Event Report

Fitness is zero percent investment with infinite returns”

The spread of technology undoubtedly made our lives much easier and much better, but at the same time, it made many of us turn to a sedentary lifestyle. Lack of physical activity and excessive usage of mobile phones among children is also becoming alarming as the health behaviour patterns formed in early years are most likely to persist into adulthood too.

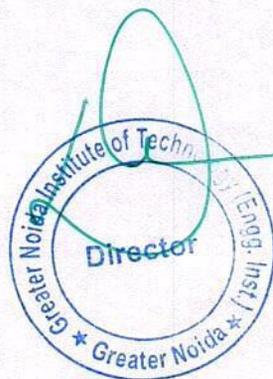

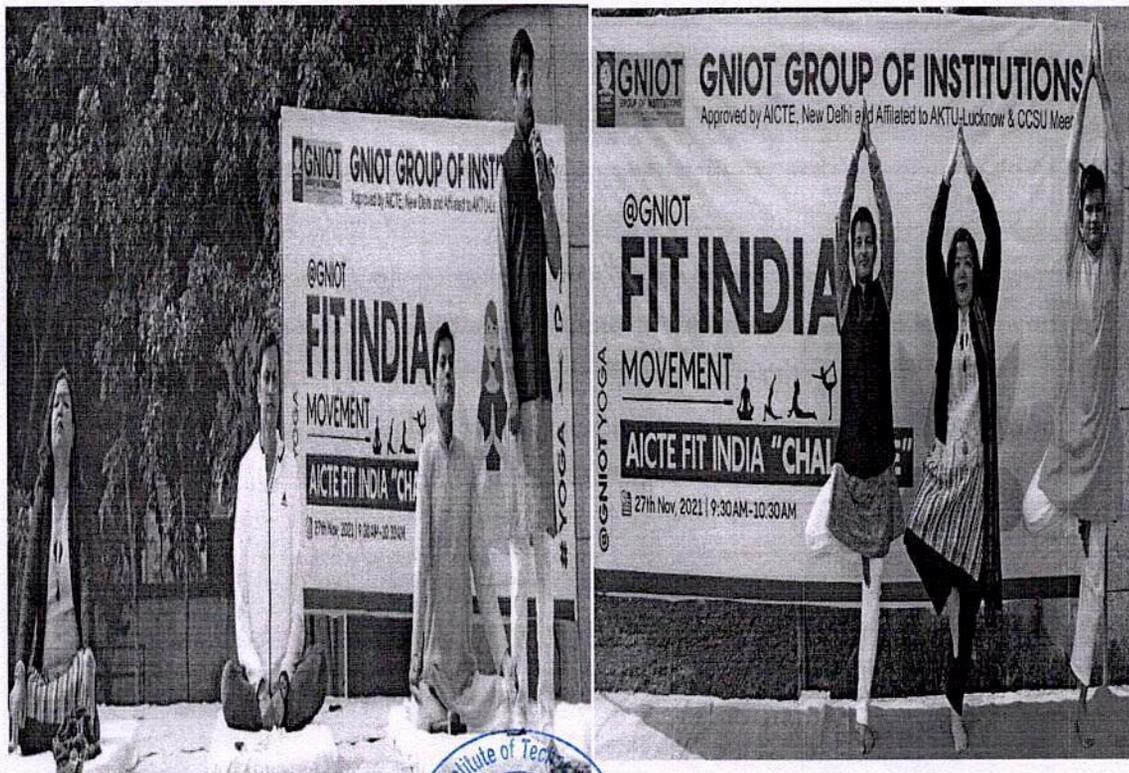

Thanks to the “Fit India Movement” launched by Honourable Prime Minister, Mr. Narendra Modi on 29th August 2019, effective measures were introduced through various platforms which encouraged people of India to turn to an active lifestyle further leading to mental fitness. To endorse and take this movement further, the little torchbearers of Greater Noida Institute of Technology enthusiastically participated in the “Fit India Challenge” hosted by GNIOT. The event was anchored and managed in an effective and efficient manner. All the faculty members, staff members, and students participated in performing Yoga. The yoga guru who guided this drive was Mr. Ankit who is an internationally acclaimed yoga teacher and counselor who has represented his country and its tradition in countries like Turkey, Ankara, Luanda and Angola. The event witnessed the gracious presence and active participation of presence of Dr. Dheeraj Gupta, Director of Engineering Institute, and other heads of departments as well. Post this yoga session under the guidance of Dr. Dheeraj Gupta everyone present in the event took the Pledge to perform the basic right given by our constitution which is the right to caste vote.

A vote of thanks was extended by Mr. Manoj Gupta. Everyone present at the event was given refreshment post the conduct of this yoga session. 50 Students with faculty members take part in the event.

