby Area

Organizers: Mechanical Engineering Department

Objective: To promote awareness about dengue and malaria prevention and control measures in the college campus and nearby area.

Activities:

- Conducted a lecture on dengue and malaria prevention and control measures for students and staff members.
- Distributed pamphlets and brochures to students and staff members to create awareness.
- Inspected the college campus and nearby areas for mosquito breeding sites.
- Sprayed insecticides in areas where mosquito breeding sites were found.
- Cleaning of the college campus and surrounding areas to prevent the accumulation of stagnant water.

Participants:

- Students, faculty & staff members of the Mechanical Engineering Department.

Outcomes:

- Approximately 30 students and staff members attended the lecture on dengue and malaria prevention and control measures.
- Pamphlets and brochures were distributed to all the attendees.
- The inspection of the college campus and nearby areas helped to identify potential mosquito breeding sites.
- Spraying of insecticides helped to control the mosquito population.
- Cleaning of the college campus and surrounding areas helped to prevent the accumulation of stagnant water.

Conclusion: The "Anti-Dengue-Malaria Measures" activity organized by the Mechanical Engineering Department, GNIOT, Gr. Noida was a great success. It not only helped to promote awareness about dengue and malaria prevention and control measures but also helped to identify potential mosquito breeding sites and control the mosquito population in the college campus and nearby areas. This event was successfully organized under the guidance of our Director Prof. (Dr.) Dhiraj Gupta, HOD Mechanical (Dr.) Rajeev Kumar, Dy HOD Mr. Gagan Varshney, and other faculty members. The activity was coordinated by Dr. Avinash Ravi Raja.

REPORT

TREE PLANTATION

On

“TREES ARE THE ROOTS OF OUR EXISTANCE”

30th September 2021

Organized by

Electronics and Communication Engineering Department

Report on "Tree Plantation" Conducted by Electronics and Communication Department in Astauli Village: "Trees are the roots of our existence."

The Electronics and Communication (ECE) Department organized a tree plantation drive on 30th September 2021 in Astauli Village, as part of their commitment towards environmental conservation and sustainability. The event aimed to promote the importance of trees in our ecosystem and create awareness about the need for tree plantation for a greener and healthier environment.

The quote, "Trees are the roots of our existence," served as the central theme of the program, highlighting the crucial role that trees play in maintaining the balance of our ecosystem and supporting life on Earth. The participants included faculty members, students, and staff from the ECE Department, who actively participated in the tree plantation drive.

The event started with a brief introduction by the Head of the ECE Department, who emphasized the importance of trees in mitigating climate change, conserving biodiversity, and providing various ecosystem services. He encouraged the participants to actively contribute to tree plantation efforts and promote sustainable environmental practices.

Following the introduction, the participants planted saplings of different native tree species in and around Astauli Village. The saplings were carefully chosen based on their suitability to the local climate and soil conditions, and were planted in designated areas such as parks, schools, and public spaces. The participants were also educated about the proper techniques of tree plantation, including digging the right-sized pit, watering, and mulching, to ensure the survival and growth of the saplings.

During the event, several participants shared their perspectives on the importance of tree plantation in our lives. Here are some quotes from notable individuals:

1. Mr. Vivek Kumar, a student from the ECE Department, said, "Trees are not just a source of oxygen, but also a habitat for various birds, animals, and insects. Through this tree plantation drive, we aim to create a greener environment and promote biodiversity conservation. Trees are our lifeline."
2. Dr. Pooja Saxena, a faculty member from the ECE Department, shared, "Tree plantation is a crucial step towards mitigating climate change and conserving our natural resources. Trees provide us with clean air, clean water, and a healthy environment. It is our responsibility to protect and preserve them for future generations."

The event concluded with a pledge by all the participants to continue promoting tree plantation efforts and taking care of the planted saplings. The event received positive feedback from the villagers of Astauli, who appreciated the efforts of the ECE Department in promoting environmental conservation and sustainability.

In conclusion, the tree plantation drive conducted by the Electronics and Communication Department in Astauli Village on 30th September 2021 aimed to promote the importance of trees in our ecosystem and create awareness about the need for tree plantation for a greener and healthier environment. The event emphasized the role of trees as the roots of our existence and the need to protect and preserve them for a sustainable future. The active participation of the ECE Department and the engagement with the villagers showcased their commitment towards environmental conservation and their efforts to create a greener and healthier environment.

HYGIENE MAINTENANCE

On

“HYGIENE IS TWO THIRDS OF HEALTH”

01st October 2021

Organized by

Electronics and Communication Engineering Department

Report on "Hygiene Maintenance" Conducted by Electronics and Communication Department in Nithari Village: "Hygiene is Two Thirds of Health"

The Electronics and Communication (ECE) Department organized a "Hygiene Maintenance" program on 01st October 2021 in Nithari Village to promote healthy hygiene practices and create awareness about the importance of maintaining cleanliness for overall health and well-being. The event aimed to educate the local community about the significance of hygiene and its impact on individual and community health.

The quote, "Hygiene is two thirds of health," served as the central theme of the program, emphasizing the critical role of hygiene in maintaining good health. The participants included faculty members, students, and staff from the ECE Department, who actively participated in the hygiene maintenance activities.

The event started with an informative session by Mr. Shiv Narain Gupta, Assistant Professor in ECE, who spoke about the importance of hygiene in preventing diseases and promoting overall well-being. She highlighted the significance of personal hygiene, food hygiene, and environmental hygiene in maintaining good health and preventing the spread of illnesses.

Following the session, the participants conducted a cleanliness drive in Nithari Village. They cleaned the streets, public areas, and nearby surroundings, including parks, markets, and schools. They also distributed pamphlets and posters with key messages on hygiene practices, such as handwashing, proper waste disposal, and clean food handling, to the villagers.

During the event, several participants shared their perspectives on the importance of hygiene maintenance and the need for community engagement in promoting healthy hygiene practices.

Here are some quotes from notable individuals:

1. Ms. Anjali Gupta, a student from the ECE Department, said, "Hygiene is a crucial aspect of our daily lives. Through this program, we aim to create awareness about the importance of maintaining cleanliness and adopting healthy hygiene practices. Good hygiene habits can prevent the spread of diseases and promote overall well-being."
2. Mr. Abhishek Kaushik, a faculty member from the ECE Department, shared, "Maintaining hygiene is not only an individual responsibility but also a collective effort. By creating awareness and engaging with the local community, we can together promote healthy hygiene practices and create a cleaner and healthier environment. Hygiene is a fundamental aspect of public health."

The event concluded with a pledge by all the participants to continue promoting hygiene

maintenance and creating awareness about the importance of cleanliness in the community. The event was well-received by the villagers, and they expressed their appreciation for the efforts of the ECE Department in promoting healthy hygiene practices.

In conclusion, the "Hygiene Maintenance" program conducted by the Electronics and

Communication Department in Nithari Village on 01st October 2021 highlighted the importance of hygiene in maintaining good health. The event focused on creating awareness about healthy hygiene practices and engaging with the local community to promote cleanliness. The active participation of the ECE Department and the engagement with the villagers showcased their commitment towards public health and hygiene promotion.

Tree Plantation Drive

Date: 06/10/2021

Seeking the auspicious blessings of our chairman sir, Sh. Rajesh Gupta ji and supported by the constructive efforts of Dr. Pranveer Singh, Director General, GNIOT group of institutions and Dr. Dheeraj Gupta, Director, GNIOT, the Electrical Engineering (EE) Department, GNIOT successfully conducted a "Plantation Drive" at the Office of the honorable DM, Gautam Buddha Nagar on 06.10.2021. The "Plantation Drive" was made a huge success by the cordial cooperation of Sh. Dewakar Singh, ADM, Gautam Buddha Nagar. Driven by the charismatic mentorship of Dr. Nikhil Gupta, HOD, EE department, and all the students as well as faculty members of the EE department ecstatically participated in the drive.

Outcome:

The students participated in the tree plantation activity by which they learnt the importance of tree plantation. They learnt about how trees help to clean environment, reduce global warming, and provide green cover to the planet earth.

(HOD, ME)

ACTIVITY REPORT

Waste Management

18th November 2021

Organized by

Mechanical Engineering Department

Date: 18th November 2021

Location: Village Khedi Banota and nearby locations

Organizers: Mechanical Engineering Department, GNIOT, Gr. Noida

Objective: To promote proper waste management practices and cleanliness in the Village Khedi Banota and nearby locations.

Activities:

- Cleaning of the village and surrounding areas.
- Segregation of waste into recyclable and non-recyclable materials.
- Proper disposal of waste.
- Awareness campaign on the importance of waste management and cleanliness.

Participants:

- Students, faculty and staff members of the Mechanical Engineering Department.

Outcomes:

- A total of 30 volunteers participated in the activity.
- Approximately 50 kg of waste was collected and disposed of properly.
- The village and surrounding areas were left clean and hygienic.
- The initiative helped to create awareness among the local community about the importance of proper waste management and cleanliness.

Conclusion: The Waste Management activity organized by the Mechanical Engineering Department, GNIOT Gr. Noida was a great success. It not only helped to promote proper waste management and cleanliness but also created awareness among the local community about the importance of keeping our surroundings clean. We hope that such initiatives will continue in the future, and more people will join us in our efforts to promote a clean and hygienic environment. This event was successfully organized under the guidance of our Director Prof. (Dr.) Dhiraj Gupta, HOD Mechanical Prof. (Dr.) Iqbal Ahmad Khan, Dy HOD Mr. Gagan Varshney, and other faculty members. The activity was coordinated by Mr. G. S. Bhati.

DENGUE-MALARIA AWARENESS PROGRAM

Organizing
On

5th November 2021

Organized by

Electronics and Communication Engineering Department

Report on Dengue-Malaria Awareness Program Conducted by Electronics and Communication Department in Sikandarpur Village: "Avoid the Mosquitoes to Avoid Dengue and Malaria"

The Electronics and Communication (ECE) Department organized a Dengue-Malaria awareness program on 05th November 2021 in Sikandarpur village to create awareness about the prevention and control of these mosquito-borne diseases. The event aimed to educate the local community about the importance of avoiding mosquitoes to prevent the spread of Dengue and Malaria.

The quote, "Avoid the mosquitoes to avoid Dengue and Malaria," served as the key message of the awareness program, emphasizing the critical role of mosquito control in preventing these diseases. The participants included faculty members, students, and staff from the ECE Department, who actively participated in the awareness drive.

The event commenced with an informative session by Dr. Rakhi Bhardwaj, Associated Professor in ECE department. She provided insights on the transmission, symptoms, and preventive measures of Dengue and Malaria. She highlighted the importance of eliminating mosquito breeding sites and adopting protective measures to avoid mosquito bites, such as using mosquito nets, wearing protective clothing, and using mosquito repellents.

The participants then conducted a door-to-door campaign in Sikandarpur village, spreading awareness about Dengue and Malaria and sharing information on preventive measures. They distributed pamphlets and posters with key messages on mosquito control, symptoms of Dengue and Malaria, and the importance of seeking timely medical attention. The participants also interacted with the villagers, answered their queries, and encouraged them to adopt healthy practices to prevent the spread of these diseases.

During the event, several participants shared their perspectives on the importance of Dengue-Malaria awareness and the need for community engagement in mosquito control. Here are some quotes from notable individuals:

1. Ms. Dimple, a student from the ECE Department, said, "Mosquito-borne diseases like Dengue and Malaria can have severe consequences on our health and well-being. Through this awareness program, we aim to educate the community about preventive measures and empower them to take proactive steps in controlling mosquito breeding and avoiding mosquito bites."
2. Dr. Anil Kumar Dubey, a faculty member from the ECE Department, shared, "Prevention is the key in controlling Dengue and Malaria. By creating awareness and

engaging with the local community, we can together combat the spread of these diseases. It is crucial to adopt healthy practices and promote mosquito control measures to safeguard public health."

3. Mr. Sachin Kumar, a lab staff member from the ECE Department, stated, "Awareness is the first step in preventing Dengue and Malaria. By spreading knowledge about these diseases and their prevention, we can empower the community to take preventive actions and protect themselves from mosquito-borne illnesses. It is our responsibility to create a safer and healthier environment."

The event concluded with a pledge by all the participants to continue spreading awareness about Dengue and Malaria and promoting mosquito control measures in the community. The event was well-received by the villagers, and they expressed their gratitude for the informative session and the efforts of the ECE Department in creating awareness about these diseases.

In conclusion, the Dengue-Malaria awareness program conducted by the Electronics and Communication Department in Sikandarpur village on 01st November 2021 highlighted the importance of avoiding mosquitoes to prevent the spread of these diseases. The event focused

on educating the local community about preventive measures and creating awareness about mosquito control. The active participation of the ECE Department and the engagement with the villagers showcased their commitment towards public health and disease prevention.

ACTIVITY REPORT

NAME OF EVENT:- "GROUP DISCUSSION" ON THE TOPIC " IMPACT OF COVID-19 PANDEMIC ON DAILY LIFE"

Date & Time of Event:- 13.11.2021 from 2:00 - 5:00 PM

The Department of information technology (Greater noida institute of technology)has successfully conducted a session of "group discussion" on the topic " IMPACT OF COVID-19 PANDEMIC ON DAILY LIFE" for the third year students under the supervision of our Director prof. Dr.Dhiraj Gupta, Head of Department prof. Dr. Ramveer Singh ,our guests supremely talented judges Mr.Sarvendra Singh and Mr. Nikhil Singh and faculty Coordinators and the cornerstone, the participants of this event. The impact that covid laid on our lives was discussed by our students ,the pros and cons that were noticed by them was also being discussed. The session was quite interacting and the students have grasped the basics of group discussion. This Event gave the students a glimpse of the needs for interviews. First rank was hold by Mahak Agarwal 3rd yr, 2nd rank was hold by Smirti Jha 3rd yr, and 3rd rank was hold by Rishav Yadav 3rd yr. We appreciate the winners and our learners.

