## PLANTATION DRIVE (2018)

“To exist as a nation, to prosper as a state, to live as a people, we must have trees.”

Trees are the most benevolent givers in nature. They play an extremely important role in giving life and sustaining it, as a whole, as well as maintaining a balance in the eco-system. This makes it crucial for us to understand how significant trees are to our life on earth and what we can do to counter the problem of their depleting numbers and all the additional challenges that come with it.

The Department of MCA has been organized the Tree Plantation Drive on 22<sup>nd</sup> April 2018 in occasion of “**Earth Day**” at GNIOT GROUP OF INSTITUTIONS campus under the Social Club. Considering the concept of “**Plant a tree today for a better tomorrow**”, the drive has been executed in presence of respected director Dr. Dhiraj Gupta, Faculty members, Staffs and Students of MCA 1<sup>st</sup> Year and 2<sup>nd</sup> Year.

**Outcome of the Event:**

Participants were highly energetic to make the event a big success. A spirit of teamwork, exchange of ideas and enthusiasm of the participants especially among the students could be seen. The students and teachers planted saplings and fenced them and watered the plants.