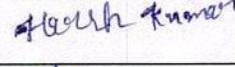

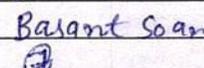

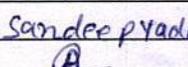

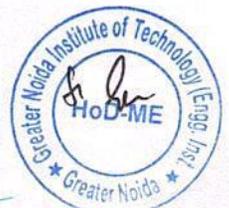

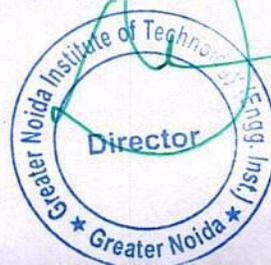

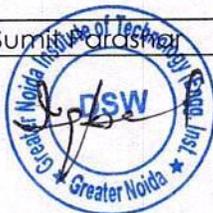

Outcomes of the event

1. To create awareness about the importance of fitness and physical activity in daily life.
2. To encourage people to incorporate physical activity and sports into their daily routines.
3. To promote the culture of sports and fitness in the country.
4. To motivate individuals to adopt a healthy lifestyle and reduce the burden of non-communicable diseases such as diabetes, hypertension, and obesity.
5. To create a framework for a fit and healthy India by involving schools, colleges, workplaces, and communities in the promotion of fitness and sports.

Academic Year: 2021-22

Activity: Yoga Day Celebration

Venue: GNIOT (Engg Institute), Greater Noida

Date of Activity: 21 June 2022

Event Report

On 21st June 2022, GNIOT (Engineering Institute) organized a Yoga Day Celebration to promote the importance of yoga in maintaining a healthy lifestyle. The session was conducted by Mr. Manoj Gupta, a certified yoga instructor with several years of experience.

The event started at 7:00 am and was attended by 59 students, faculty members, and staff of the institute. The venue for the session was the institute's sports ground, which was well-decorated with colorful mats and banners to mark the occasion.

The session began with a brief introduction to yoga and its benefits, followed by a warm-up session to prepare the participants for the asanas. Mr. Gupta guided the participants through various yoga poses and postures, emphasizing correct posture and breathing techniques.

The asanas included Surya Namaskar, Tadasana, Trikonasana, Bhujangasana, and Shavasana, among others. The participants were encouraged to perform the asanas with concentration and focus, ensuring that they got the most out of the session.

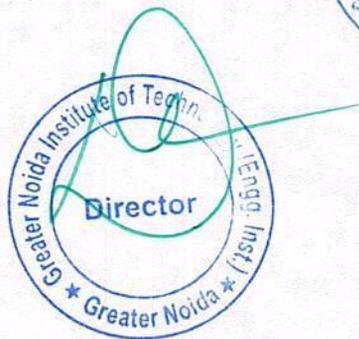

The session ended with a 10-minute meditation session, which helped the participants relax and rejuvenate their minds and bodies. Mr. Gupta also gave a few tips on how to include yoga in their daily routine and maintain a healthy lifestyle.

Overall, the Yoga Day Celebration was a huge success, with participants expressing their satisfaction and appreciation for the well-organized event. The session helped the participants understand the importance of yoga in maintaining physical and mental well-being and motivated them to incorporate it into their daily lives.

Outcomes of the event

1. To create awareness among students, faculty members, and staff of the institute about the benefits of practicing yoga.
2. To encourage participants to adopt yoga as a daily practice for physical and mental well-being.
3. To provide a platform for participants to learn correct posture and breathing techniques while performing yoga poses.
4. To facilitate a meditation session to help participants relax and rejuvenate their minds and bodies.
5. To motivate participants to incorporate yoga into their daily routine and maintain a healthy lifestyle.
6. To provide a well-organized event that would be enjoyable and satisfying for all participants.

National Sports Day Celebration-2021

Dear GNIOT students and faculty members,

We are thrilled to announce that the GNIOT Sports Club will be organizing a fantastic sports event on August 29th, 2021, to celebrate National Sports Day. The event will feature three popular sports: Football, Basketball, and Table Tennis. Participants will be a mix of students and faculty members who will compete in a friendly yet competitive atmosphere.

We encourage all sports enthusiasts to participate in this event and showcase their skills. The event promises to be a fun-filled and memorable occasion, allowing everyone to celebrate the spirit of sportsmanship and teamwork.

So, mark your calendars for August 29th, 2021 and be ready to show your passion for sports. We look forward to seeing you there.

Regards,
GNIOT Sports Club

Academic Year: 2021-22

Activity: GNIOT Sports Club's National Sports Day Celebration

Venue: GNIOT (Engg Institute), Greater Noida

Date of Activity: 29 August 2021

Event Summary:

The GNIOT Sports Club organized a fantastic sports event on 29th August 2021 to celebrate National Sports Day. The event featured with popular sports: Athletic Games, Kabaddi, Football, Basketball, and Table Tennis. The event saw the participation of 246 students from various departments and branches of the college.

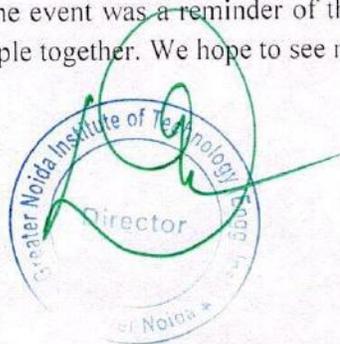

The football match started at 9:00 AM, and it was a thrilling match between the two teams. Both teams played their best, and the spectators cheered them on. After an intense 90 minutes, Team CSE emerged as the winner with a score of 2-1.