Clean-A-Thon Drive

Date: 25/11/2021

The Electrical Engineering (EE) department successfully and enthusiastically conducted the Clean-a-thon drive in the premises of the Greater Noida Authority, Greater Noida on 25.11.2021. Bolstered from the indelible efforts of the Honorable Management of the GNIOT and Dr. Dheeraj Gupta, Director, GNIOT (Engineering Institute), the drive proved to be a pivotal event. Mentioning too the restless endeavors of Dr. Nikhil Gupta, HOD, EE department because of which the drive could become a success. All the noteworthy faculty members and students of the EE department participated in the drive with full zeal. At the last, thanks to Mr. Anupam Kumar, Deputy Registrar, Greater Noida Authority, for his vital support in making the event successful.

Outcome:

Through this drive, the students knew the importance of cleanliness. They learnt that the living surroundings should be neat and clean to create an ambiance of learning.

Health Check-up

03rd December 2021

Organized by

Mechanical Engineering Department

Date: 03rd December 2021

Location: Room no. 64, ME Department GNIOT, Greater Noida

Organizers: Mechanical Engineering Department, GNIOT, Gr. Noida

Objective: To make the system healthy

Activity & Outcomes:

"The Greatest Wealth is Health", in this context, a free health checkup event was organized by Mechanical Engineering Department on 03-12-21 at Room no: 64, GNIOT, Greater Noida campus. For setting up the medical camp, the Mechanical Engineering Department collaborated with the Green City Hospital, Delta-I, Greater Noida. The 3 team members of the hospital including two technicians has arrived the college at 10.00 am. Free physical examinations, along with Pulse rate, SpO₂ and Blood pressure measurements were provided by the hospital. Approximately 70 faculty members and staff from all branches came for the checkup.

Participants:- All faculty members and staff from all branches of the institute.

Conclusion:

This Magna social event was successfully organized under the guidance of our Director Prof. (Dr.) Dheeraj Gupta, HOD Mechanical Prof. (Dr.) Iqbal Ahmad Khan, Dy HOD Mr. Gagan Varshney, Dr Rajeev Kumar and other faculty members. The health checkup camp was coordinated by Mr. Trinath Mahala, Faculty of Mechanical Engineering Department.

SWACHH BHARAT ABHIYAN

On

“CLEAN INDIA MAKE INDIA CLEAN! SWACCH INDIA,
CLEAN INDIA!”

3rd December 2021

Organized by

Electronics and Communication Engineering Department

Report on "Swachh Bharat Abhiyan" Conducted by Electronics and Communication Department in Rohillapur Village: "Clean India makes India clean! Swachh India, clean India!"

The Electronics and Communication (ECE) Department organized a "Swachh Bharat Abhiyan" program on 3rd December 2021 in Rohillapur Village, as part of the nationwide cleanliness campaign initiated by the Government of India. The event aimed to promote cleanliness and sanitation practices among the villagers and create awareness about the importance of keeping the surroundings clean for a healthier and cleaner India.

The quote, "Clean India makes India clean! Swachh India, clean India!" served as the central theme of the program, emphasizing the need for cleanliness in the community for a better and healthier environment. The participants included faculty members, students, and staff from the ECE Department, who actively participated in the cleanliness drive and awareness activities.

The event began with a motivational speech by the Head of the ECE Department, who highlighted the significance of cleanliness in maintaining good health and well-being. He urged the participants to actively participate in the cleanliness drive and spread awareness about the importance of cleanliness in their daily lives.

Following the speech, the participants conducted a cleanliness drive in and around Rohillapur Village. They cleaned the streets, public areas, and nearby surroundings, including parks, schools, and markets. They also distributed pamphlets and posters with key messages on cleanliness and sanitation practices, such as proper waste disposal, clean food handling, and maintaining clean surroundings, to the villagers.

A student from the ECE Department, said, "Cleanliness is not just a government campaign, but a way of life. Through this Swachh Bharat Abhiyan, we aim to create awareness about the importance of cleanliness in our community. Clean surroundings lead to a healthier and happier community." Mr. Pavel Saini, a faculty member from the ECE Department, shared, "Swachh Bharat Abhiyan is not just about cleaning our surroundings but also about changing our mindset towards cleanliness. It is our responsibility to keep our environment clean and promote cleanliness as a way of life. A clean India is a prosperous India."

The event concluded with a pledge by all the participants to continue promoting cleanliness and sanitation practices in their daily lives and encouraging others to do the same. The event received positive feedback from the villagers, who expressed their gratitude to the ECE Department for organizing the Swachh Bharat Abhiyan program in their village.

In conclusion, the "Swachh Bharat Abhiyan" program conducted by the Electronics and Communication Department in Rohillapur Village on 3rd December 2021 aimed to promote cleanliness and sanitation practices in the community. The event focused on creating awareness about the importance of cleanliness and engaging with the villagers to promote a cleaner and healthier India. The active participation of the ECE Department and the engagement with the villagers showcased their commitment towards the Swachh Bharat Abhiyan and their efforts to create a cleaner and healthier environment.

A report on Swachh Bharat Abhiyaan

The department of MCA contributed in the GOI mission Swachh Bharat Abhiyaan by organizing an outreach activity on 6 December, 2021 from 12:00 pm onwards. 20 students of the MCA formed two teams, spotted the location in the GNIOT campus and its neighborhood where the cleaning is required. Afterwards, students took the initiative, held the broom and cleaned the location. They also put the litter (e.g., wrappers) in the dustbin and created the awareness for the importance of the cleaned environment. Ms. Shallu mall was the moderator of the event. Special thanks to Dr. Sheesh Kumar Sharma (HOD of MCA) and respected Director Dr. Dhiraj Gupta.

Outcome of the Event:

Students realized the importance of maintaining their city a clean-city like their homes.

“Women Awareness Campaign”

On

11.12.21

Organized by

Department of MCA

A report on Women Awareness Campaign

“More powerful the woman, stronger will be the Nation.” With the above said notion the M.C.A Department conducted a Women Awareness Campaign on **11.12.21**. All the students of the department, especially the 2nd year students, participated in the event with full zeal and presented their thoughts on making women aware of the ill thoughts and practices of the society. This event successfully executed in the presence of Honorable Chairman Dr. Rajesh Gupta, Honorable vice Chairman Shri Gaurav Gupta and respected director Dr. Dhiraj Gupta.

Outcome of the Event:

Gender awareness raising aims to promote and encourage a general understanding of gender-related challenges, for instance, violence against women and the gender pay gap. It also aims to show how values and norms influence our reality, reinforce stereotypes and support the structures that produce inequalities.

नारी सशक्तीकरण कार्यक्रम में अपर्णा यादव ने महिला अधिकार पर की चर्चा

ग्रेटर नोएडा, 27 मई (देशबन्धु)। जीएनआईओटी ग्रुप ऑफ इंस्टीट्यूशन्स में राजनीतिज्ञ और सामाजिक कार्यकर्ता अपर्णा यादव के आगमन पर 'नारी सशक्तीकरण-आज और कल की नेता' कार्यक्रम का आयोजन किया गया। कार्यक्रम की शुरुआत चेयरमैन राजेश गुप्ता ने मुख्य अतिथि अपर्णा यादव को स्मृति चिन्ह भेंट कर की। अपर्णा यादव ने अपने जीवन के संघर्षों और उपलब्धियों के बारे में सभी को साझा करते हुए बताया कि संसार में दो शक्तियां हैं। एक तलवार है, और अन्य कलम

है। अब एक तीसरी शक्ति है, जो दोनों से अधिक शक्तिशाली है, महिलाएं। लेकिन भारत में महिला सशक्तीकरण अभी भी एक कठिन कार्य और हमें इस तथ्य को स्वीकार करने की आवश्यकता है कि प्राचीन भारत से भारतीय महिलाओं के साथ अलग व्यवहार किया जाता रहा है। एक कर्तव्यनिष्ठ नागरिक के रूप में न केवल हमारा कर्तव्य है बल्कि इन घटनाओं के बारे में तुरंत सूचित करना एवं आवश्यक कार्रवाई जरूर करें। कार्यक्रम के समापन में जी एन आई ओ टी ग्रुप ऑफ इंस्टीट्यूशन्स से फर्स्ट लेडी सपना गुप्ता ने आये हुए सभी अतिथियों, शिक्षकों एवं सभी विद्यार्थियों को धन्यवाद दिया। नारी सशक्तीकरण की दिशा में राज्य सरकार एवं केंद्र सरकार बेटा बचाओ बेटा पढ़ाओ, कन्या सुमंगला योजना, मातृ वन्दन, उज्वला योजना जैसे कार्यक्रम संचालित कर रही है। ऐसी योजनाएं महिलाओं के प्रति भेदभाव को दूर किये जाने में मील का पत्थर साबित होंगी।

नई शिक्षा नीति पाठ्यक्रम व शिक्षाशास्त्र में सुधार पर कार्यशाला आयोजित

ग्रेटर नोएडा, 22 फरवरी (देशबन्धु)। ग्रेटर नोएडा इंस्टिट्यूट ऑफ प्रोफेशनल स्टडीज में 'नई शिक्षा नीति (एनईपी) पाठ्यक्रम और शिक्षाशास्त्र में सुधार' पर कार्यशाला का आयोजन किया गया। कार्यक्रम की शुरुआत मां सरस्वती वंदना एवं दीप प्रज्वलित कर की गई। प्रिंसिपल डॉ. सविता मोहन ने कार्यशाला में प्रमुख वक्ता प्रो-वाईस चांसलर (यूपीटीयू) प्रोफ ए. के. खरे का स्वागत किया एवं कहा कि राष्ट्रीय शिक्षा

नीति 2020 को 29 जुलाई, 2020 को प्रधानमंत्री नरेंद्र मोदी द्वारा अनुमोदित किया गया था। नीति को विस्तार

से समझने के लिए इस पर चर्चा बहुत आवश्यक है। ग्रेटर नोएडा इंस्टिट्यूट ऑफ प्रोफेशनल स्टडीज ने इसके लिए एक मंच प्रदान किया है। डॉ. राजेश पाठक, डायरेक्टर (क्यूएएएम) जीएनआइओटी ग्रुप ने नई शिक्षा नीति के प्रमुख बिंदुओं पर चर्चा की उन्होंने कहा कि नई शिक्षा नीति किसी भी विषय को सीखने के व्यावहारिक पहलू पर केंद्रित है, क्योंकि यह अवधारणा को समझने का एक बेहतर तरीका माना जाता है।

युवाओं को तकनीकी रूप से सशक्त बनाने का सरकार ने उठाया है वीणा: कपिल देव

ग्रेटर नोएडा, 18 मई (देशबन्धु)। जी.एन.आई.ओ.टी. तकनीकी संस्थान में बी.टेक. अन्तिम वर्ष के छात्रों को स्मार्ट टैबलेट वितरित किये गये। कार्यक्रम का शुभारम्भ मुख्य अतिथि कपिल देव अग्रवाल, व्यावसायिक शिक्षा एवं कौशल विकास राज्य मंत्री, उत्तर प्रदेश सरकार, विशिष्ट अतिथि तेजपाल सिंह नागर, विधायक दादरी, समाज कल्याण अधिकारी, गौतमबुद्ध नगर, शैलेन्द्र बहादुर सिंह, जी.एन.आई.ओ.टी. संस्थान समूह के चेयरमैन राजेश गुप्ता, उपाध्यक्ष गौरव गुप्ता तथा संस्थान के निदेशक डा. धीरज गुप्ता ने किया। कार्यक्रम को सम्बोधित करते हुए कहा कि इस डिजिटल युग में उत्तर प्रदेश में अध्ययनरत युवाओं को तकनीकी रूप से सशक्त व आत्मनिर्भर बनाने हेतु हमारे प्रधानमन्त्री की पहल को हमारे गौरवशाली मुख्यमंत्री ने

व्यावसायिक शिक्षा एवं कौशल विकास राज्य मंत्री ने विद्यार्थियों को वितरित किया टैबलेट

साकार करने का वीणा उठाया है। बच्चे ही देश के भविष्य हैं यही ध्यान में रख उत्तर प्रदेश में अध्ययनरत युवाओं के तकनीकी एवं प्रबंधन सशक्तिकरण हेतु प्रदेश सरकार ने इस योजना की शुरुआत की है। मुख्यअतिथि ने बच्चों को उनके उज्ज्वल भविष्य की शुभकामनाएं देते हुए इस स्मार्ट टैबलेट का सदुपयोग, ज्ञान एवं शिक्षा के क्षेत्र में ही करने की सीख भी दी। विशिष्ट अतिथि तेजपाल

सिंह नागर ने अपने सम्बोधन में कहा कि सरकार के इस प्रयास से विशेष रूप से गांव के बच्चे तकनीकी की दिशा में और अधिक लाभान्वित होंगे। समाज कल्याण अधिकारी, शैलेन्द्र बहादुर सिंह ने सभी स्मार्ट टैबलेट लाभार्थी विद्यार्थियों को बधाई देते हुए उन्हें इस डिवाइस का दुरुपयोग न करने की सलाह दी और उन्हें सचेत भी किया। संस्थान के अध्यक्ष राजेश गुप्ता सभी अतिथियों का स्वागत करते हुए प्रधानमंत्री मोदी एवं मुख्यमंत्री योगी की इस पहल को बच्चों के भविष्य हेतु लाभकारी बतलाते हुए उनको आने वाले भविष्य के लिए प्रेरित किया।

07 September, 2022

Dear Dr Gupta ji,

It is indeed a matter of great privilege for me to inform you that the Ministry of Jal Shakti, Government of India is organizing 7th India Water Week – 2022 (IWW-2022) during 1-5 November 2022 at India Expo Center, Greater Noida, adjacent to National Capital Region, Delhi.

