NOTICE

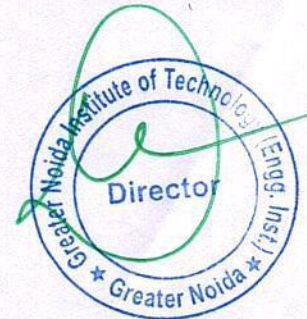

All the students of **CSE 3rd Yr.** are here by informed that **Computer Science and Engineering Department** of GNIOT Group of Institution is organizing one day workshop on Web Designing on **22 September, 2017** .

Venue : Computer Lab

Timing : 10:00 to 1:00 PM

HOD

(Computer Science and Engineering)

Report : Workshop on Web Designing

Dates : 22 September, 2017
Department : CSE 3rd Yr.
No. of Students : 58
Resource Person : Dr. Rohit Kumar, Assistant Professor , IPER college

Objective of the Event: The goal of the workshop was to give a detailed knowledge about the web designing. This workshop is emphasized to inculcate superb skills for understanding UI design and implementations. Web Designing is the customer-facing part of the website. . The different areas of web design include web graphic design, interface design, authoring, including standardized code and proprietary software, user experience design, and search engine optimization.

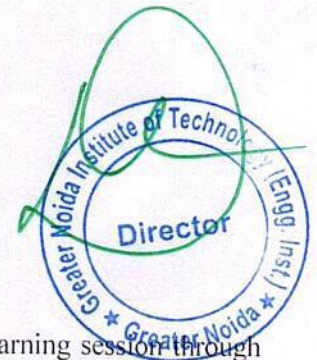

Brief Report :

A one day Web Designing Workshop was conducted by **Computer Science Department** of **GNIOT group of Institution** for B.Tech CSE 3rd Yr. Students. The speaker of workshop was Dr. Rohit Kumar, Assitant Professor IPER college. He is having a vast knowledge in the field of web designing. The goal of the workshop was to give a detailed knowledge about the web designing. Students created website using their choices of own domain name. In order to display contents on website, coding in HTML, CSS, JavaScript and PHP was taught.

Topics covered in Workshop were:

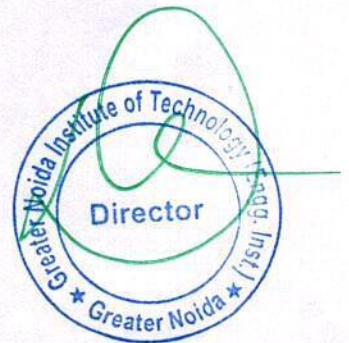

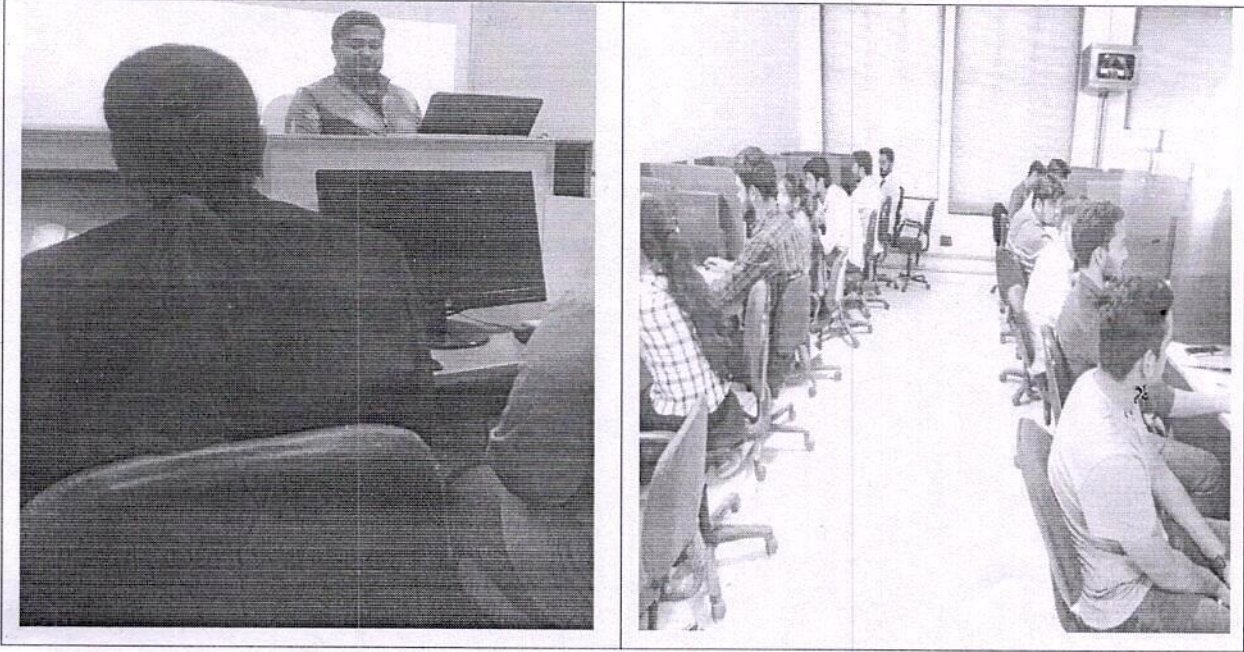

- Html
- CSS
- Ajax
- Jquery
- Adobe Photoshop
- Adobe Dream Viewer Css5 etc.

Outcome of the Event : Students experienced a special hands on practice learning session through which they got a better understanding of web designing. Students understand the importance of designing in a project development. The content delivery was as per the needs of every student along with the huge

interaction. Overall the workshop has been overall productive.