The basketball match between CSE and Civil took place at 11:00 AM, and it was a close game. Both teams displayed excellent teamwork and sportsmanship. The match was tied at 30-30 until the last minute, but Team CSE scored a three-pointer to win the match 33-30. Girls basketball match won by ECE department.

The table tennis tournament started at 1:00 PM, and it was a singles tournament. Many participants signed up for the tournament, and the matches were intense. After several rounds, the final was held between two players, and it was a nail-biting match. The final score was 21-19, and the winner of IT dept was awarded the first prize.

Apart from the sports events, the GNIOT Sports Club also organized some fun activities for the audience, such as a relay race, tug of war, and a sack race. These activities were open to all, and the participants had a great time.

Overall, the GNIOT Sports Club's National Sports Day celebration was a huge success. It provided an opportunity for the students and faculty members to showcase their skills, teamwork and sportsmanship. The event was a reminder of the importance of sports in our lives, and how they can bring people together. We hope to see more such events in the future.

Department of ECE & EE

Ref: - No. GNIOT/ECE/Events/09

Date: 8 October, 2021

NOTICE

This is to inform the students that the department is organizing a Friendly Cricket Match for the current semester, continuing the same practice you are all informed that Friendly Cricket Match is being organized on 8 October, 2021.

The students are requested to Present in full strength and take the maximum benefits of the tournament.

Dr. Mukesh Kumar Ojha

HOD, ECE

Academic Year: 2021-22

Activity: Friendly Cricket

Venue: GNIOT Ground

Date of Activity: 8 October 2021

Event Report:

On 8th October 2021, a Friendly Cricket Match was organized between the students of ECE and EE department. The match was held in the college ground and it was a great success.

The teams were very enthusiastic and were eager to showcase their skills. The toss was won by ECE department and they elected to bat first. The match began with a great spirit and both teams played very well. ECE department managed to score 120 runs in 20 overs. EE department gave their best to chase the target but they fell short by 15 runs and were all out for 105 runs.

The match was witnessed by many students and faculty members who cheered the players on. The match was well-organized and the umpires did a great job in maintaining the discipline on the field.

The Man of the Match award was given to Rahul from the ECE department for his excellent batting performance. The Best Bowler award was given to Suresh from the EE department for his outstanding bowling performance.

The event was a great success and it provided an opportunity for the students to showcase their talents and develop sportsmanship. We hope to organize more such events in the future.

Circular for Annual Sports Meet Spardha-2022

All the students of this institute are hereby informed that the Annual Sports meet "Spardha-2022" will be held from 4th to 5th March 2022 at the Institute Playground.

We invite all students to participate and make this day a memorable one. The sports event will include a variety of games such as football, cricket, basketball, volleyball, athletics, badminton, table tennis and chess. We encourage all students to participate in their favorite games and showcase their skills.

We request all students to adhere to the rules and regulations of the sports event. The participants should wear appropriate sports attire and carry their identity cards with them. We also advise everyone to carry their own water bottles and snacks.

We look forward to your enthusiastic participation in the sports event, making a grand success.

**Sports Co-ordinator
GNIOT-132**

Dated: 5th March 2022**Academic Year: 2021-22****Activity: Annual Sports Meet SPARDHA-2022****Venue: GNIOT (Engg Institute), Greater Noida****Date of Activity: 4-5 March 2022****Event Summary:**

At GNIOT, the annual sports festival "SPARDHA- 2022" was organized successfully from 4th to 5th March 2022 at the GNIOT Campus. SPARDHA is not just a Sports event but the Fashion of the GNIOT. League matches started on 28 February 2022 and all the final matches were played on 4th and 5th March 2021 under the banner of Annual Sports Fest SPARDHA.

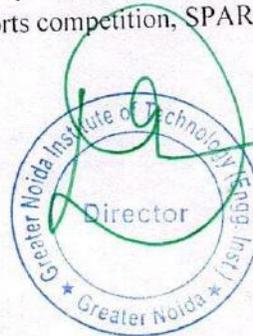

The Mega Sports event was graced with the benign presence of our Chief Guest Shree Alok Singh Ji, Commissioner of Police, Gautam Buddha Nagar. And on 5th March 2022, the valedictory function was organized with prize distribution. Honourable Chief Guest Ms. Anu Tomar (Asian Gold Medallist in Rifle shooting), Hon' able Chairman Dr. Rajesh Gupta ji, Hon' able Vice Chairman Mr. Gaurav Gupta ji, CEO Mr. Swadesh Singh, Director of Dr. Dhiraj Gupta, and Dr. Iqbal Ahmed Khan (Dean Student Welfare) lighting the lamp on this occasion at the beginning of the program.

After this the national flag was hoisted, march past was conducted gracefully by the various departments. Guests of Honour, Ms. Anu Tomar, Asian Gold Medalist in Rifle shooting along with Mrs. Prakash Tomar, Indian Sharpshooter honoured with Stree Shakti Puraskar.