We are pleased to inform you that, Organising Committee of India Water Week-2022 has decided to set up a dedicated zone for Start-Ups and Innovators in the exhibition area of the event (IWW-2022) to extend the opportunities for showcasing the Skills/ technologies/ innovations etc. of students/ scholars of academic institutes.

The main objective of India Water Week is to provide a forum for various stakeholders namely; policy makers, water managers, professionals, academia and the user groups from different sections of the society wherein all water related issues are discussed and measures are identified to address sustainable water security challenges. The theme for IWW-2022 is “Water Security for Sustainable Development with Equity” focusing on various aspects of water security and related challenges for equitable development.

The exhibition of the event provides a unique opportunity for showcasing the technologies, latest developments and solutions available in various fields of water management. The exhibition would spread over an area of about 3,500 square metres and is co-located with the IWW-2022 at India Expo Center, Greater Noida.

I would request you to kindly make use of this opportunity and participate in the exhibition by showcasing the Skills/ technologies/ innovations etc. of students/ scholars of your premier institute. The charges for exhibition space for the institutions shall be waived off.

It is further requested to depute the faculty, research scholars and students of your institute to participate in the event and visit the exhibition during the event from 2-5 November, 2022. A dedicated slot shall also be allocated to your institute for the visit.

Press Release of Ist day of 7th India Water Week 2022

The 7th India Water Week was graced and inaugurated by Hon'ble President Smt. Droupadi Murmu, in the august presence of Hon'ble Governor, Uttar Pradesh Smt. Anandiben Patel, Hon'ble Chief Minister, Uttar Pradesh, Shri Yogi Adityanath, Hon'ble Union Minister of Jal Shakti Shri Gajendra Singh Shekhawat, Hon'ble Ministers of State for Jal Shakti Shri Prahlad Singh Patel, and Shri Bishweswar Tudu at India Expo Centre, Greater Noida on 01.11.2022. Shri Pankaj Kumar, Secretary, DoWR,RD&GR, Ministry of Jal Shakti welcomed all the dignitaries for the 7th India Water Week.

The event commenced with the auspicious ceremony of "Jal Bharo" by our Hon'ble President Sh. Droupadi Murmu and Dignitaries present in the dias by pouring water into the vessel, strengthening the vision of Jal Shakti. This ceremony symbolized the immense importance of water conservation.

Hon'ble President of India, Smt Droupadi Murmu, praised the initiative of Ministry of Jal Shakti in safeguarding precious water. Mentioning water as a vital resource for life, she discussed the relevance of saving water for a future-secure Nation. In her inspirational address to the conclave, she accentuated that these five daylong events will embrace key players and address the issue of water security.

Hon'ble Governor of Uttar Pradesh, Smt. Anandiben Patel, stated that we need to march ahead in the field of water conservation, and make sure that the future of our children is water secured.

Hon'ble CM of Uttar Pradesh, Yogi Adityanath, graced the event with his esteemed presence and praised the successful commencement of the 7th India Water Week - 2022. With his valuable insights, he enlightened and motivated the arena towards water security. He reverberated the noble message of 'Jal Hai Toh Jeewan Hai' and mentioned that State of UP has an adequate water supply of ground and surface water.

Hon'ble Minister of Jal Shakti, Shri Gajendra Singh Shekhawat, addressed the conclave, and emphasized that despite coming from different backgrounds, it is worth noting that we all join hands today to address the issue of water conservation. He stated that the issue of water conservation, its management is a

holistic and global effort. The event of India water week is a unique effort to bring together these insights on one platform. Further, he declared the vision of ensuring 100% water availability across the country by 2024 and urged the citizens to join the movement and escalate Jal Shakti for a water-secure India.

Smt. Akli Tudu, Water Warrior, Jharkhand & Smt. Hira ben, Water Warrior, Bhuj, Gujarat narrated their experience in water conservation in their areas citing various initiatives, cases of rejuvenation and crops raised in the command areas.

The Plenary session was held under the chairmanship of Shri Gajendra Singh Shekhawat, Hon'ble Union Minister for Jal Shakti. H.E. Mr. Shoimzoda Jamshed, Hon'ble First Deputy Minister of Energy & Water Resources, Republic of Tajikistan, HE Eng. Maryprisca Winfred Mahundi, Hon'ble Dy. Minister of Water, Tanzania, Dr. Asit K. Biswas, Visiting Distinguished Prof. University of Glasgow, Shri A.D. Mohile, Former Chairman, Central Water Commission, Shri Mark Smith, Director General, IMWI took part in the session and expressed their views on the water security and conservation and the challenges in climate change, etc. The deliberations emphasised the strategies for water development and its management in the evolutionary process, concern of water security, conducting serious reviews of water related security concerns after scientific analysis, implementation of action plan, so that water can be proved to be an agent for peace instead of water wars.

Thereafter, H.E. Mr. Shoimzoda Jamshed, Hon'ble First Deputy Minister of Energy & Water Resources, Republic of Tajikistan, HE Eng. Maryprisca Winfred Mahundi, Hon'ble Dy. Minister of Water, Tanzania inaugurated the Exhibition at the 7th edition of India Water Week 2022 in the gracious presence of Hon'ble Union Minister of Jal Shakti Shri Gajendra Singh Shekhawat and other senior officials.

Date: 14-01-2022

Summary Report of Swachh Bharat Event

Event date : 14th Jan 2022.

The Computer Science & Engineering Department successfully organized "Swachh Bharat" activity in the college campus on 14-01-2022. The students were made aware to observe habits of cleanliness in and around their college and residences. Swachh Bharat Abhiyan's cleanliness campaign was run at a national scale and encompassed all cities, districts, at both rural and urban levels. It has acted as a wonderful campaign to make people aware of the value of cleanliness. With the Swachh Bharat campaign being observed all over India, GNIOT College has joined the vision of India's Prime Minister Narendra Modi and contributing their part in spreading the message of cleanliness and taking an active part in cleanliness drives.

On the day of the event held on 14th January 2022, the volunteers along with their fellow students spread awareness through the college campus and interacted on stopping the use of Single-use plastics (SUPs) as an effort to

ensure a clean and green campus. As well as the environment outside the campus.

(Mr. Ashwini Verma)

Electronics and Communication Engineering Department

Report on Girls Education Conducted by Electronics and Communication Department in Birondi Village: "Educate a Girl and She Will Change the World"

The Department of Electronics and Communication (ECE) organized a special event on 24th January 2022 in Birondi Village to promote girls' education and raise awareness about its significance. The event aimed to highlight the critical role of education in empowering girls and creating positive change in the rural community of Birondi Village.

The quote, "Educate a girl and she will change the world," served as the guiding theme of the event, resonating with the participants, which included government officials, educators, parents, and girls themselves. The event featured various activities, such as informative sessions, technical workshops, and motivational talks, to engage the community and emphasize the value of girls' education in the field of electronics and communication.

During the event, several speakers shared their perspectives on the importance of educating girls. Here are some quotes from notable individuals:

1. Dr. Mukesh Kumar Ojha, Head of the Department of Electronics and Communication, stated, "Girls have immense potential in every field of life. By providing them with education and opportunities, we can empower them to become leaders and change-makers in the world of technology."
2. Ms. Sonam Sirohi, a successful female engineer and faculty of the department, said, "As a woman working in the department of electronics and communication, I know the power of education. It has opened doors for me and enabled me to pursue my passion. Let's educate our girls and witness them transform the world with their skills and knowledge."
3. Mr. Rajiv Singh, a parent from Brondi Village, shared, "I am committed to ensuring that my daughter gets a quality education. I believe that educating girls is not just a social responsibility, but also an investment in the future of our community and our country."

The event also focused on the challenges and barriers that girls may face in pursuing education and in careers such as societal norms, lack of resources, and gender stereotypes. Participants discussed ways to overcome these challenges and promote gender equality in the field of technology, including encouraging girls to pursue STEM (Science, Technology, Engineering, and Mathematics) education, providing scholarships and mentorship opportunities, and promoting a supportive and inclusive learning environment.

DEPARTMENT OF ECE
SESSION FOR GIRLS EDUCATION

VILLAGE: BIRONDI

#Session on Adult/Girl Education

Prof. (Dr.) Dhiraaj Gupta
Director

Dr. Mukesh Ojha

In conclusion, the event conducted by the Electronics and Communication Department in Birondi Village on 24th January 2022 emphasized the importance of girls' education in every field of life. The quote, "Educate a girl and she will change the world," encapsulated the transformative power of education in empowering girls to become leaders, innovators, and change-makers in the field of technology and beyond. The event highlighted the need for continued efforts to promote girls' education and gender equality in the field of electronics and communication, and the importance of investing in the potential of girls for a brighter and more inclusive future.

Organized by

**Department of Civil Engineering
Greater Noida Institute of Technology, Greater Noida**

UNNAT BHARAT ABHYAN

PROJECT PROPOSAL

Project Title: Installation of Bio-Toilets in Jewar Block, Greater Noida

Project Objective: To design and provide bio-toilets, for the villages that fall under the Jewar Block in Greater Noida for the hygiene of the villagers, as well as to provide low-cost manure for crop cultivation.

Project Justification:

- a) **Problem Statement:** Several villagers in the fringes of Jewar Block, Greater Noida are open defecating. This lack of proper sanitation leads to negative impacts in the health of public, and may also lead to various diseases such as typhoid, diarrhea, intestinal infection, cholera and many others. The nearby water sources are also getting polluted because of the defecation done near it. These villages include Junpat, Khedi, Bhogpur, Rampur Khader, Rampur Bhangar.
- b) **Priority Needs:** The need arises because of lack of infrastructure, unsafe and risky toilets which are poor in quality and lack privacy, some of the villagers prefer being in nature or are not aware of the adverse effects because of it. Therefore, the need of the hour is to provide better facility as much as possible to reduce open defecation and educate them about the adverse effects.
- c) **Proposed Approach:** The villagers are to be provided with type of toilet that treats human waste by biological process and reduces the fecal contamination. It is proposed to provide 4 bio-toilets for Junpat village having a population of 1976 of 302 households.

The role of GNIOT here is to analyze the area where maximum open defecation is observed and provide bio-toilets near them. A team of faculty and students will reach the villagers and make them aware about the adverse effects of open defecation, the benefit of using bio-toilet.

Brief Plan for activities and implementation timeline: The activity can be divided into 3 categories named a) Surveying of the area to observe the area prone to open defecation, the data of 3 weeks will be taken. b) Construction of bio-toilet 5-7 days. c) Educating the villagers about the bio-toilets. The digester tanks used here are as per the specifications provided by the IR-DRDO BIO-TOILETS. The details of which is readily available in internet. The implementation of the project may take minimum of one and half month and maximum of 3 months.

Methodology, materials & financial Resources: Here, the human waste or excreta goes to the bio digester tank which is filled with one third of the bacteria. The anaerobic bacteria decompose the human waste and converts it into CO₂, methane gas and water. The surface of the tank is increased by providing modules or chambers in the digester to increase the digestion. The grey water coming as an effluent can be used for irrigation purposes.

Important Dimensions, Volume of Bio-digester Tank & Materials required: 1. Length - 1150 mm 2-Width - 720 mm, 3. Height - 540 mm 4. Total Volume of Tank - 400 liters. 5. Effective Volume of Tank - 300 liters.

The main parts of the Bio digester tank consist of:

1. Tank with partition walls inside the tank.
2. Poly grass mats for protection of bacteria inside the walls.
3. Ball valve with handle for operation for making toilet direct discharge in case of choking.

Financial Resources: The final price per module comes out to be Rs. 28,500. There is no availability of any other funding.

50	1813200002	ADITYA SINHA	P
51	1813200003	ALIYAS ALI	P

Outcome/Impact of the Project: The following is the expected outcome of the project:

- Better hygiene of the villagers and less polluting of water sources. Meeting Health & sanitation requirements of the villages.
- Providing low-cost, high-quality manure for the crops – substitute for costly chemical fertilizers.
- Better educated and aware villagers will ensure proper sanitation and discipline.

EVENT TITLE:

International Day of the Girl Child "Our time is now—our rights, our future".

PARTICIPANTS:

All IT Engineering Students & Faculty members.

OBJECTIVES:

- The main motive of the event was to work together to ensure that girls are connected, supported and empowered.
- To stand up for and with girls who are more vulnerable to discrimination and violence than boys the moment they first draw breath.
- To focus attention on the need to address the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

Speaker of the Event: Ms. Parul Srivastava

**Profile of the Speaker**

- The speaker of this event was an experienced CBSE teacher having more than 20 years of experience.
- She has done M.A. in English and B.Ed from Rohilkand University. She has worked as English and Music teacher in Balwant Rai Mehta

VidyaBhawan, New.Delhi from 2004 to 2005, in Sunbeam Public School, Kanpur from 2008 to 2013, in PanchsheelBalak Inter College Noida from 2013 to 2016, in Ralli International School from 2018 to 2019 and in Vanasthali Public School from 2020 to March'2022.

- She also worked as a coordinator for preparing students for inter school competitions for Debates, cultural programs and internal school activities.

Report

"Girls are leaders. Girls are change-makers. Girls are driving good and growth around the world. They are a fundamental source of transformational change for gender equality, and technology which is a crucial tool to support their work, activism and leadership."

IT Department has organized an event on International Day of the Girl Child on 11th October 2022. The motive of this event is to work together to ensure that girls are connected, supported and empowered. Ms. Parul Srivastava who is

having more than 20 years of experience in teaching, has inspired not only girls but also boys that girls can change the world if they will get proper education, healthcare, learning, opportunities and cooperation.