NOTICE

All the students of **B-Tech –IT 3rd Year** are here by informed that **Information Technology(IT)** Department of GNIOT Group of Institution is organizing a coding competition on **5 April 2018**.

Venue : Lab no: 157,158

Timing : 12:30 to 3:30 PM

HOD 

(Information Technology)

Report : Coding Competition

Dates : 05-04-2018
Schedule : 12:30 to 3:30 PM
Department : B-Tech IT 3rd Yr
No. of Students : 54

Objective: The aim of coding competition is to encourage students to enhance their problem solving and computer programming skills. Identify and recognize students who exhibit exemplary problem solving and computer programming skills. .

Report: IT Department of GNIOT Group of Institution organized a Coding Competition, 5th April 2018 .

The competition was in conduct in two phases. In first phase coding and debugging question are given to all the students with the time limit of 30 minutes, in the second phases scenario based question are given with time limit of 1:30 hrs. Total 54 students from IT 3rd yr were attended the competition. The competition was conducted in lab no 157 and 158. At the end of the competition awards were given to the winners.

Coding contests offer numerous benefits for developers interested in practice their coding skills. The essence of coding contests and challenges boils down to one thing – Students were provided with a specific set of programming problems and they were expected to solve them within the stipulated time. Their credibility as a good coder will be judged on many different criteria such as efficiency, innovative quotient, accuracy, and team spirit, among others. The benefits of participating in coding contests and challenges are manifold.

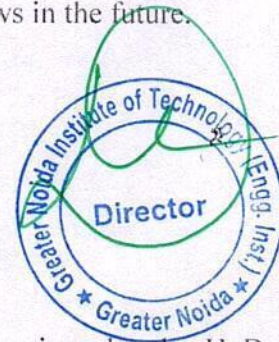

Coding contests are the stepping stones to preparing for coding interviews. Because in both the scenarios students expected to possess an excellent grasp on Data Structure and Computer Science and also, students have to write codes and solve coding problems. Participating in coding contests will ensure that your programming skills are top-notch. So, coding challenges are definitely a great start for to crack coding interviews in the future.

Winners of Coding Contest were :

Winner : Kumar Ujjwal - IT Department

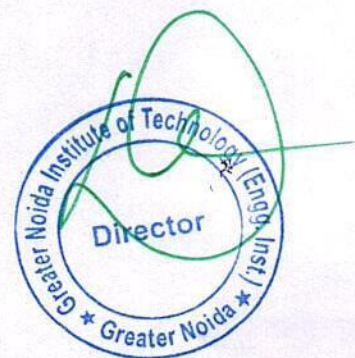

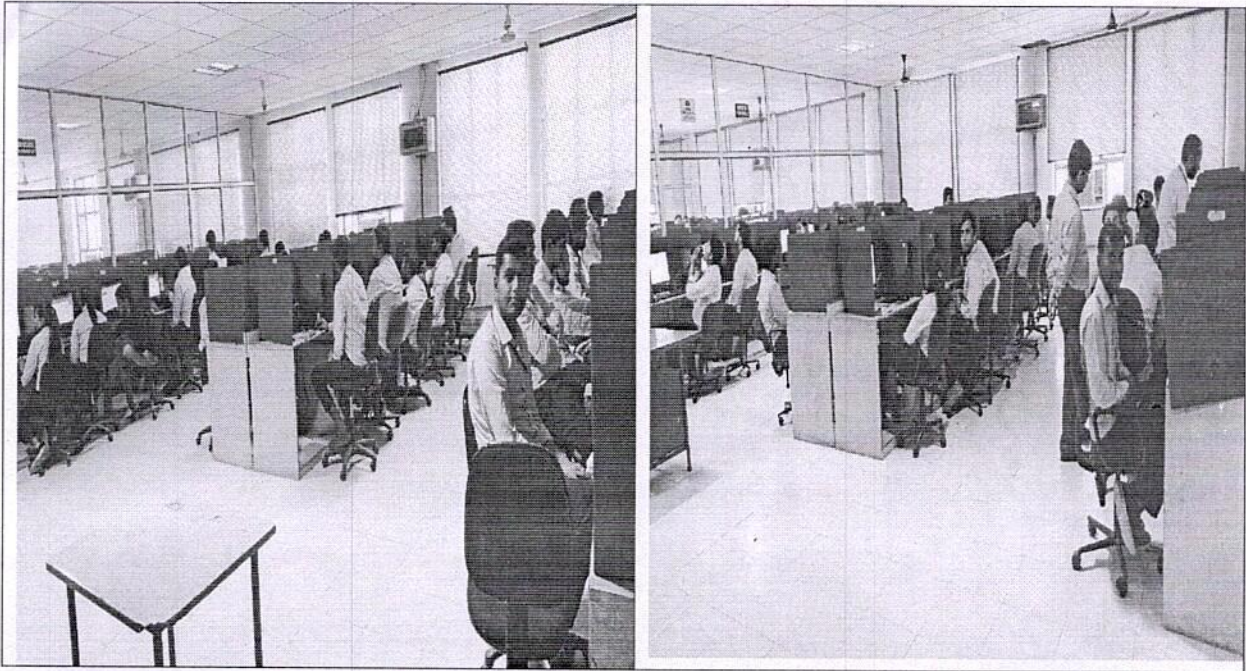

First Runner-UP: Etu Gupta

Second Runner UP - Prashant

The Competition was concluded with award ceremony. Awards were given by the HoD of Information Technology (IT) Department.