Further, Dr. Dhiraj Gupta, in his address, congratulates the winners of various games, emphasis on the significance of sports in their life. And said that sports are a great way to become physically fit, have fun, and understand co-existence with your peers. It is also a great way to inculcate the values of sportsmanship and teamwork.

Mainly, 10 games were organized in SPARDHA 2022, such as 100 meters race, 200 meters race and various track events including Basketball, football, Badminton, Volleyball, Kho-Ko, Kabaddi, Javelin Throw, Tug of war and cricket etc. for boys and girls were organized successfully. All the winners were awarded prizes on the competition's last day (05-03-2022).

Also, the Hon' able Chairman of GNIOT -Group of Institutions, Dr. Rajesh Gupta ji congratulated all the winning and participating students and expressed his happiness on the successful completion of this annual sports competition, SPARDHA -2022.

Venue: GNIOT (Engg Institute), Greater Noida

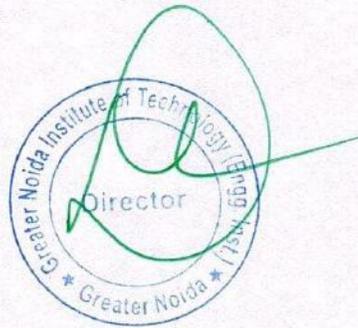

Date of Activity: 7 May, 2022

Event Report:

MCA department organized "Sports Event" on "WORLD ATHELETICS DAY" for MCA 1st year students on May 7, 2022. The event started under the guidance of Director sir Prof. (Dr) Dhiraj Gupta, HOD-MCA Prof. (Dr.) Sheelesh Kumar Sharma, Deputy HOD-MCA Mr. Harendra Singh and Md Salman Siddique (Faculty coordinator SPORTS CLUB).

In cricket / Team "POWERHITTERS" won by 2 wickets. The team included Pushpendra (c), Rohit, Promise, Tarzan, Rahul, Satyam Pal, Sudhir, Ajay, Nitin, Nitish, Neelkanta. And in Badminton Doubles (Pushpendra & Promise) got the 1st position, (Akshansh Dogra & Ankush) got the 2nd position and (Kishlay Kumar & Swaraj Lenka) got 3rd position. The judgements & umpiring activities were well managed by Mayank Sharma and Sanjeev. The activities were well organized and executed by Kishlay Kumar (President Sports Club) and Neelkanta Banerjee (Vice President Sports Club). And a big thanks to all the players for participating and making the event successful.

Women's Awareness Campaign

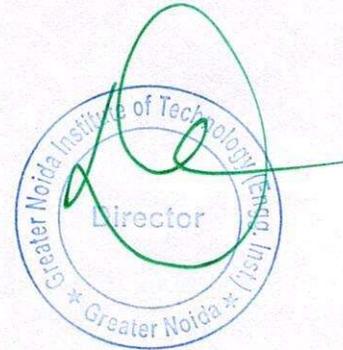

Date: 09.05.2022

More powerful the woman, stronger will be the Nation

With this notion the Electrical Engineering (EE) Department conducted a Women Awareness Campaign on 09.05.2022. All the students of the department, especially the 2nd year students, participated in the event with full zeal and presented their thoughts on making women aware of the ill thoughts and practices of the society. Ms. Astha Dixit was the coordinator of the campaign.

Outcome:

Through this campaign, students learnt about ill practices and thoughts that are prevalent in the society. They also learnt how to deal with them by presenting their thoughts.

Department of MCA

HEALTH AWARENESS

(The Yoga-21st June 2022)

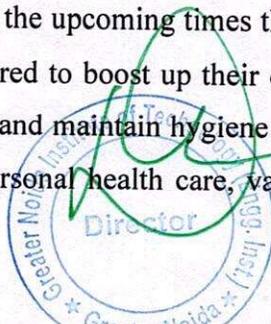

The Yoga is the journey of the self, to self, through self. You cannot always control what goes on outside, but you can always control what goes on inside through yoga. Yoga is **an ancient art that connects the mind and body**. It is an exercise that we perform by balancing the elements of our bodies. In addition, it helps us meditate and relax. Moreover, yoga helps us keep control of our bodies as well as mind. It is a great channel for releasing our stress and anxiety.

With this thought MCA department participated in International Yoga Day organized by GNIOT GROUP OF INSTITUTIONS for Faculties and Students under the chain of Azadi ka Amrit Mahotsav, we at GNIOT GROUP OF INSTITUTIONS believe that yoga is the incorporation of meditation and breathing can help improve a person's mental well-being. With this aim in mind, the event took place at GNIOT GROUP OF INSTITUTIONS play ground on 21st June 2022. International Yoga Day motivates you toward healthy eating and improves the metabolic system of the body.

Outcome - Participants at the program were encouraged to incorporate healthy habits and also take various preventive measures so that in the upcoming times they can stay safe and sound. In addition, people present there are also spurred to boost up their daily nutrition intake. They are also given information on how to integrate and maintain hygiene in their lifestyle. This program is focused towards addressing issues of personal health care, vaccination, hygiene, and illness prevention.