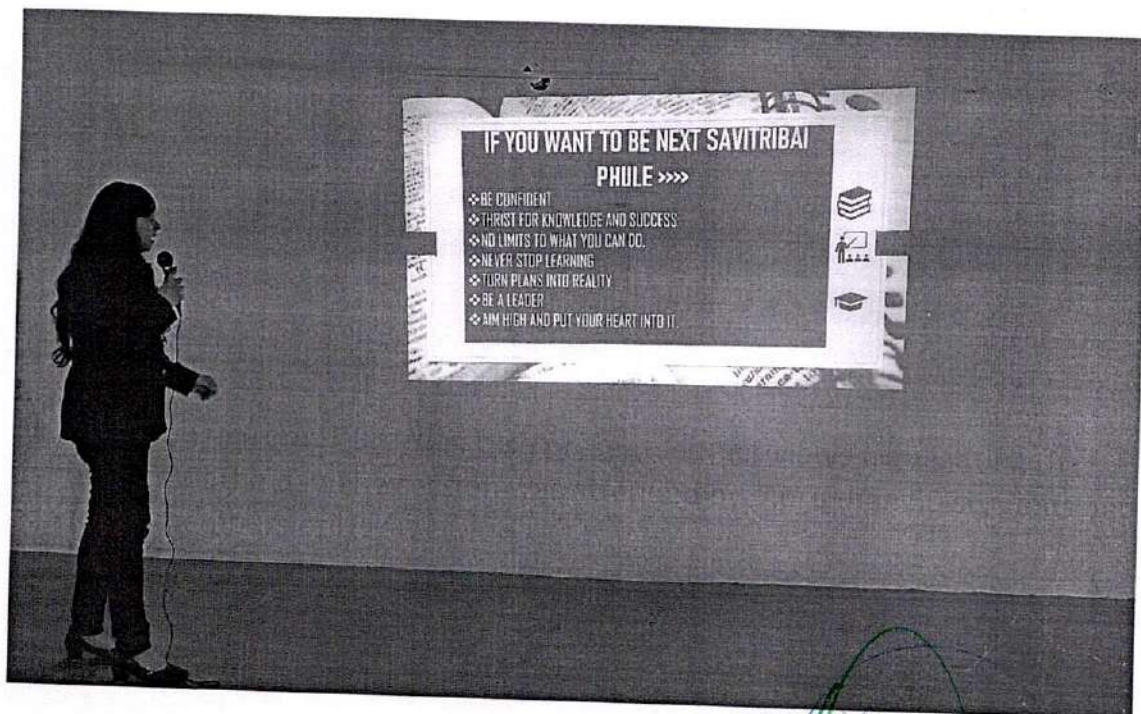

The event was hosted by Ms.Muskan Gupta, student of IT 3rd year who highlighted the motive of the event and welcomed the Guest Speaker, Ms.Parul Srivastava and thanked the speaker for sparing her valuable time to enrich the students.Ms.Parul Srivastava spoke about the different themes of

International Day of the Girl Child and what is the importance of International Day of the Girl Child. She addressed the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

Jyoti and Sonali from IT 3rd Year also presented their views highlighting the importance of the day. The session was attended by more than 60 students and all faculty members of IT.

The Event was backed –up from the participant end with an interactive Question and Answer session. The session was very fruitful and interactive.

Outcome of the Program

1. Students gained knowledge regarding girls' rights and the unique challenges girls face around the world.
2. We all should work together to ensure that girls are connected, supported and empowered.

Waste Management Event Summary Report

The Computer Science & Engineering Department successfully organized a "Waste Management" activity in the college campus on 18-02-2022. The outcome of the activity was that students got to learn and develop habits to dispose of waste properly, and not litter around in campus and the areas near their residences.

An expert Prof. B. S. Rawat, from IFTM University, Moradabad over the years of experience to manage waste management. Management, correct disposal and reuse, in the most appropriate and planned manner are daily challenges. The speaker demonstrated the collection and segregation of degradable and non-degradable wastes through the involvement of students and advised them to take full precautions while doing their tasks by wearing masks, gloves, and boots to prevent transmission of infections.

Pollution from around causes a lot of litter in our neighbourhoods, which can have a negative impact on our health. There is a significant environmental and social concern, thus GNIoT College took significant action to control trash by

safeguarding the environment and fostering a pleasant environment. Two bins for wet waste and dry waste are stored in departments and hallways and are used to collect rubbish produced by the administrative office and department.

(Mr. Ashwini Verma)

Ref: - No. GNIOT/IT/ODD/Events/05

Date: 12.02.2022

NOTICE

This is to inform the students that as per the academic calendar the department is organizing the events for the current semester, continuing the same practice you are all informed that an event "PLANTATION DRIVE" is scheduled on 15.02.2022 from 11:00 AM - 02:30 PM.

The students are requested to present in full strength and take the maximum benefit of the expert talk.

An event on

"Plantation Drive"

*15 February 2022
(11:00 AM To 02:30 PM)*

PROGRAMME REPORT

Organized by

Department of Information Technology in Association with IIC
Greater Noida Institute of Technology (GNIOT)

(An Initiative of Ministry of Education, Govt. of India)

Knowledge park-II, Greater Noida- 201308

www.gniot.net.in

EVENT TITLE:

"Plantation Drive"

PARTICIPANTS:

Third Year and Second Year IT Engineering Students & Faculty members.

OBJECTIVES:

- To plant trees as Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment.
- Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Coordinator of the Event: Ms. Uma Tomar

REPORT:

"Plant a tree and see it grow; so you can enjoy the cool breeze flow."

The Department of Information Technology was fortunate to get an opportunity to celebrate the Plantation Drive and spread awareness regarding the tree plantation in village "Rampur Khadar" (village adopted by GNIOT) on 15/02/2022.

Objective of this drive was:

- To plant trees as Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment.
- Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Moderator of the event was Ms. Uma Tomar.

Other mentors, faculties, co-ordinators and students were present.

The students of 2nd and 3rd year of IT Department along with the faculty members and village authority embraced the event with their presence and spread the awareness among the local school children's and villagers. The students performed acts in the form of Nukkad Natak which was heart touching and very well explained the importance of trees in our life. Also some students recited the poems written by them and made us understand the importance of trees in our life cycle.

Name of Event: Virtual Student Development Program on How to Stay Safe on the Internet

Date of Event: 23rd February, 2022

Organised by: Department of CE in association with Prutor@IIT- Kanpur

Experts: Mr. Rahul Garg, Internet Security Sepecialist

Event Moderator: Mr. TabishQuadri

Event Description: The Department of Civil Engineering organized a Virtual Student Development Program on How to Stay Safe on the Internet, for all civil engineering students, on Wednesday, 23rd February, 2022. Our esteemed guest speaker for the event was Mr. Rahul Garg, Internet Security Specialist.

The program intended to teach students that by practicing online safety, we can prevent and mitigate the risks that are inherently involved with using digital technologies, platforms and services. Once the risks are managed, the internet can be enjoyed free from harm and to enormous benefit.

The program began with an introduction by the facilitator, who emphasized the importance of online safety and the need for students to be aware of the potential risks associated with internet use. The program was divided into three sections: online safety, online privacy, and cybersecurity.

The online safety session focused on educating students on the potential risks associated with online activities, such as cyberbullying, online scams, and identity theft. The session provided tips on how to stay safe while using social media platforms and messaging apps and how to avoid sharing personal information online.

The online privacy session focused on the importance of protecting personal information online. The session provided information on how personal information can be collected and used by malicious actors and provided tips on how to safeguard personal information, such as using strong passwords and two-factor authentication.

The cybersecurity session focused on educating students on the importance of cybersecurity and how to protect their devices from malware and other security threats. The session provided information on common types of cyber threats, such as phishing attacks and malware, and provided tips on how to protect against them.

3. Mr. Ritu Raj
4. Mr. Rahul Garg

Conclusion

The virtual student development program on "How to Stay Safe on the Internet" was a success, with participants learning important information on how to protect themselves online. The program provided a platform for students to learn and share practical tips for staying safe online, and the feedback from participants was overwhelmingly positive. It is hoped that more such programs will be conducted in the future to educate students on the importance of online safety and cybersecurity.

**LATEST TECHNOLOGY IN COLLABORATION WITH INDIAN CULTURE & WOMEN
EMPOWERMENT**

Date: 23.02.2022

The Electrical Engineering (EE) Department conducted a debate competition on 'Latest Technology in Collaboration with Indian Culture & Women Empowerment'. Chief Guest for the event was Ms. InduBhushan, HOD, EEE/ECE, LLOYD Engineering College, Greater Noida. She illuminated the students about the use of latest technology for women empowerment and encouraged the students to support the same. A myriad of students participated in the debate competition and made it a huge success. And last but not the least, thanks to the consistent efforts of Dr. Nikhil Gupta, HOD EE Dept. and the invaluable support from the EE teaching fraternity that brought the event to a successful conclusion.

Outcome:

The students learned a lot about Indian culture and women empowerment through a debate competition. The chief guest encouraged the students to promote women empowerment.

On

"TREES ARE AS CLOSE TO IMMORTALITY AS THE REST OF US EVER COME"

24 FEB 2022

Organized by

*Computer Science Engineering
Artificial Intelligence & Machine Learning
Department*

Someone is sitting under shade because someone planted a tree long time ago with this the department of AI - ML & IoT organised a tree plantation program with the students to inspire them for planting more and more trees and making the environment more eco - friendly. Such little steps taken together by the college and students will surely help in fostering strong mental and social health amongst today's children so that they connect with their peers, their elders, their community and their environment.

In the drive student's of AIML & IoT Department went to sector- 151 A for plantation with head of Department Prof. Dr. Amit Kumar Aggarwal along with the faculties of the department.

Books Distribution Camp

Date: 28.02.2022

Happiness doesn't result from what we get but from what we give

The Electrical Engineering (EE) Department organized a Book Distribution Event at a primary school in Greater Noida on 28.02.2022 and it gives me immense pleasure to share with you all about the ceaseless happiness that I experienced. Mr. Aneep Kumar and Mr. Ajay Singh escorted the students of EE department to the primary school and distributed books and other stationery items to the kindergarten students.

Outcome:

The students participated in books and stationary distribution camp which gives them immense pleasure and a sense of donating things to needy persons.

Webinar on Health Awareness

Date: 16.03.2022

The Electrical Engineering (EE) Department organized a webinar on Health Awareness on 16th March 2022. Guest speaker of the webinar was Dr. EktaAgrawal, MD in homeopathy. Dr. Ekta interacted with the students of the department and illuminated them with the specifics of living a healthy life. She discussed about a lot of common health problems in our day to day life and suggested measures to treat them. She also discussed about stress management in students' as well as faculties' life. Further she offered free online consultation to the GNIOT students and faculty members as a token of thanks. Students as well as faculty members of the department participated in the webinar with full enthusiasm.

Outcome:

The students became aware of the following:

1. How to live a healthy life?
2. Common health problems and their treatment.
3. Stress management among students as well as faculties

Tree Plantation Drive

Date: 07.04.2022

Someone's sitting in the shade today because someone planted a tree a long time ago

-- Warren Buffett

With the sole motive to support this statement, the Electrical Engineering Department organized a Plantation Drive in the GNIOT 132 premises on 06.04.2022. All the faculty members of the department and students of 3rd year were a part of the drive. Chief Guest of the event was Mr. Aditya Singh, Head of Group, Tata Power Delhi Distribution Board.

Outcome:

The students participated in the tree plantation activity by which they learnt the importance of tree plantation. They learnt about how trees help to clean environment, reduce global warming, and provide green cover to the planet earth.

(22nd April 2022)

Organized by

Department of MCA

PLANTATION DRIVE (2022)

“A tree is the best friend of man on earth. When we use trees respectfully and economically, we have one of the greatest resources on earth”.

Trees are rightfully called the ‘lungs of the earth.’ Life on earth would cease to exist in the absence of trees. Trees are responsible for sustaining the environment in several ways.

Trees release life-supporting oxygen and absorb harmful gases like carbon dioxide during the process of photosynthesis. They act as sponges by taking in toxic emissions and other pollutants, released into the atmosphere by industries and vehicles. The roots of trees bind the soil together thereby preventing erosion. The blatant and increased rate of deforestation is the primary cause of landslides. In addition to being the bearers of delicious fruits, trees are the natural habitat of several species of animals, birds, and insects. Thus, the destruction of a tree implies the destruction of an entire ecosystem.

The Department of MCA has been organized the Tree Plantation Drive on 22nd April 2022 in occasion of **“Earth Day”** at GNIOT GROUP OF INSTITUTIONS campus. Considering the concept of **“A tree is the best friend of man on earth”**, the drive has been executed in presence of respected director Dr. Dhiraj Gupta, Faculty members, Staffs and Students of MCA 1stYear and 2ndYear.

Outcome of the Event:

Participants were highly energetic to make the event a big success. A spirit of teamwork, exchange of ideas and enthusiasm of the participants especially among the students could be seen. The students and teachers planted saplings and fenced them and watered the plants.

The online safety session focused on educating students on the potential risks associated with online activities, such as cyberbullying, online scams, and identity theft. The session provided tips on how to stay safe while using social media platforms and messaging apps and how to avoid sharing personal information online.

The online privacy session focused on the importance of protecting personal information online. The session provided information on how personal information can be collected and used by malicious actors and provided tips on how to safeguard personal information, such as using strong passwords and two-factor authentication.

The cybersecurity session focused on educating students on the importance of cybersecurity and how to protect their devices from malware and other security threats. The session provided information on common types of cyber threats, such as phishing attacks and malware, and provided tips on how to protect against them.

Conclusion

The NukkadNatak on social media awareness was a success, with participants learning valuable information on how to use social media in a healthy and positive way. The play provided a platform for participants to learn and share practical tips for using social media safely and responsibly. It is hoped that more such initiatives will be conducted in the future to raise awareness about the impact of social media on our lives.

“More powerful the woman, stronger will be the Nation.”

With the above said notion the MCA Department conducted a Women Awareness Campaign on 9 May, 2022. All the students of the department, especially the 2nd year students, participated in the event with full zeal and presented their thoughts on making women aware of the ill thoughts and practices of the society. This event successfully executed in the presence of Honorable Chairman Dr. Rajesh Gupta, Honorable vice Chairman Shri Gaurav Gupta and respected director Dr. Dhiraj Gupta.

Outcome of the Event:

Gender awareness raising aims to promote and encourage a general understanding of gender-related challenges, for instance, violence against women and the gender pay gap. It also aims to show how values and norms influence our reality, reinforce stereotypes and support the structures that produce inequalities.

Name of Event: Social Awareness Event

Date of Event: 21st May, 2022

Organised by: Department of Civil Engineering

Event Moderator: Ms. Shreeja Kacker

Topic: Maintain Cleanliness, Gain Health & Happiness.

Event Poster:

Event Description: With the blessings of Respected Director Sir, the Department of Civil Engineering organized a Social Awareness Event on Saturday, 21 May 2022 for the cleaning staff members of GNIOT campus. These members of the GNIOT family have always taken care of our hygiene and sanitation and it is time we give priority to their health and hygiene. The staff was informed how self-hygiene is the route to a peaceful mind and was given soaps and handwash to reiterate the cause. We are thankful to Management and to Director sir for the smooth organisation of the event.

The event began with an introduction by the event organizer, who highlighted the importance of cleanliness and how it can positively impact our lives. The event was divided into three sections: cleanliness and health, cleanliness and happiness, and practical tips for maintaining cleanliness.

The cleanliness and health section focused on the link between cleanliness and good health. The session highlighted the importance of hygiene in preventing the spread of diseases and how a clean environment can help improve our physical and mental well-being. The session also emphasized the need to maintain cleanliness at home, workplace, and public spaces.

The cleanliness and happiness section focused on how maintaining cleanliness can lead to a happier life. The session highlighted the importance of having a clean and organized living space and workplace to reduce stress and increase productivity. The session also emphasized the need to keep our surroundings clean to create a positive and welcoming environment.

The practical tips for maintaining cleanliness session provided attendees with practical tips and techniques for maintaining cleanliness. Participants were taught how to declutter and organize their living space, workplace, and public spaces. The session also included tips on waste management and recycling to reduce the impact on the environment.

Conclusion

The social awareness event on maintaining cleanliness was a success, with attendees learning valuable information on how cleanliness can positively impact their health and happiness. The event provided a platform for attendees to learn and share practical tips for maintaining cleanliness in their daily lives. It is hoped that more such events will be conducted in the future to create awareness and promote the importance of cleanliness in our lives.

Summary Report

The Computer Science & Engineering Department successfully organized a "Plantation Drive" in the college campus on 27-05-2022. The students planted tree saplings and realized the impact of green trees on our ecosystem and general wellbeing. The student who shared their experiences and participated in the tree planting pointed out that such events should be planned frequently to foster a healthy environment and reduce the impact of climate change. Everyone had significant confidence after helping the environment.

This event's primary objective was to inspire the pupils to plant trees in order to maintain a clean, green environment around them. should adopt a lifestyle that produces the fewest wastes possible, source-separate garbage, and dispose of waste at the closest storage facility. Take action against ecologically harmful behaviours, such as the improper disposal of hospital wastes and the dumping of trash in prohibited areas. The event came to a close as soon as we achieved our tree-planting target, leaving everyone happy. Overall, everyone had a fantastic time at this event.

Students and faculty members also spoke about the importance of taking care of the saplings after the plantation drive is over. In the end, each of one adopted a tree.

HEALTH AWARENESS

(The Yoga-21st June 2022)

The Yoga is the journey of the self, to self, through self. You cannot always control what goes on outside, but you can always control what goes on inside through yoga. Yoga is **an ancient art that connects the mind and body**. It is an exercise that we perform by balancing the elements of our bodies. In addition, it helps us meditate and relax. Moreover, yoga helps us keep control of our bodies as well as mind. It is a great channel for releasing our stress and anxiety.

With this thought MCA department participated in International Yoga Day organized by GNIOT GROUP OF INSTITUTIONS for Faculties and Students under the chain of Azadi ka Amrit Mahotsav, we at GNIOT GROUP OF INSTITUTIONS believe that yoga is the incorporation of meditation and breathing can help improve a person's mental well-being. With this aim in mind, the event took place at GNIOT GROUP OF INSTITUTIONS play ground on 21st June 2022. International Yoga Day motivates you toward healthy eating and improves the metabolic system of the body.

Outcome - Participants at the program were encouraged to incorporate healthy habits and also take various preventive measures so that in the upcoming times they can stay safe and sound. In addition, people present there are also spurred to boost up their daily nutrition intake. They are also given information on how to integrate and maintain hygiene in their lifestyle. This program is focused towards addressing issues of personal health care, vaccination, hygiene, and illness prevention.

ACTIVITY REPORT

PLANTATION DRIVE

25th August 2022

Organized by

Mechanical Engineering Department

Date: 25th August 2022

Location: Village Rampur Bangar and Nearby Area

Organizers: Mechanical Engineering Department

Objective: To promote environmental sustainability in the Village Rampur Bangar and nearby areas.

Activities:

- Selection of native plant species suitable for the local climate.
- Digging of pits for planting of trees and plants.
- Planting of trees and plants in designated areas in and around the village.
- Watering of newly planted trees and plants.
- Awareness campaign to educate the community about the importance of environmental sustainability.

Participants:

- Students and faculty members of the Mechanical Engineering Department.
- Local community members and volunteers.

Outcomes:

- A total of 30 volunteers participated in the activity.
- A total of 45 trees and plants were planted in the designated areas.
- The initiative helped to create awareness among the local community about the importance of environmental sustainability.

Conclusion: The Plantation Drive organized by the Mechanical Engineering Department, GNIOT Gr. Noida was a great success. The planting of trees and plants in the Village Rampur Bangar and nearby areas will contribute to the local ecosystem and promote environmental sustainability. This event was successfully organized under the guidance of our Director Prof. (Dr.) Dhiraj Gupta, HOD Mechanical Prof. (Dr.) Iqbal Ahmad Khan, Dy HOD Mr. Gagan Varshney, and other faculty members. The activity was coordinated by Mr. Trinath Mahala.

REPORT

SWACHH BHARAT

15th September 2022

Organized by

Mechanical Engineering Department

Date: 15th September 2022

Location: College Campus and Nearby Area

Organizers: Mechanical Engineering Department

Objective: To promote cleanliness and hygiene in the college campus and nearby area.

Activities:

- Cleaning of the college campus and surrounding areas.
- Segregation of waste into recyclable and non-recyclable materials.
- Proper disposal of waste.
- Awareness campaign on the importance of cleanliness and hygiene.

Participants:

- Students and faculty members of the Mechanical Engineering Department.
- Volunteers from other departments and the local community.

Outcomes:

- A total of 25 volunteers participated in the activity.
- Approximately 100 kgs of waste was collected and disposed of.
- The area was left clean and hygienic.
- The initiative helped to create awareness among students and the local community about the importance of cleanliness and hygiene.

Conclusion: The "Swachh Bharat" initiative organized by the Mechanical Engineering Department, GNIOT Gr. Noida was a great success. It not only helped to promote cleanliness and hygiene but also created awareness among students and the local community about the importance of keeping our surroundings clean. This event was successfully organized under the guidance of our Director Prof. (Dr.) Dhiraj Gupta, HOD Mechanical Prof. (Dr.) Iqbal Ahmad Khan, Dy HOD Mr. Gagan Varshney, and other faculty members. GENDER EQUALITY

On

"It is time that we all see gender as a spectrum instead of two sets of opposing ideals"

5th Sep , 2022

Organized by

***Computer Science Engineering
Artificial Intelligence & Machine Learning
Department***

Department of CSE-AIML in association with Institution's innovations council (IIC) organized an event on gender equality for the students on 5 September 2022.

Mr. Amrish Dubey & Mr. Arun Kumar Rai, conduct a Workshop on **Gender Equality**. It aims to educate students on the differences between sex and gender, how gender is socially produced, and gender stereotypes. It assists them in determining which gender stereotypes are true and which are false. The goal of gender sensitization is to raise awareness of the relevance of gender sensitivity in the workplace among working professionals. Individuals who are not sensitive to the requirements of one gender may be unable to comprehend the needs of the other.

We would like to extend a heartfelt thanks to GNIOT Management and Dr. Dhiraj Gupta, Director, for giving us the opportunity to organize this event. We're also thankful to Dr. Amit Agarwal (HOD-CSE-AIML) for their valuable inputs and necessary support.

07/September, 2022

Dear Dr. Gupta ji,

It is indeed a matter of great privilege for me to inform you that the Ministry of Jal Shakti, Government of India is organizing 7th India Water Week – 2022 (IWW-2022) during 1-5 November 2022 at India Expo Center, Greater Noida, adjacent to National Capital Region, Delhi.

We are pleased to inform you that, Organising Committee of India Water Week-2022 has decided to set up a dedicated zone for Start-Ups and Innovators in the exhibition area of the event (IWW-2022) to extend the opportunities for showcasing the Skills/ technologies/ innovations etc. of students/ scholars of academic institutes.

The main objective of India Water Week is to provide a forum for various stakeholders namely; policy makers, water managers, professionals, academia and the user groups from different sections of the society wherein all water related issues are discussed and measures are identified to address sustainable water security challenges. The theme for IWW-2022 is "Water Security for Sustainable Development with Equity" focusing on various aspects of water security and related challenges for equitable development.

The exhibition of the event provides a unique opportunity for showcasing the technologies, latest developments and solutions available in various fields of water management. The exhibition would spread over an area of about 3,500 square metres and is co-located with the IWW-2022 at India Expo Center, Greater Noida.

I would request you to kindly make use of this opportunity and participate in the exhibition by showcasing the Skills/ technologies/ innovations etc. of students/ scholars of your premier institute. The charges for exhibition space for the institutions shall be waived off.

It is further requested to depute the faculty, research scholars and students of your institute to participate in the event and visit the exhibition during the event from 2-5 November, 2022. A dedicated slot shall also be allocated to your institute for the visit.

7TH INDIA WATER WEEK 2022

WATER SECURITY FOR SUSTAINABLE DEVELOPMENT WITH EQUITY

Date:- 01/11/2022 to 05/11/2022

Venue:- India Expo Centre, Greater Noida.

Website link:- <https://www.indiawaterweek.in/>

About India Water week:-

Conceptualized and organized for the first time in 2012, the India Water Week is a regular forum where the Ministry of Jal Shakti, Department of Water Resources, River Development & Ganga Rejuvenation, Government of India discusses, talks, strategizes with eminent stakeholders through seminars, exhibitions and sessions to build public awareness, to get support to implement key strategies for conservation, preservation and optimum use of available water. This is the seventh event of its kind with the theme "Water Security for sustainable development with equity" focusing on equitable and sustainable development and importance of secure water to achieve that.

The Sixth edition of India Water Week-2019 with the Theme "Water Cooperation – Coping with 21st century challenges" was organized during 24th - 28th September, 2019 at New Delhi, India with Japan and European Union as International partners. Hon'ble President of India inaugurated 6th India Water Week-2019 on 24th September, 2019. The Conference was attended by more than 1500 national and international delegates. An exhibition covering an area of 3000 sq.m. with 60 exhibitors of various countries, institutions, individuals, State Governments, Non-Governmental Organisations and stakeholders working in the water resources sector showcasing their technologies as well as number of specialized add-on events were other highlights of the event.

7th India Water Week – 2022

The Seventh India Water Week-2022 will be held from 1-5 November, 2022 at India Expo Centre, Greater Noida, National Capital Region (NCR) of Delhi with the theme "Water Security for sustainable development with equity." The event is a multi-disciplinary international conference focusing on new approaches for long term water planning and management by incorporating principles of sustainability and equity evolved over the years by National and International Water experts and Organizations, with a concurrently running exhibition enriching the theme and showcasing the technologies and solutions available for the areas under deliberation of the conference.

Partners in Organisation

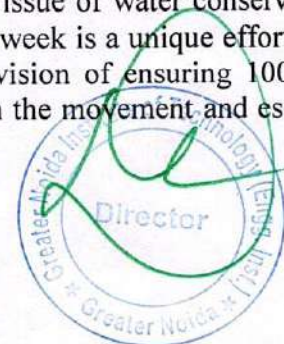

The 7th India Water Week (IWW) 2022 will be organized by the **Ministry of Jal Shakti, Department of Water Resources, River Development & Ganga Rejuvenation in co-ordination with nodal Departments/Ministries of Drinking Water Supply and Sanitation; Agriculture; Environment, Forest and Climate Change; Rural Development; Urban Development; Power; New and Renewable Energy; Niti Aayog** along with their associated expert organizations and Public Sector Units, key International Bodies, and Private and Public business houses.