ACTIVITY REPORT

ANTI-DENGUE-MALARIA MEASURES

17th September 2021

Organized by

Mechanical Engineering Department

Date: 17th September 2021

Location: College Campus and Nearby Area

Organizers: Mechanical Engineering Department

Objective: To promote awareness about dengue and malaria prevention and control measures in the college campus and nearby area.

Activities:

- Conducted a lecture on dengue and malaria prevention and control measures for students and staff members.
- Distributed pamphlets and brochures to students and staff members to create awareness.
- Inspected the college campus and nearby areas for mosquito breeding sites.
- Sprayed insecticides in areas where mosquito breeding sites were found.
- Cleaning of the college campus and surrounding areas to prevent the accumulation of stagnant water.

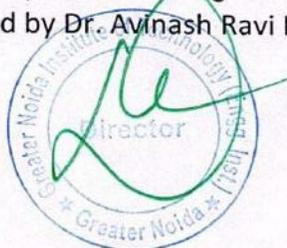

Participants:

- Students, faculty & staff members of the Mechanical Engineering Department.

Outcomes:

- Approximately 30 students and staff members attended the lecture on dengue and malaria prevention and control measures.
- Pamphlets and brochures were distributed to all the attendees.
- The inspection of the college campus and nearby areas helped to identify potential mosquito breeding sites.
- Spraying of insecticides helped to control the mosquito population.
- Cleaning of the college campus and surrounding areas helped to prevent the accumulation of stagnant water.

Conclusion: The "Anti-Dengue-Malaria Measures" activity organized by the Mechanical Engineering Department, GNIOT, Gr. Noida was a great success. It not only helped to promote awareness about dengue and malaria prevention and control measures but also helped to identify potential mosquito breeding sites and control the mosquito population in the college campus and nearby areas. This event was successfully organized under the guidance of our Director Prof. (Dr.) Dhiraj Gupta, HOD Mechanical (Dr.) Rajeev Kumar, Dy HOD Mr. Gagan Varshney, and other faculty members. The activity was coordinated by Dr. Avinash Ravi Raja.

HYGIENE MAINTENANCE

On

“HYGIENE IS TWO THIRDS OF HEALTH”

01st October 2021

Organized by

Electronics and Communication Engineering Department

Report on "Hygiene Maintenance" Conducted by Electronics and Communication Department in Nithari Village: "Hygiene is Two Thirds of Health"

The Electronics and Communication (ECE) Department organized a "Hygiene Maintenance" program on 01st October 2021 in Nithari Village to promote healthy hygiene practices and create awareness about the importance of maintaining cleanliness for overall health and well-being. The event aimed to educate the local community about the significance of hygiene and its impact on individual and community health.

The quote, "Hygiene is two thirds of health," served as the central theme of the program, emphasizing the critical role of hygiene in maintaining good health. The participants included faculty members, students, and staff from the ECE Department, who actively participated in the hygiene maintenance activities.

The event started with an informative session by Mr. Shiv Narain Gupta, Assistant Professor in ECE, who spoke about the importance of hygiene in preventing diseases and promoting overall well-being. She highlighted the significance of personal hygiene, food hygiene, and environmental hygiene in maintaining good health and preventing the spread of illnesses.

Following the session, the participants conducted a cleanliness drive in Nithari Village. They cleaned the streets, public areas, and nearby surroundings, including parks, markets, and schools. They also distributed pamphlets and posters with key messages on hygiene practices, such as handwashing, proper waste disposal, and clean food handling, to the villagers.

During the event, several participants shared their perspectives on the importance of hygiene maintenance and the need for community engagement in promoting healthy hygiene practices.

Here are some quotes from notable individuals:

1. Ms. Anjali Gupta, a student from the ECE Department, said, "Hygiene is a crucial aspect of our daily lives. Through this program, we aim to create awareness about the importance of maintaining cleanliness and adopting healthy hygiene practices. Good hygiene habits can prevent the spread of diseases and promote overall well-being."
2. Mr. Abhishek Kaushik, a faculty member from the ECE Department, shared, "Maintaining hygiene is not only an individual responsibility but also a collective effort. By creating awareness and engaging with the local community, we can together promote healthy hygiene practices and create a cleaner and healthier environment. Hygiene is a fundamental aspect of public health."

The event concluded with a pledge by all the participants to continue promoting hygiene

maintenance and creating awareness about the importance of cleanliness in the community. The event was well-received by the villagers, and they expressed their appreciation for the efforts of the ECE Department in promoting healthy hygiene practices.

In conclusion, the "Hygiene Maintenance" program conducted by the Electronics and

Communication Department in Nithari Village on 01st October 2021 highlighted the importance of hygiene in maintaining good health. The event focused on creating awareness about healthy hygiene practices and engaging with the local community to promote cleanliness. The active participation of the ECE Department and the engagement with the villagers showcased their commitment towards public health and hygiene promotion.