The Greater Noida Institute took active participation in the 7th India Water Week and several B.Tech. students of 2nd, 3rd and 4th year, Civil Engineering Department took a part in this event. Demonstration of the models along with its principle of working was carried out at the exhibition. Innovation was the central idea along with the sustainable development and rejuvenation of water structure and aquifer system. The topics that were covered were

1. Sustainable Agriculture and Water Management - Key to Economic Development
2. Challenges for Sustainability of Ground Water Resources
3. Impact of Climate Change and Adaptation Strategies
4. Quality Challenges in Water Sector
5. Dovetailing the Micro and Macro Intervention for Water Management
6. Emerging Technological Solutions for Efficient Water Management
7. Managing Water Related Disaster- Flood and Draught
8. Establishing a Collaborative Water Governance Regime
9. Water for Environment and Livelihood
10. Reuse and Recycle of Waste Water for Water Resilience and Water Market

The 7th India Water Week was graced and inaugurated by Hon'ble President Smt. Droupadi Murmu, in the august presence of Hon'ble Governor, Uttar Pradesh Smt. Anandiben Patel, Hon'ble Chief Minister, Uttar Pradesh, Shri Yogi Adityanath, Hon'ble Union Minister of Jal Shakti Shri Gajendra Singh Shekhawat, Hon'ble Ministers of State for Jal Shakti Shri Prahlad Singh Patel, and Shri Bishweswar Tudu at India Expo Centre, Greater Noida on 01.11.2022. Shri Pankaj Kumar, Secretary, DoWR, RD&GR, Ministry of Jal Shakti welcomed all the dignitaries for the 7th India Water Week. The event commenced with the auspicious ceremony of "Jal Bhara" by our Hon'ble President Sh. Droupadi Murmu and Dignitaries present in the dias by pouring water into the vessel, strengthening the vision of Jal Shakti. This ceremony symbolized the immense importance of water conservation. Hon'ble President of India, Smt Droupadi Murmu, praised the initiative of Ministry of Jal Shakti in safeguarding precious water. Mentioning water as a vital resource for life, she discussed the relevance of saving water for a future-secure Nation. In her inspirational address to the conclave, she accentuated that these five daylong events will embrace key players and address the issue of water security. Hon'ble Governor of Uttar Pradesh, Smt. Anandiben Patel, stated that we need to march ahead in the field of water conservation, and make sure that the future of our children is water secured. Hon'ble CM of Uttar Pradesh, Yogi Adityanath, graced the event with his esteemed presence and praised the successful commencement of the 7th India Water Week - 2022. With his valuable insights, he enlightened and motivated the arena towards water security. He reverberated the noble message of 'Jal Hai Toh Jeewan Hai' and mentioned that State of UP has an adequate water supply of ground and surface water. Hon'ble Minister of Jal Shakti, Shri Gajendra Singh Shekhawat, addressed the conclave, and emphasized that despite coming from different backgrounds, it is worth noting that we all join hands today to address the issue of water conservation. He stated that the issue of water conservation, its management is a holistic and global effort. The event of India water week is a unique effort to bring together these insights on one platform. Further, he declared the vision of ensuring 100% water availability across the country by 2024 and urged the citizens to join the movement and escalate Jal Shakti for a water-secure India.

Summary of the event:-

Smt. Akli Tudu, Water Warrior, Jharkhand & Smt. Hira ben, Water Warrior, Bhuj, Gujarat narrated their experience in water conservation in their areas citing various initiatives, cases of rejuvenation and crops raised in the command areas. The Plenary session was held under the chairmanship of Shri Gajendra Singh Shekhawat, Hon'ble Union Minister for Jal Shakti. H.E. Mr. Shoimzoda Jamshed, Hon'ble First Deputy Minister of Energy & Water Resources, Republic of Tajikistan, HE Eng. Maryprisca Winfred Mahundi, Hon'ble Dy. Minister of Water, Tanzania, Dr. Asit K. Biswas, Visiting Distinguished Prof. University of Glasgow, Shri A.D. Mohile, Former Chairman, Central Water Commission, Shri Mark Smith, Director General, IMWI took part in the session and expressed their views on the water security and conservation and the challenges in climate change, etc. The deliberations emphasised the strategies for water development and its management in the evolutionary process, concern of water security, conducting serious reviews of water related security concerns after scientific analysis, implementation of action plan, so that water can be proved to be an agent for peace instead of water wars.

Thereafter, H.E. Mr. Shoimzoda Jamshed, Hon'ble First Deputy Minister of Energy & Water Resources, Republic of Tajikistan, HE Eng. Maryprisca Winfred Mahundi, Hon'ble Dy. Minister of Water, Tanzania inaugurated the Exhibition at the 7th edition of India Water Week 2022 in the gracious presence of Hon'ble Union Minister of Jal Shakti Shri Gajendra Singh Shekhawat and other senior officials.

REPORT

Tree Plantation

On

“World Ozone Day”

16Sept 2022

Organized by

Department of Civil Engineering
Greater Noida Institute of Technology, Greater Noida

Name of Event: World Ozone Day
Date of Event: 16th September 2022
Organized by: CIVIL Department, GNIOT
Event Moderator: Ms. Taranpreet Kaur
Topic: Tree Plantation on World Ozone Day
Event Poster:

Event Description: Department of Civil Engineering is celebrating World Ozone Day on 16th September, 2022 by organizing a Tree Plantation Event at 3.30 PM in GNIOT Campus. On the occasion of World Ozone Day, let us save the ozone to give our generations the protection we were born with. "Trees are poems that the earth writes upon the sky". Ozone is like a mother to the Earth, who protects her child from harmful radiations. So let's take oath to protect our Earth on this World Ozone Day. Special Thanks to Mrs. Ruchi Ma'am (CSDC) for her kind support. Here is a glimpse of today's event.

World Ozone Day is celebrated on September 16th every year to raise awareness about the depletion of the ozone layer and the harmful effects of ultraviolet radiation on the environment and human health. On this day, a tree plantation drive was organized to encourage individuals to contribute towards environmental sustainability.

Participants

All Civil Engineering Faculties along with faculties of various departments.

Program Content

The tree plantation drive was conducted in a park in the city, and participants included members of the local community, school students, and volunteers from environmental organizations. The event began with an introduction by the facilitator, who emphasized the importance of planting trees for environmental sustainability.

The participants then planted saplings of different varieties. The event also included a brief session on the importance of trees in reducing air pollution, conserving water, and providing shade.

Conclusion

The tree plantation drive on World Ozone Day was a success, with participants learning valuable information on the importance of planting trees for environmental sustainability. The event provided a platform for participants to contribute towards environmental sustainability and raise awareness about the importance of tree plantation. It is hoped that more such initiatives will be conducted in the future to promote environmental sustainability and mitigate the harmful effects of climate change.

“That’s the way I do things when I want to celebrate, I always plant a tree. - Wangari Maathai”

The planting of a tree is a modest form of immortality and one of the few truly long-term expressions of hope to mortal human beings.

EVENT TITLE:

“Plantation Drive”

PARTICIPANTS:

Third Year and Second Year IT Engineering Students & Faculty members.

OBJECTIVES:

- To plant trees as Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment.
- Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Coordinator of the Event: Dr. Pankaj Gupta

REPORT:

"Plant a tree and see it grow; so you can enjoy the cool breeze flow."

The Department of Information Technology was fortunate to get an opportunity to celebrate the Plantation Drive and spread awareness regarding the tree plantation in village “Rampur Khadar” (village adopted by GNIOT) on 21/09/2022.

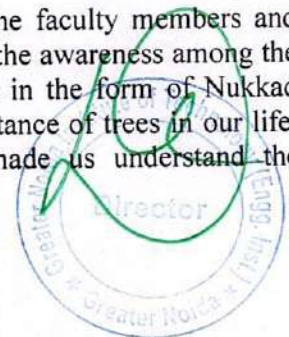

Objective of this drive was:

- To plant trees as Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment.
- Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Moderator of the event was Dr Pankaj Gupta.

Other mentors, faculties, co-ordinators and students were present.

The students of 2nd and 3rd year of IT Department along with the faculty members and village authority embraced the event with their presence and spread the awareness among the local school children's and villagers. The students performed acts in the form of Nukkad Natak which was heart touching and very well explained the importance of trees in our life. Also some students recited the poems written by them and made us understand the importance of trees in our life cycle.

Few glimpse of event's are:

The session was very fruitful and interactive.

The outcome of the Program

1. The purpose of making people aware of the importance of planting trees and to assist them in doing so.
2. Planting saplings to invest in the future on tree plantation day.

Department of CSE-AIML in association with Institution's innovations council (IIC) organized a Programme on **Swachh Bharat** for all students on 21st Sep 2022.

Mr. Amrish dubey & Ms. Rachana Singh Sisodia Organised a programme on Swachh Bharat, Actively engaging in the cleanliness drive organized by the esteemed institution, in line with the Swachh Bharat Abhiyan initiative, was a commendable feat. The initiative commenced with a tribute to the revered Mahatma Gandhi, followed by the students' zealous efforts in tidying up the campus while chanting, "One step towards cleanliness." This campaign was launched by none other than the honourable Prime Minister, Narendra Modi.

We would like to extend a heartfelt thanks to GNIOT Management and Dr. Dhiraj Gupta, Director, for giving us the opportunity to organize this event. We're also thankful to Dr. Dr. Amit Agarwal (HOD-CSE-AIML) for their valuable inputs and necessary support.

AIM”

02nd October 2022

Organized by

Electronics and Communication Engineering Department

**Report on Swachh Bharat Abhiyan Conducted by Department of
Electronics and Communication Engineering in Begampur Village:
"Whether the Sun Shines or Storm Comes, or It Rains, Cleaning India
Should Be Our Only Aim"**

The Department of Electronics and Communication (ECE) organized a Swachh Bharat Abhiyan event on 02nd October 2022 in Begampur Village to promote cleanliness and hygiene in the community. The event aimed to raise awareness about the importance of maintaining a clean environment and instilling a sense of responsibility among the residents of Begampur Village towards keeping their surroundings clean.

The quote, "Whether the sun shines or storm comes, or it rains, cleaning India should be our only aim," served as the guiding principle of the event, reflecting the need for consistent efforts towards cleanliness, regardless of the circumstances. The participants included faculty members, students, villagers, and local authorities, who came together to actively participate in various cleanliness activities.

The event commenced with an opening address by Dr. Neha Sharma, Head of the Department of Electronics and Communication, who emphasized the significance of Swachh Bharat Abhiyan and its impact on the health and well-being of the community. She stated, "Cleanliness is not just about keeping our surroundings tidy, but it also has a direct correlation with our health and quality of life. It is our collective responsibility to work towards a cleaner and healthier India."

The participants engaged in a range of cleanliness activities, including cleaning streets, public areas, and common spaces. They also conducted awareness drives on waste segregation, proper waste disposal, and the importance of maintaining cleanliness in daily life. The students and faculty members of the ECE Department actively participated in the event, demonstrating their commitment to promoting cleanliness in the village.

The event concluded with a pledge by all the participants to continue their efforts towards maintaining cleanliness in Begampur Village and spreading awareness about Swachh Bharat Abhiyan in their respective communities.

In conclusion, the Swachh Bharat Abhiyan event conducted by the Electronics and Communication Department in Begampur Village on 02nd October 2022 emphasized the importance of cleanliness and hygiene in creating a healthier and sustainable environment. The quote, "Whether the sun shines or storm comes, or it rains, cleaning India should be our only aim," highlighted the need for consistent efforts towards cleanliness, regardless of the challenges. The event reflected the commitment of the ECE Department and the participants towards promoting Swachh Bharat Abhiyan and creating a cleaner India for a better future.

Summary Report

The Computer Science & Engineering Department successfully organized "Dengue Prevention" activity in the college campus on 07-10-2022. Dr. Vishal Sharma was the resource person.

The main method to control or prevent the transmission of dengue virus is to combat vector mosquitoes through:

- Preventing mosquitoes from accessing egg-laying habitats by environmental management and modification
- Disposing of solid waste properly and removing artificial man-made habitats
- Covering, emptying and cleaning of domestic water storage containers on a weekly basis

The students were made aware of the measures and practices to prevent the spread of Dengue.

Event Coordinator: Mr. Ashwini Verma

The following students attended the Dengue Prevention Program conducted by the Department of Computer Science & Engineering, GNIOT on 07 October 2022.

EVENT TITLE:

International Day of the Girl Child "Our time is now — our rights, our future".

PARTICIPANTS:

All IT Engineering Students & Faculty members.

OBJECTIVES:

- The main motive of the event was to work together to ensure that girls are connected, supported and empowered.
- To stand up for and with girls who are more vulnerable to discrimination and violence than boys the moment they first draw breath.
- To focus attention on the need to address the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

Speaker of the Event: Ms. Parul Srivastava

**Profile of the Speaker**

- The speaker of this event was an experienced CBSE teacher having more than 20 years of experience.
- She has done M.A. in English and B.Ed from Rohilkhand University. She has worked as English and Music teacher in Balwant Rai Mehta Vidya Bhawan, New Delhi from 2004 to 2005, in Sunbeam Public School, Kanpur from 2008 to 2013, in Panchsheel Balak Inter College Noida from 2013 to 2016, in Ralli International School from 2018 to 2019 and in Vanasthali Public School from 2020 to March'2022.

- She also worked as a coordinator for preparing students for inter school competitions for Debates, cultural programs and internal school activities.

Report

"Girls are leaders. Girls are change-makers. Girls are driving good and growth around the world. They are a fundamental source of transformational change for gender equality, and technology which is a crucial tool to support their work, activism and leadership."

IT Department has organized an event on International Day of the Girl Child on 11th October 2022. The motive of this event is to work together to ensure that girls are connected, supported and empowered. Ms. Parul Srivastava who is having more than 20 years of experience in teaching, has inspired not only girls but also boys that girls can change the world if they will get proper education, healthcare, learning, opportunities and cooperation.

Photographs:

The event was hosted by Ms. Muskan Gupta, student of IT 3rd year who highlighted the motive of the event and welcomed the Guest Speaker, Ms. Parul Srivastava and thanked the speaker for sparing her valuable time to enrich the students. Ms. Parul Srivastava spoke about the different themes of International Day of the Girl Child and what is the importance of International Day of the Girl Child. She addressed the challenges girls face and to promote girls' empowerment and the fulfilment of their human rights.

Jyoti and Sonali from IT 3rd Year also presented their views highlighting the importance of the day. The session was attended by more than 60 students and all faculty members of IT.

The Event was backed –up from the participant end with an interactive Question and Answer session. The session was very fruitful and interactive.

OUTCOME OF THE PROGRAM

1. Students gained knowledge regarding girls' rights and the unique challenges girls face around the world.
2. We all should work together to ensure that girls are connected, supported and empowered.

World Sight Day

Date: 13.10.2022

World Sight Day is an International Day of Awareness, held annually on the second Thursday of October. This day is a reminder to you, to love your eyes. Eye health impacts education, employment, quality of life, poverty and so many other Sustainable Development Goals. The Electrical Engineering Department on 13.10.2022 conducted a webinar on the occasion of the World Sight Day. Dr. Neeraj Kumar, an ophthalmologist shared his valuable knowledge regarding how to take care of our eyes. Students of 3rd year and all the faculty members were a part of the webinar. Moderator of the event was Mr. Sanjay Rawat, Asst. Prof., EE dept.

Outcome:

The students were able to know about various eye ailments and how to protect their eyes in day to day life. They also learnt about the importance of the world sight day.

HEALTH AWARENESS

On

"Health is a state of complete harmony of the body, mind, and spirit.

10 OCT 2022

Organized by

***Computer Science Engineering
Artificial Intelligence & Machine Learning
Department***

Department of CSE-AIML in association with institution's innovation council (IIC) Organised a Programme of Health Awareness In Which We teach students about a healthy lifestyle, how it can be beneficial for one's mental health. Thus, identifying healthy lifestyle choices that promote psychological well-being and reduce mental problems is useful to prevent mental disorders. The aim of this longitudinal study was to evaluate the predictive values of a broad range of lifestyle choices for positive mental health (PMH) and mental health problems (MHP) especially the youth generation of our country.

We would like to extend a heartfelt thanks to GNIOT Management and Dr. Dhiraj Gupta, Director, for giving us the opportunity to organize this event. We're also thankful to Dr. Amit Agarwal (HOD-CSE-AIML) for their valuable inputs and necessary support.

01st November 2022

Organized by

Electronics and Communication Engineering Department

Report on "Hygiene Maintenance" Conducted by Electronics and Communication Department in Vaidpura Village: "Wash your hands before you eat and be aware of good clean water and food sources"

The Electronics and Communication Department has been conducted a hygiene maintenance campaign to promote hand hygiene and raise awareness about clean water and food sources. The campaign aimed to educate the villagers on the importance of basic hygiene practices to prevent diseases and maintain good health. The campaign aimed to raise awareness among the villagers of Vaidpura about the significance of hand hygiene and accessing clean water and food sources for better health and well-being. The objective was to educate the villagers and encourage them to adopt healthy hygiene practices in their daily lives. The campaign organized various activities, including workshops, demonstrations, informative sessions, and interactive sessions:

1. **Hand Hygiene Awareness:** The villagers were educated on the importance of handwashing with soap and water before eating or handling food. Demonstrations were conducted to showcase proper handwashing techniques, and villagers were encouraged to practice hand hygiene regularly.
2. **Clean Water and Food Sources:** The importance of clean water for drinking, cooking, and washing food was highlighted. Villagers were informed about the need to access clean water sources and store food in clean and safe conditions to prevent contamination.
3. **Information Dissemination:** Pamphlets, posters, and banners were distributed and displayed in the village to reinforce the key messages of the campaign. Audio-visual aids, such as videos and presentations, were used to effectively communicate the importance of hygiene maintenance.
4. **Interactive Sessions:** Villagers were encouraged to share their experiences and challenges related to hygiene maintenance. Discussions were held to address their concerns and provide guidance on adopting better hygiene practices.

**DEPARTMENT OF ECE

www.gniotgroup.edu.in | Toll Free No. 1800-2746-969

The campaign led to positive changes in hygiene practices among the villagers of Vaidpura:

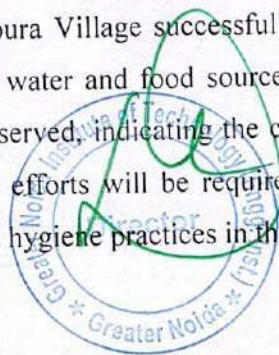

1. Increased Handwashing: Villagers were observed to be washing their hands more frequently, especially before eating or handling food. The use of soap and water for handwashing was also widely adopted.

2. Improved Water and Food Practices: Villagers became more conscious of the quality of water they consumed and took measures to access clean water sources. They also paid attention to the cleanliness and storage of food items to prevent contamination.
3. Enhanced Knowledge: Villagers gained a better understanding of the importance of hygiene maintenance in preventing diseases and promoting good health. They were more informed about proper handwashing techniques and the significance of clean water and food sources.

Conclusion: The hygiene maintenance campaign conducted by the Electronics and Communication Department in Vaidpura Village successfully raised awareness about hand hygiene and the importance of clean water and food sources among the villagers. Positive changes in hygiene practices were observed, indicating the campaign's success in promoting healthy hygiene practices. Continued efforts will be required to sustain these changes and ensure the long-term adoption of good hygiene practices in the village.

“TREES ARE THE ROOTS OF OUR EXISTANCE”

5 NOV 2022

Organized by

Electronics and Communication Engineering Department

Report on Tree Plantation Conducted by Electronics and Communication Department in Nearby Area in Knowledge Park-II: "Trees Are the Roots of Our Existence"

The Electronics and Communication (ECE) Department organized a tree plantation drive on 05th November 2022 in the nearby area of Knowledge Park-II to promote environmental conservation and create awareness about the importance of trees in our existence. The event aimed to highlight the role of trees as vital components of our ecosystem and the need to protect and preserve them for a sustainable future.

The quote, "Trees are the roots of our existence," served as the guiding theme of the event, emphasizing the critical role that trees play in supporting life on Earth. The participants included faculty members, students, and staff from the ECE Department, who enthusiastically participated in the tree plantation drive.

The event began with an opening address by Dr. Mukesh Kumar Ojha, Head of the Department of Electronics and Communication, who emphasized the significance of tree plantation in mitigating the adverse effects of climate change and preserving biodiversity. He stated, "Trees are not just a source of oxygen, but they also provide habitat for wildlife, regulate temperature, conserve water, and contribute to the overall well-being of our planet. It is our responsibility to protect and nurture them for ourselves and future generations."

The participants actively participated in the tree plantation drive, planting a variety of saplings including native trees, fruit trees, and medicinal plants. They were guided by forestry experts who provided insights on proper planting techniques and the importance of caring for the saplings after planting. The participants also conducted awareness sessions on the benefits of tree plantation and the need to conserve and protect trees in our surroundings.

During the event, several participants shared their perspectives on the importance of tree plantation and the role of trees in our existence. Here are some quotes from notable individuals:

1. Ms. Jyoti Maurya, a student from the ECE Department, stated, "Trees are the lifeline of our planet. They not only provide us with oxygen but also support biodiversity, regulate climate, and provide numerous other benefits. Tree plantation is our responsibility towards protecting the environment and ensuring a sustainable future."
2. Mr. Harvinder, a faculty member from the ECE Department, said, "As engineers, we have a role to play in environmental conservation. Tree plantation is a simple yet effective way to contribute to mitigating climate change and preserving our ecosystem. It is crucial to raise awareness and actively participate in such initiatives."

3. Mr. Mohit Kumar, a lab staff member from the ECE Department, shared, "Trees are an integral part of our existence. They provide us with food, medicine, shelter, and a healthy environment. Tree plantation is not just an event, but a continuous effort towards preserving our natural resources and securing a better future for ourselves and generations to come."

The event concluded with a pledge by all the participants to nurture and care for the planted saplings and spread awareness about the importance of trees in our surroundings.

Observance of National Cancer Awareness Day

Date: 07.11.2022

The Electrical Engineering (EE) Department conducted a webinar to observe the National Cancer Awareness Day. This day is observed annually to highlight the significance and promote awareness about the diagnosis, treatment, and early detection of the cancer disease. According to the World Health Organization, cancer is one of the leading causes of death worldwide. In India, nearly 1.1 million new cases of cancer are reported annually.

Dr. Gaurav Mishra, MBBS, MS (Orthopedic), AIIMS, New Delhi was the key speaker of the webinar. Dr. Mishra shared his valuable thoughts about the severity of the disease and its various causes. Students of EE 2nd and 3rd years and all the faculty members attended the webinar. Ms. Shalu, Asst. Prof., EE dept. was the moderator of the webinar.

Outcome:

Students learnt about the following:

1. Significance of cancer awareness day
2. Promotion of diagnosis, detection, and treatment of cancer in early stage

Blood Donation Camp (11th November, 2022)

Blood donation is a vital part of worldwide healthcare. It allows for blood transfusion as a life-sustaining and life-saving procedure. Over one hundred million units of blood are donated each year throughout the world. This activity reviews donor eligibility and selection, adverse effects of donation, and pathogen reduction and inactivation for donated blood. This activity highlights the role of the inter-professional team in ensuring appropriate protocol is followed.

GNIOT Group of Institutions keeping with its policy of commitment towards society organized a blood donation camp in association with AIIMS, New Delhi and GIMS, Greater Noida and department of MCA participated in blood donation camp. There were 200 units of blood mobilized during the camp by different courses. The fitness of donors for donation was checked by the team of competent doctors and under arrangements for safe and hygienic blood donation. This event successfully executed in the presence of Honorable Chairman Dr. Rajesh Gupta, Honorable vice Chairman ShriGaurav Gupta and respected director Dr. Dhiraj Gupta.

जी एन आई ओ टी ग्रुप ऑफ इंस्टीट्यूट्स परिसर में एम्स हॉस्पिटल, नई दिल्ली एवं जिम्स हॉस्पिटल, ग्रेटर नॉएडा के सहयोग से रक्तदान शिविर का हुआ आयोजन

**शफी मोहम्मद सैफी
जनता की खोज**

ग्रेटर नॉएडा। जी एन आई ओ टी ग्रुप ऑफ इंस्टीट्यूट्स परिसर में सोशल क्लब द्वारा की एम्स हॉस्पिटल, नई दिल्ली एवं जिम्स हॉस्पिटल, ग्रेटर नॉएडा के सहयोग से रक्तदान शिविर का आयोजन किया गया जिनमें लोगों ने स्वीच्छक रक्तदान किया, जिम्स, ग्रेटर नॉएडा से आये डायरेक्टर ब्रिग, डॉ रविश गुप्ता जी जी ने रक्तदाताओं को संबोधित करते हुए कहा कि रक्तदान महादान है। इससे बड़ा कोई पुण्य नहीं है। एक स्वस्थ व्यक्ति अपने शरीर की बिना किसी नुकसान के हर तीन महीने में रक्तदान कर सकता है। यह बहुत ही नेक काम है।

इस अवसर पर एम्स, नई दिल्ली एवं जिम्स, ग्रेटर नॉएडा से आये सभी कार्यकर्ताओं के कार्यों की प्रशंसा करते हुए चेयरमैन डॉ राजेश कुमार गुप्ता जी ने रक्तदान को अनमोल बताते हुए युवाओं से अधिक से अधिक संख्या में रक्तदान के लिए आगे आने की पहल करने की अपील की। साथ ही सभी कार्यकर्ताओं को उसके नेक कार्यों के लिए धन्यवाद दिया।

प्रिंसिपल, जी एन आई ओ टी इंस्टीट्यूट ऑफ प्रोफेशनल स्टडीज डॉ सविता मोहन ने कहा कि 18 से 60 वर्ष आयु का कोई भी स्वस्थ व्यक्ति रक्तदान कर

सकता है। रक्तदान करने से किसी भी तरह की कोई कमजोरी नहीं आती है। रक्तदान से बड़ा कोई दान

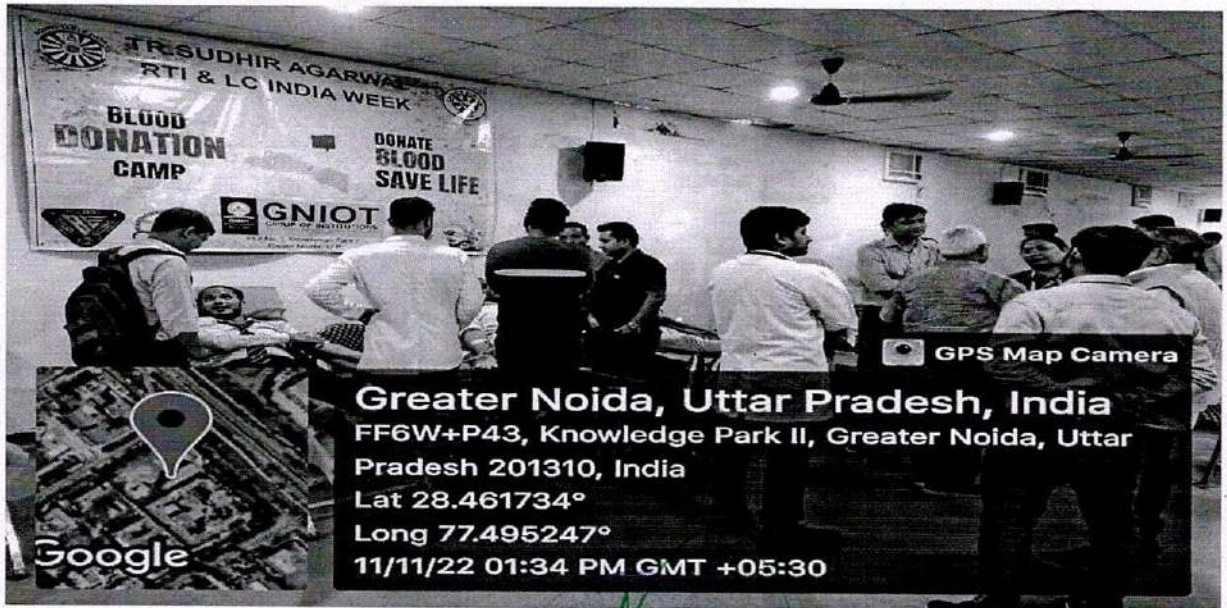

सुबह 8 बजे से दोपहर 3 बजे तक ग्रुप के सभी मैनेजमेंट मेंबर्स, डायरेक्टर, शिक्षक एवं छात्रों ने

नहीं है, क्योंकि रक्तदान दूसरों को जीवनदान देता है। उन्होंने बताया कि रक्तदान के दौरान दिया गया खून 24 घंटे में खन जाता है।

रक्तदान के समय रक्तदाता के खून की कई प्रमुख जांचें की जाती हैं, इससे अगर उसे कोई बीमारी है तो उसका भी पता चल जाता है।

अधिकतम संख्या में रक्तदान किया गया। प्रत्येक रक्तदाता को जलपान और प्रमाण पत्र प्रदान किए गए, इसे सफल बनाने के लिए, सभी शिक्षक एवं छात्रों द्वारा सुबह से ही जागरूकता अभियान चलाया गया और हमारे प्रति कृतज्ञता के भाव के रूप में लगभग 200 बहुमूल्य यूनिट प्राप्त की गयी।

Outcome of the event:

Blood donation camps are organized with the purpose of supplying blood to the blood banks for the need of patients suffering from cancer, hemophilia, and thalassemia or accident victims.