REPORT

DENGUE-MALARIA AWARENESS PROGRAM

Organizing

On

5th November 2021

Organized by

Electronics and Communication Engineering Department

Report on Dengue-Malaria Awareness Program Conducted by Electronics and Communication Department in Sikandarpur Village: "Avoid the Mosquitoes to Avoid Dengue and Malaria"

The Electronics and Communication (ECE) Department organized a Dengue-Malaria awareness program on 05th November 2021 in Sikandarpur village to create awareness about the prevention and control of these mosquito-borne diseases. The event aimed to educate the local community about the importance of avoiding mosquitoes to prevent the spread of Dengue and Malaria.

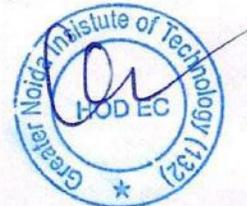

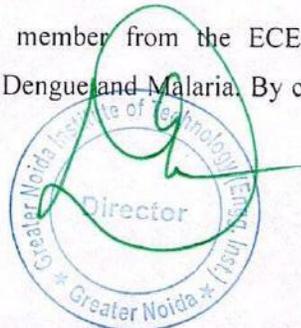

The quote, "Avoid the mosquitoes to avoid Dengue and Malaria," served as the key message of the awareness program, emphasizing the critical role of mosquito control in preventing these diseases. The participants included faculty members, students, and staff from the ECE Department, who actively participated in the awareness drive.

The event commenced with an informative session by Dr. Rakhi Bhardwaj, Associated Professor in ECE department. She provided insights on the transmission, symptoms, and preventive measures of Dengue and Malaria. She highlighted the importance of eliminating mosquito breeding sites and adopting protective measures to avoid mosquito bites, such as using mosquito nets, wearing protective clothing, and using mosquito repellents.

The participants then conducted a door-to-door campaign in Sikandarpur village, spreading awareness about Dengue and Malaria and sharing information on preventive measures. They distributed pamphlets and posters with key messages on mosquito control, symptoms of Dengue and Malaria, and the importance of seeking timely medical attention. The participants also interacted with the villagers, answered their queries, and encouraged them to adopt healthy practices to prevent the spread of these diseases.

During the event, several participants shared their perspectives on the importance of Dengue-Malaria awareness and the need for community engagement in mosquito control. Here are some quotes from notable individuals:

1. Ms. Dimple, a student from the ECE Department, said, "Mosquito-borne diseases like Dengue and Malaria can have severe consequences on our health and well-being. Through this awareness program, we aim to educate the community about preventive measures and empower them to take proactive steps in controlling mosquito breeding and avoiding mosquito bites."
2. Dr. Anil Kumar Dubey, a faculty member from the ECE Department, shared, "Prevention is the key in controlling Dengue and Malaria. By creating awareness and

engaging with the local community, we can together combat the spread of these diseases. It is crucial to adopt healthy practices and promote mosquito control measures to safeguard public health."

3. Mr. Sachin Kumar, a lab staff member from the ECE Department, stated, "Awareness is the first step in preventing Dengue and Malaria. By spreading knowledge about these diseases and their prevention, we can empower the community to take preventive actions and protect themselves from mosquito-borne illnesses. It is our responsibility to create a safer and healthier environment."

The event concluded with a pledge by all the participants to continue spreading awareness about Dengue and Malaria and promoting mosquito control measures in the community. The event was well-received by the villagers, and they expressed their gratitude for the informative session and the efforts of the ECE Department in creating awareness about these diseases.

In conclusion, the Dengue-Malaria awareness program conducted by the Electronics and Communication Department in Sikandarpur village on 01st November 2021 highlighted the importance of avoiding mosquitoes to prevent the spread of these diseases. The event focused

on educating the local community about preventive measures and creating awareness about mosquito control. The active participation of the ECE Department and the engagement with the villagers showcased their commitment towards public health and disease prevention.

NAME OF EVENT:- "GROUP DISCUSSION" ON THE TOPIC " IMPACT OF COVID-19 PANDEMIC ON DAILY LIFE"

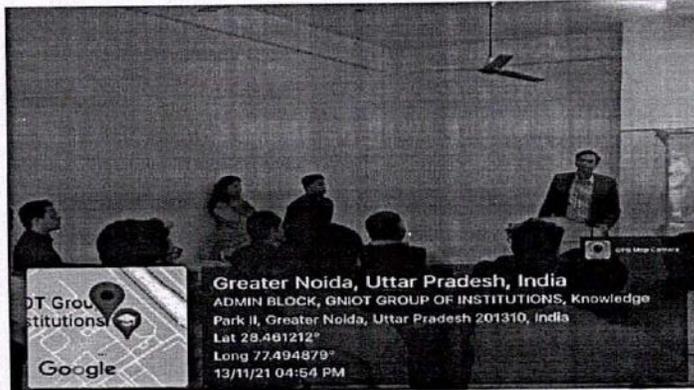

Date & Time of Event:- 13.11.2021 from 2:00 - 5:00 PM

The Department of information technology (Greater noida institute of technology)has successfully conducted a session of "group discussion" on the topic " IMPACT OF COVID-19 PANDEMIC ON DAILY LIFE" for the third year students under the supervision of our Director prof. Dr.Dhiraj Gupta, Head of Department prof. Dr. Ramveer Singh ,our guests supremely talented judges Mr.Sarvendra Singh and Mr. Nikhil Singh and faculty Coordinators and the cornerstone, the participants of this event. The impact that covid laid on our lives was discussed by our students ,the pros and cons that were noticed by them was also being discussed. The session was quite interacting and the students have grasped the basics of group discussion. This Event gave the students a glimpse of the needs for interviews. First rank was hold by Mahak Agarwal 3rd yr, 2nd rank was hold by Smirti Jha 3rd yr, and 3rd rank was hold by Rishav Yadav 3rd yr. We appreciate the winners and our learners.

The outcome of the Program

1. Make them to understand that an educated woman has a lot of knowledge about good health care and the ability to care for her children better.
2. Infection prevention and control will make them more independent and financially strong and less dependent on their family or husband.
3. Infection prevention will help them to understand the importance of hygiene.

Clean-A-Thon Drive

Date: 25/11/2021

The Electrical Engineering (EE) department successfully and enthusiastically conducted the Clean-a-thon drive in the premises of the Greater Noida Authority, Greater Noida on 25.11.2021. Bolstered from the indelible efforts of the Honorable Management of the GNIOT and Dr. Dheeraj Gupta, Director, GNIOT (Engineering Institute), the drive proved to be a pivotal event. Mentioning too the restless endeavors of Dr. Nikhil Gupta, HOD, EE department because of which the drive could become a success. All the noteworthy faculty members and students of the EE department participated in the drive with full zeal. At the last, thanks to Mr. Anupam Kumar, Deputy Registrar, Greater Noida Authority, for his vital support in making the event successful.

Outcome:

Through this drive, the students knew the importance of cleanliness. They learnt that the living surroundings should be neat and clean to create an ambiance of learning.

“CLEAN INDIA MAKE INDIA CLEAN! SWACCH INDIA,
CLEAN INDIA!”

3rd December 2021

Organized by

Electronics and Communication Engineering Department

Report on "Swachh Bharat Abhiyan" Conducted by Electronics and Communication Department in Rohillapur Village: "Clean India makes India clean! Swachh India, clean India!"

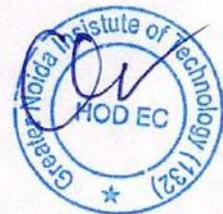

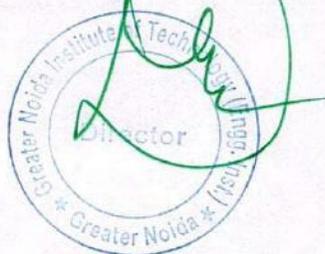

The Electronics and Communication (ECE) Department organized a "Swachh Bharat Abhiyan" program on 3rd December 2021 in Rohillapur Village, as part of the nationwide cleanliness campaign initiated by the Government of India. The event aimed to promote cleanliness and sanitation practices among the villagers and create awareness about the importance of keeping the surroundings clean for a healthier and cleaner India.

The quote, "Clean India makes India clean! Swachh India, clean India!" served as the central theme of the program, emphasizing the need for cleanliness in the community for a better and healthier environment. The participants included faculty members, students, and staff from the ECE Department, who actively participated in the cleanliness drive and awareness activities.

The event began with a motivational speech by the Head of the ECE Department, who highlighted the significance of cleanliness in maintaining good health and well-being. He urged the participants to actively participate in the cleanliness drive and spread awareness about the importance of cleanliness in their daily lives.

Following the speech, the participants conducted a cleanliness drive in and around Rohillapur Village. They cleaned the streets, public areas, and nearby surroundings, including parks, schools, and markets. They also distributed pamphlets and posters with key messages on cleanliness and sanitation practices, such as proper waste disposal, clean food handling, and maintaining clean surroundings, to the villagers.

A student from the ECE Department, said, "Cleanliness is not just a government campaign, but a way of life. Through this Swachh Bharat Abhiyan, we aim to create awareness about the importance of cleanliness in our community. Clean surroundings lead to a healthier and happier community." Mr. Pavel Saini, a faculty member from the ECE Department, shared, "Swachh Bharat Abhiyan is not just about cleaning our surroundings but also about changing our mindset towards cleanliness. It is our responsibility to keep our environment clean and promote cleanliness as a way of life. A clean India is a prosperous India."

Summary Report

The Computer Science & Engineering Department successfully organized a "Hygiene Maintenance" activity in the college campus on 17-12-2021. The students got to learn general hygienic practices in their day to day lives, and observe such practices around themselves.

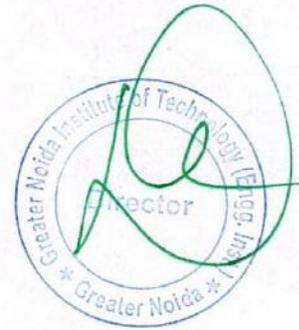

Event Coordinator: Mr. Ashwini Verma

The following students attended the Hygiene Maintenance program conducted by the Department of Computer Science & Engineering, GNIOT on 17 December 2021.