EVENT TITLE:

“Session on Girl Hygiene & Education”

PARTICIPANTS:

Third year & Second Year IT Engineering Students & Faculty members.

OBJECTIVES:

- To make everyone aware of the importance of girl education and the noteworthiness of empowering them.
- To make everyone aware about girl hygiene and sanitation which is very important considering the various cycles they go through.

Coordinator of Event: Ms. UMA TOMER

Report

Department of **Information Technology in association with Institution Innovation Cell (IIC)** organized a **“Session on Girl hygiene & Education”** on **15th November, 2022** from 2:00 PM onwards.

“Education is the only key to empower girls.”

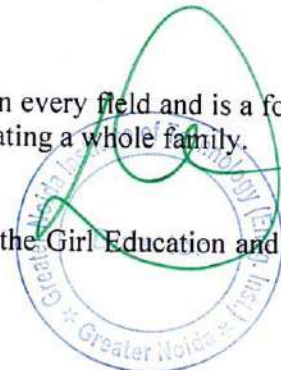

The Department of Information Technology organized a Session on Girl education and hygiene in JUNPAT village (village adopted by GNIOT) on 15/02/2023 from 02:00 pm onwards.

Objective of this drive was:

- To make everyone aware of the importance of girl education and the noteworthiness of empowering them.
- To make everyone aware about girl hygiene and sanitation which is very important considering the various cycles they go through.

The motive was to explain that an educated girl contributes in every field and is a fortune for her family and country. Educating a girl is not less than educating a whole family.

Hod, IT Prof. Vikas Singhal Sir shared his views regarding the Girl Education and Hygiene and inspired students to promote it at their best.

More than 50 students of 2nd and 3rd year of IT Department along with the faculty members and village authority embraced the event with their presence and spread the awareness among the local school childrens and villagers.

The event started with a beautiful poem narrated by Apporva from 3rd year which touched everyone's hearts and made our brains to ponder over the Girl Education.

Then the students performed and acted in the form of Nukkad Natak and the act was phenomenal.

After that we were privileged to have Chandrika Kumari form 2nd year with her very heart touching and emotional poem which was very beautifully narrated. At last Muskan form 3rd year with her end speech made us realise the necessity of girl education and their empowerment.

Moderator of the event was Ms. Uma Tomer, she spread awareness about girl education and hygiene together. She explained that Cleanliness is vital because of the various cycles girls go through, including menstruation. Poor hygiene can lead to the spread of bacteria in genitals, with unfortunate repercussions.

Other mentors, faculties, co-ordinators and students were present.

The outcome of the Program

1. Make them to understand that an educated woman has a lot of knowledge about good health care and the ability to care for her children better.
2. Girls' education will make them more independent and financially strong and less dependent on their family or husband.
3. Girl Education will help them to understand the importance of hygiene.

“Self Defence Workshop” Report

Academic Year	2022-23
Name of the Activity	Self Defence Workshop
Date of the Activity	26 th November 2022
Organized By	GNIOT Cultural Club
Event Coordinator	Ms. ShreejaKacker (CE), Ms. Bhawna (ECE)
Objective	<ul style="list-style-type: none"> • The primary importance of self-defence is for women to be able to protect themselves against anything that's unacceptable in terms of social conduct. • There is nothing more empowering than having the confidence to analyse a dangerous situation and take actions to overcome them effectively. • The aim of the workshop is to equip the modern women (students & faculty members) with ways to defend themselves in an unforeseen situation.
Brief Report	<ul style="list-style-type: none"> • The Modern Indian Woman needs is security; security from eve-teasers, rapists, sexual harassment and violence. • The training was conducted to boost the self confidence of the female students and faculty members and to make them able to act in unfavorable situations.
Outcome	<ul style="list-style-type: none"> • The women were taught simple ways of self defense and they were also spoken to about tackling situations in which they find themselves to be under any kind of harassment.
Photographs/Newspaper Cutting of the Event	 

Introduction

Self-defense is an essential life skill for everyone, especially women, who are at a higher risk of being targets of violence. To address this issue, a self-defense workshop for women was conducted on April 15, 2023, at the Community Center. The workshop aimed to educate and empower women with self-defense techniques to protect themselves from physical and verbal assault.

Workshop Content

The self-defense workshop began with an introduction by the workshop facilitator, who highlighted the importance of self-defense and the need for women to be equipped with self-defense skills. The workshop was divided into three sections: awareness training, physical self-defense techniques, and legal issues related to self-defense.

The awareness training session focused on helping women identify potentially dangerous situations and the importance of being aware of their surroundings. The session also included tips on how to avoid risky situations and how to use body language and voice to communicate assertively.

The physical self-defense techniques session focused on teaching women simple and effective techniques to defend themselves in case of an attack. Participants were taught how to use their body weight and momentum to overpower an attacker and how to strike vulnerable areas of the body. The techniques were taught in a safe and supportive environment, with participants practicing on pads and dummies.

The legal issues related to self-defense session highlighted the importance of knowing the laws and regulations related to self-defense. The session also emphasized the need to use self-defense techniques only when necessary and to report any incident of assault to the authorities.

Participants

All female faculties along with girl students residing in Hostel.

Participant Feedback

Feedback from the workshop participants was overwhelmingly positive. Mostly participants consisted of female faculties who were from the all the Department of Engineering & Sciences. Participants reported feeling more confident and empowered after the workshop, and many expressed a desire for more such workshops in the future. Participants appreciated the hands-on training and the opportunity to practice the techniques in a safe and supportive environment.

Conclusion

The self-defense workshop for women was a success, with participants learning important skills and techniques to protect themselves from physical and verbal assault. The workshop provided a safe and supportive environment for participants to learn and practice self-defense techniques, and the feedback from participants was overwhelmingly positive. The workshop was a valuable experience for all participants, and it is hoped that more such workshops will be conducted in the future to empower women with self-defense skills.

Summary Report of Event: Hygiene maintenance

The Computer Science & Engineering Department successfully organized a "Hygiene Maintenance" activity in the college campus on **26-11-2022** by **Dr. Shiv Kumar**. The students got to learn general hygienic practices in their day to day lives, and observe such practices around themselves.

The hygiene maintenance activity was held in the seminar room of our college building. The event was conducted by a team of experts in the field of hygiene and sanitation. The purpose of the event was to educate and raise awareness among the employees about the importance of maintaining good hygiene practices.

The event began with an introduction to the basic concepts of hygiene, including the importance of hand hygiene, personal hygiene, and environmental hygiene. The experts emphasized the importance of washing hands regularly with soap and water, and the use of hand sanitizers in situations where hand washing facilities are not available.

The event also covered topics such as the proper use of personal protective equipment, such as gloves and masks, in order to prevent the spread of infectious diseases.

In addition, the event discussed the importance of maintaining a clean and healthy environment, including the regular cleaning and disinfection of surfaces, equipment, and common areas. The experts provided practical tips and guidance on how to effectively clean and disinfect different types of surfaces.

The event concluded with a Q&A session, where the employees had the opportunity to ask questions and clarify any doubts, they had about hygiene

maintenance practices. Overall, the event was informative and engaging, and helped to reinforce the importance of maintaining good hygiene practices in our workplace and beyond.

Department of MCA

Gender Equity (22nd November, 2022)

"Gender equality is the goal that will help abolish poverty that will create more equal economies, fairer societies and happier men, women and children"

Department of MCA keeping with its policy of commitment towards society organized a Gender Equity Program on 22nd November, 2022. Awareness campaigns on women safety and gender sensitivity through street plays, rallies and camps by students of various departments. This event successfully executed in the presence of Honorable Chairman Dr. Rajesh Gupta, Honorable vice Chairman Shri Gaurav Gupta and respected director Dr. Dhiraj Gupta.

Outcome of the Event:

Equality of outcome or results requires the creation of an enabling social environment by addressing the ideology and cultural constructs that create hierarchies within gender relations. Positive measures have been proved as a necessary measure to guarantee equality of outcome.

A report on Swachh Bharat Abhiyaan

The department of IoT contributed in the GOI mission Swachh Bharat Abhiyaan by organizing an outreach activity on 6 December, 2022 from 12:00 Pm onwards. 14 students of the 2nd year formed two teams, spotted the location in the GNIOT campus and its neighborhood where the cleaning is required. Afterwards, students took the initiative, held the broom and cleaned the location. They also put the litter (e.g., wrappers) in the dustbin and created the awareness for the importance of the cleaned environment. Dr. Nancy Agarwal was the moderator of the event. A special thanks to Dr. Indradeep Verma (HOD of CSE-IoT) and Dr. Vaibhav Srivastava for the valuable support.

The poster features the GNIOT logo at the top left. The text reads: "Department of CSE-IoT is Organising Swachh Bharat Abhiyaan. The importance of the cleaned environment." It includes illustrations of workers, a recycling symbol, and three trash bins. Two portraits are shown: Prof. (Dr.) Dhiraj Gupta, Director, and Dr. Indradeep Verma, HoD (CSE-IOT). The event details are: "Tuesday, 06 December 2022 | Time: 12:00pm-2:00pm". At the bottom, it says "Greater Noida, Delhi/NCR", "Toll Free No : 18002746969", and "Web : www.gniotgroup.edu.in". A "FOLLOW US" section with social media icons is also present.

A report on Plantation Drive

The department of IoT conducted plantation drive on 13 December, 2022 with the participation from 2nd year students. 6-8 students joined in the plantation under the guidance of the gardener of the GNIOT Institute. The event made the students realize about the importance of nature and their duty towards maintaining the balance. Mr. Anupam Saini and Dr. Nancy Agarwal were the moderator of the event. A special thanks to Dr. Indradeep Verma (HOD of CSE-IoT) and Dr. Vaibhav Srivastava for the valuable support.

The poster features the GNIOT logo at the top left, followed by the text 'Department of CSE-IoT is Organising'. The central theme is 'Plantation Drive' with a sub-message: 'The importance of nature and their duty towards maintaining the balance.' It includes portraits of Prof. (Dr.) DhiraJ Gupta, Director, and Dr. Indradeep Verma, HoD (CSE-IOT). The event details are: Monday, 13 December 2022 | Time: 12:20pm-2:00pm. Contact information for Greater Noida, Delhi/NCR is provided, along with a toll-free number and website. Social media icons for Facebook, YouTube, LinkedIn, Twitter, and Instagram are listed under 'FOLLOW US'. The background is decorated with illustrations of hands holding a sapling, trees, and pine branches.

A Report on Hygiene Maintenance

The department of IoT organized the hygiene maintenance program on 23 December, 2022 with 2nd year students of the department. In this regard, gloves and masks were purchased from the stores. In order to create the awareness about the importance of hygiene especially in the COVID time, the students are asked to distribute the gloves and masks in the neighborhood of the GNIOT campus and make people aware by having a small conversation with them. Around 10 students participated in the event. Ms. Shipra Srivastava was the moderator of the event. A special thanks to Dr. Indradeep Verma (HOD of CSE-IoT) and Dr. Vaibhav Srivastava for the valuable support.

Women's Awareness Campaign

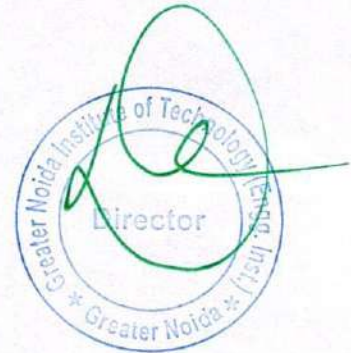

Date: 09.05.2022

More powerful the woman, stronger will be the Nation

With this notion the Electrical Engineering (EE) Department conducted a Women Awareness Campaign on 09.05.2022. All the students of the department, especially the 2nd year students, participated in the event with full zeal and presented their thoughts on making women aware of the ill thoughts and practices of the society. Ms. Astha Dixit was the coordinator of the campaign.

Outcome:

Through this campaign, students learnt about ill practices and thoughts that are prevalent in the society. They also learnt how to deal with them by presenting their thoughts.