UNNAT BHARAT ABHYAN

PROJECT PROPOSAL

Project Title: Installation of Bio-Toilets in Jewar Block, Greater Noida

Project Objective: To design and provide bio-toilets, for the villages that fall under the Jewar Block in Greater Noida for the hygiene of the villagers, as well as to provide low-cost manure for crop cultivation.

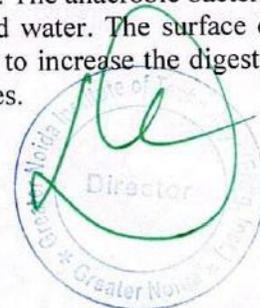

Project Justification:

- a) **Problem Statement:** Several villagers in the fringes of Jewar Block, Greater Noida are open defecating. This lack of proper sanitation leads to negative impacts in the health of public, and may also lead to various diseases such as typhoid, diarrhea, intestinal infection, cholera and many others. The nearby water sources are also getting polluted because of the defecation done near it. These villages include Junpat, Khedi, Bhogpur, Rampur Khader, Rampur Bhangar.
- b) **Priority Needs:** The need arises because of lack of infrastructure, unsafe and risky toilets which are poor in quality and lacks privacy, some of the villagers prefer being in nature or are not aware of the adverse effects because of it. Therefore, the need of the hour is to provide better facility as much as possible to reduce open defecation and educate them about the adverse effects.
- c) **Proposed Approach:** The villagers are to be provided with type of toilet that treats human waste by biological process and reduces the fecal contamination. It is proposed to provide 4 bio-toilets for Junpat village having a population of 1976 of 302 households.

The role of GNIOT here is to analyze the area where maximum open defecation is observed and provide bio-toilets near them. A team of faculty and students will reach the villagers and make them aware about the adverse effects of open defecation, the benefit of using bio-toilet.

Brief Plan for activities and implementation timeline: The activity can be divided into 3 categories named a) Surveying of the area to observe the area prone to open defecation, the data of 3 weeks will be taken. b) Construction of bio-toilet 5-7 days. c) Educating the villagers about the bio-toilets. The digester tanks used here are as per the specifications provided by the IR-DRDO BIO-TOILETS. The details of which is readily available in internet. The implementation of the project may take minimum of one and half month and maximum of 3 months.

Methodology, materials & financial Resources: Here, the human waste or excreta goes to the bio digester tank which is filled with one third of the bacteria. The anaerobic bacteria decompose the human waste and converts it into CO₂, methane gas and water. The surface of the tank is increased by providing modules or chambers in the digester to increase the digestion. The grey water coming as an effluent can be used for irrigation purposes.

Important Dimensions, Volume of Bio-digester Tank & Materials required: 1. Length - 1150 mm
2-Width - 720 mm, 3. Height - 540 mm 4. Total Volume of Tank - 400 liters. 5. Effective
Volume of Tank - 300 liters.

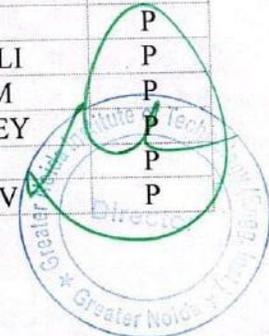

The main parts of the Bio digester tank consist of:

1. Tank with partition walls inside the tank.
2. Poly grass mats for protection of bacteria inside the walls.
3. Ball valve with handle for operation for making toilet direct discharge in case of choking.

Financial Resources: The final price per module comes out to be Rs. 28,500.
There is no availability of any other funding.

50	1813200002	ADITYA SINHA	P
51	1813200003	ALIYAS ALI	P

- Outcome/Impact of the Project:** The following is the expected outcome of the project:
- Better hygiene of the villagers and less polluting of water sources. Meeting Health & sanitation requirements of the villages.
 - Providing low-cost, high-quality manure for the crops – substitute for costly chemical fertilizers.
 - Better educated and aware villagers will ensure proper sanitation and discipline.

Webinar on Health Awareness

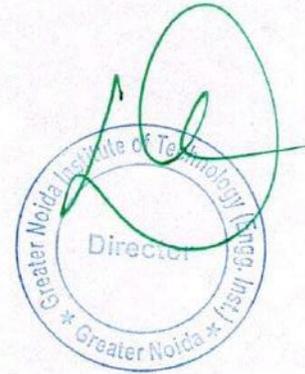

Date: 16.03.2022

The Electrical Engineering (EE) Department organized a webinar on Health Awareness on 16th March 2022. Guest speaker of the webinar was Dr. EktaAgrawal, MD in homeopathy. Dr. Ekta interacted with the students of the department and illuminated them with the specifics of living a healthy life. She discussed about a lot of common health problems in our day to day life and suggested measures to treat them. She also discussed about stress management in students' as well as faculties' life. Further she offered free online consultation to the GNIOT students and faculty members as a token of thanks. Students as well as faculty members of the department participated in the webinar with full enthusiasm.

Outcome:

The students became aware of the following:

1. How to live a healthy life?
2. Common health problems and their treatment.
3. Stress management among students as well as faculties
